Agenda Item No. 3(C)

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Fungias
County Manager

Subject: Resolution Authorizing Issuance of \$250 Million Capital Asset Acquisition Special Obligation Bonds (Series 2007)

RECOMMENDATION

It is recommended that the Board adopt the attached Series Resolution (Series 2007 Resolution) authorizing the issuance and negotiated sale of Capital Asset Acquisition Special Obligation Bonds, in an aggregate principal amount not to exceed \$250 million (Series 2007 Bonds).

BACKGROUND

The Series 2007 Bonds are being issued for the purposes of (i) paying and reimbursing the County for costs of acquisition, construction, improvement and/or renovation of certain capital assets, including buildings occupied or to be occupied by the County and its various departments described in Exhibit "B" of this Series 2007 Resolution (Capital Assets); (ii) providing for the funding of a Reserve Fund, including the purchase of a Reserve Fund Facility, if advisable; and (iii) paying the costs of issuance, including municipal bond insurance.

The Series 2007 Resolution further delegates to the Finance Director, within certain limitations stated herein, the authority to (i) finalize the terms and details of the Series 2007 Bonds, including amortization requirements, interest rates, maturities and other details of the Series 2007 Bonds, including the variable rate terms set forth in Exhibit "A" to the Series 2007 Resolution; (ii) issue the Series 2007 Bonds in various interest rate modes including fixed rate and/or a variable rate; (iii) negotiate and obtain municipal bond insurance and a Reserve Account Credit Facility, if either is deemed financially advisable; (iv) use, execute and deliver the Bond Purchase Agreement, in substantially the form attached as Exhibit "D" to the Series 2007 Resolution; and (v) designate a Paying Agent and Bond Registrar. In addition, the Series 2007 Resolution additionally approves the use and distribution of a Preliminary Official Statement and a final Official Statement in the form attached as Exhibit "E" and authorizes and directs officers of the County to take all necessary actions in connection with the issuance of the Series 2007 Bonds.

The County's ability to appropriate funds on an annual "pay-as-you-go" basis to finance the acquisition, construction and/or renovation of priority capital assets to meet the required needs of our departments is at times restricted. This financing will provide a solution for funding the Capital Assets.

The Series 2007 Bonds will be issued pursuant to the ordinance authorizing the issuance of Special Obligation Bonds (Ordinance) placed on this agenda for Board consideration. Under the Ordinance, the County covenants to budget and appropriate annually, from legally available non-ad valorem revenues to pay the principal and interest on the Series 2007 Bonds when due.

In addition to authorizing the issuance of up to \$250 million in one or more series of bonds for the Capital Assets listed in Exhibit "B", the Series 2007 Resolution delegates and authorizes the Finance Director to:

- Issue the Series 2007 Bonds as tax exempt and/or taxable fixed rate or variable rate serial bonds, or term bonds or a combination of them with maturity dates not to exceed 40 years in one or more series and to determine the designation of each series, if applicable;
- Determine amounts, dates, maturities, sinking fund installments, redemption provisions, series amounts and certain other details relating to such Series 2007 Bonds after consultation with the County's Financial Advisors (Financial Advisors);
- Negotiate and obtain bond insurance and a reserve account credit facility, after a competitive process, if either are deemed appropriate and financially advisable, after consultation with the Financial Advisors, County Attorneys' Office (County Attorney) and Bond Counsel and execute and deliver any agreements that may be required by the bond insurer providing such bond insurance;
- Determine, after consultation with the Financial Advisors, County Attorney and Bond Counsel, whether it is in the financial interest of the County to issue variable rate bonds or auction rate bonds and if so, (i) to secure additional collateral as a letter of credit for liquidity during the remarketing of the variable rate bonds; (ii) to appoint an auction agent, remarketing agent and broker dealer(s); and (iii) to finalize the variable rate terms and to negotiate and finalize any related agreement in accordance with Exhibit "A";
- Award the Series 2007 Bonds to Citigroup as senior manager, on behalf of the Underwriters named in the Bond Purchase Agreement, provided that the true interest cost on the Fixed Rate Tax-Exempt Series 2007 Bonds and Fixed Rate Taxable Series 2007 Bonds do not exceed 5.65% and 6.90%, respectively or such lesser rates as determined by the Finance Director after consultation with the Financial Advisors;
- Select and appoint a Paying Agent and Bond Registrar for the Series 2007 Bonds after a competitive process;
- Execute and deliver to the Underwriters the Bond Purchase Agreement, substantially in the form attached as Exhibit "D" to this Series 2007 Resolution; and
- Prepare, distribute and permit the use of the Preliminary Official Statement substantially in the form attached as Exhibit "E" to this Series 2007 Resolution and allow the distribution of the final Official Statement.

The Series 2007 Resolution further provides for:

- The use of a book-entry only system of registration for the Series 2007 Bonds;
- A Continuing Disclosure Commitment, as required under the provisions of Rule 15c2-12, as amended, of the Securities and Exchange Commission; and
- The appropriate officials of the County to take all actions necessary in connection with the issuance of the Series 2007 Bonds and the closing of this transaction.

Resolution No. R-130-06 provides that any County contracts with third parties be finalized and executed prior to their placement on the committee agenda. The sale of the Bonds, which will set their final terms which are reflected in the contracts, cannot occur until after the effective date of this 2007 Resolution. Therefore, a waiver of Resolution No. R-130-06 is necessary.

and Members, Board of County Commissioners

(A) Based upon the advice of the Financial Advisor and the recommendation of the County Manager, the negotiated sale of the Series 2007 Bonds is in the best interest of the County because of the security for the Series 2007 Bonds and the need to

educate investors as to the legal structure and mechanics involved in such security for the Series 2007 Bonds.

The text of the Series 2007 Bonds and the form of the assignment for such Series 2007 Bonds shall be substantially in the form attached as Exhibit C to this Series 2007 Resolution, with such omissions, insertions and variations as may be necessary

or desirable and approved by the Finance Director, after consultation with the County Attorney and Bond Counsel, including such as are necessary with respect to Series 2007 Bonds subject to the provisions of Exhibit A, execution of the Series 2007 Bonds by the Mayor of the County (the "Mayor") being conclusive evidence of such approval, including, without limitation, for payment of interest by wire transfer and for execution of the Registrar's Certificate of Authentication (the "Certificate of Authentication") on the Series 2007 Bonds by the Registrar.

The Series 2007 Bonds shall be executed for and on behalf of the County by the facsimile or manual signature of the Mayor and attested with a facsimile or manual signature of the Clerk and the imprint or reproduction of the official seal of the Board. The Certificate of Authentication shall appear on the Series 2007 Bonds and no Series 2007 Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Series 2007 Resolution unless such Certificate of Authentication shall have been duly executed by the Registrar on such Series 2007 Bonds. The authorized signature for the Registrar shall at all times be a manual signature. In case any officer whose signature shall appear on any Series 2007 Bonds shall cease to be such officer before the delivery of such Series 2007 Bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Any Series 2007 Bonds may be signed and sealed on behalf of the County by such person who at the actual time of the execution of such Series 2007 Bonds shall hold the proper office with the County, although on the date of adoption of this Series 2007 Resolution such person may not have held such office or may not have been so authorized. The execution and delivery of the Series 2007 Bonds substantially in the manner mentioned above are authorized and such execution and delivery as described above shall be conclusive evidence of the Board's approval.

The Series 2007 Bonds shall be dated as of the date of their delivery, shall bear interest from such date, at the rates and shall mature in accordance with the maturity schedule, set forth in the Bond Purchase Agreement and in the Omnibus Certificate, as approved by the Finance Director in accordance with this Series 2007 Resolution; provided, however, that the Series 2007

Bonds subject to the terms and provisions of Exhibit A shall bear interest as provided in Exhibit A. The Series 2007 Bonds shall be issued in Authorized Denominations.

Each series of the Series 2007 Bonds shall be numbered from one upward preceded by the letter "R" prefixed to the number. Principal of and premium, if any, on the Series 2007 Bonds shall be payable upon presentation and surrender at the principal corporate trust office of the Registrar and Paying Agent. Interest on the Series 2007 Bonds shall be paid by check or draft drawn upon the Paying Agent and mailed to the registered owners of the Series 2007 Bonds at the addresses as they appear on the registration books held by the Registrar and Paying Agent at the close of business on the Record Date, irrespective of any transfer or exchange of such Series 2007 Bonds subsequent to such Record Date and prior to such interest payment date; provided, however, that (i) so long as the ownership of such Series 2007 Bonds are maintained in a Book-Entry-Only System by a securities depository, such payment shall be made by automatic funds transfer ("wire") to such securities depository or its nominee and (ii) if such Series 2007 Bonds are not maintained in a Book-Entry-Only System by a securities depository, upon written request of the registered owner of \$1,000,000 or more in principal amount of Series 2007 Bonds delivered 15 days prior to an Interest Payment Date, interest may be paid when due by wire in immediately available funds to the bank account number of a bank within the continental United States designated in writing by such Bondholder to the Paying Agent, on a form acceptable to it. Any such written election may state that it will apply to all subsequent payments due with respect to the Series 2007 Bonds held by such registered owner until a subsequent written notice is filed. If and to the extent, however, the County fails to make payment or provision for payment on any Interest Payment Date of interest on any Series 2007 Bond, interest shall be payable to the person in whose name such bond is registered at the close of business on a special record date for the payment of such defaulted interest as established by notice mailed by the Registrar to the registered owners of the Series 2007 Bonds not less than fifteen days preceding such special record date. Such notice shall be mailed to the persons in whose name the Series

2007 Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing.

The County shall appoint such registrars, paying agents, transfer agents, depositaries or other agents as shall be necessary to cause the registration, registration of transfer and reissuance of Series 2007 Bonds within a commercially reasonable time according to the then current industry standards.

The registered owner of any Series 2007 Bond shall be deemed and regarded as the absolute owner of the Series 2007 Bonds for all purposes of this Series 2007 Resolution. Payment of or on account of the debt service on any Series 2007 Bond shall be made only to or upon the order of that registered owner or such registered owner's attorney-in-fact duly authorized in writing in the manner permitted by law, and neither the County nor the Paying Agent shall be affected by notice to the contrary. All payments made as described in this Series 2007 Resolution shall be valid and effective to satisfy and discharge the liability upon that Series 2007 Bond, including without limitation, the interest on that Series 2007 Bond, to the extent of the amount or amounts so paid.

The principal of, premium, if any, and interest on the Series 2007 Bonds shall be payable in any currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The payment of the principal of, premium, if any, and interest on the Series 2007 Bonds shall be secured equally and ratably only by a pledge of and lien on the Covenant Revenues and the accounts created under this Series 2007 Resolution, all in the manner and to the extent provided in this Series 2007 Resolution.

The Series 2007 Bonds shall be subject to such applicable redemption provisions as are provided in Article VI and Exhibit A and Series 2007 Bonds subject to the terms and provisions of Exhibit A shall be subject to tender for purchase as provided in Exhibit A. If term Bonds are specified in the Bond Purchase Agreement, the annual redemptions required with respect to such

term Bonds prior to maturity shall be designated as Sinking Fund Installments with respect to the Series 2007 Bonds for purposes of this Series 2007 Resolution.

Section 4.02. Book-Entry Bonds.

(i) Except as provided in subsection (iii) below, the Holder of all of the Series 2007 Bonds shall be DTC and the Series 2007 Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Bond registered in the name of Cede & Co. shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Date for the Series 2007 Bonds at the address indicated for Cede & Co. in the registration books of the County kept by the Registrar.

(ii) The Series 2007 Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each maturity of each series of the Series 2007 Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the registration books of the County kept by the Registrar in the name of Cede & Co., as nominee of DTC. The County, the Registrar and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive Holder of the Series 2007 Bonds registered in its name for the purposes of payment of the principal, redemption price of or interest on the Series 2007 Bonds; any notice permitted or required to be given to Bondholders under this Series 2007 Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Holders of the Series 2007 Bonds and for all other purposes whatsoever; and neither the County, the Registrar nor the Paying Agent shall be affected by any notice to the contrary. Neither the Registrar, the Paying Agent nor the County shall have any responsibility or obligation to any DTC Participant (the "Participant"), any person claiming a beneficial ownership interest in the Series 2007 Bonds under or through DTC or any Participant, or any other person which is not shown on the registration books of the Registrar as being a Holder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment of DTC or any Participant of any amount in respect of the principal, Sinking Fund Installments or redemption price of or interest on the Series 2007 Bonds; any notice which is permitted or required to be given to Bondholders under

this Resolution or any other documents; the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Series 2007 Bonds; or any consent given or other action taken by DTC as Bondholder. The Registrar shall pay all principal of, and redemption premium, if any, and interest on the Series 2007 Bonds only to or "upon the order of" DTC (as that term is used in the Uniform Commercial Code as adopted in Florida), and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to the principal of, and redemption premium, if any, and interest on the Series 2007 Bonds to the extent of the sum or sums so paid. Except as otherwise provided in subsection (iii) below, no person other than DTC shall receive an authenticated Bond certificate evidencing the obligation of the County to make payments of principal of, Sinking Fund Installments and redemption premium, if any, and interest pursuant to this Series 2007 Resolution. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Series 2007 Resolution with respect to transfers of Bonds, the word "Cede & Co." in this Series 2007 Resolution shall refer to such new nominee of DTC.

(iii) In the event the County determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bond certificates, the County may notify DTC and the Registrar, whereupon DTC will notify the Participants, of the availability through DTC of Bond certificates. In such event, the County shall prepare and shall execute and the Registrar shall authenticate, transfer and exchange Bond certificates as requested by DTC in appropriate amounts within the guidelines set forth in this Series 2007 Resolution. DTC may determine to discontinue providing its services with respect to the Series 2007 Bonds at any time by giving written notice to the County and the Registrar and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the County and the Registrar shall be obligated to deliver Bond certificates as described herein. In the event Bond certificates are issued, the provisions of this Series 2007 Resolution shall apply to, among other things, the transfer and exchange of such certificates and

the method of payment of principal of, redemption premium, if any, and interest on such certificates. Whenever DTC requests the County and the Registrar to do so, the County will direct the Registrar to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2007 Bonds to any DTC Participant having Bonds credited to its DTC account; or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2007 Bonds.

(iv) NEITHER THE COUNTY, THE REGISTRAR NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, SINKING FUND INSTALLMENT FOR, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2007 BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS SERIES 2007 RESOLUTION TO BE GIVEN TO BONDHOLDERS; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2007 BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY CEDE & CO. AS THE NOMINEE OF DTC, AS REGISTERED OWNER.

SO LONG AS CEDE & CO IS THE REGISTERED OWNER OF THE SERIES 2007 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDERS OR REGISTERED HOLDERS OF THE SERIES 2007 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2007 BONDS.

(v) Notwithstanding anything to the contrary contained in this Section 4.02, Series 2007 Bonds subject to the terms and provisions of Exhibit A shall be subject to the provisions relating to book-entry bonds contained in Exhibit A.

Section 4.03. Mutilated Lost and Destroyed Bonds. In the event any temporary or definitive Bond is mutilated, lost, stolen or destroyed, the County may execute and the Registrar and Paying Agent may authenticate a new Bond of like series, form, date and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the County, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the County and the Registrar and Paying Agent evidence of such loss, theft or destruction satisfactory to the County and the Registrar and Paying Agent, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond the County may pay the same without surrender of such Bond. The County and the Registrar and Paying Agent may charge the Holder or owner of such Bond with their reasonable fees and expenses in this connection.

Section 4.04. Transfer and Exchange of Bonds; Persons Treated as Owners. The County shall cause the Bond Register to be kept at a corporate trust office of the Registrar and Paying Agent, as Registrar, which is hereby constituted and appointed the registrar of the County. Upon surrender for transfer of any Bond at a corporate trust office of the Registrar and Paying Agent, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and Paying Agent and duly executed by, the registered owner or the attorney of such owner duly authorized in writing with signature guaranteed by a member firm of STAMP, SEMP or MSP signature guaranty medallion program, the County shall execute and the Registrar and Paying Agent shall authenticate, date and deliver in the name of the transferee or transferees a new Bond or Bonds of the same series and maturity, of Authorized Denominations, for the same aggregate principal amount and of like tenor. Any Bond or Bonds may be exchanged at said office of the Registrar and Paying Agent for the same

aggregate principal amount of such Series 2007 Bonds of other Authorized Denominations and of like tenor. The execution by the County of any Bond shall constitute full and due authorization of such Series 2007 Bond and the Registrar and Paying Agent shall thereby be authorized to authenticate, date and deliver such Bond.

The Registrar and Paying Agent shall not be required to register the transfer of or exchange any Bond of a series after the mailing of notice calling such Bond or portion thereof for redemption has occurred as provided in this Series 2007 Resolution, or during the period of fifteen days next preceding the giving of notice calling any Bonds for redemption.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner of such Bond for the purpose of receiving payment of or on account of principal of such Bond and premium, if any, thereon and interest due thereon and for all other purposes and neither the County, any Credit Facility Provider nor the Registrar and Paying Agent shall be affected by any notice to the contrary, but such registration may be changed as in this Series 2007 Resolution provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond surrendered for the purpose of payment or retirement or for exchange or transfer or for replacement pursuant to Section 4.03 or 6.06, shall be canceled upon surrender of such Bond to the Registrar and Paying Agent. Certification of Bonds canceled by the Registrar and Paying Agent shall be made to the County. Canceled Bonds may be destroyed by the Registrar and Paying Agent unless written instructions to the contrary are received from the County.

The County and the Registrar and Paying Agent may charge each Bondholder requesting an exchange, change in registration or registration of transfer a sum not exceeding the actual cost of any tax, fee or other governmental charge required to be paid with respect to such exchange, registration or transfer, except in the case of the issuance of a definitive Bond for a temporary Bond and except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption pursuant to the provisions of Section 6.06.

Section 4.05. Use of Proceeds of the Series 2007 Bonds. Subject to the provisions of the Ordinance, the proceeds received from the sale of the Series 2007 Bonds, and other legally available funds as determined by the Finance Director in the Omnibus Certificate, shall be applied as follows:

(A) The amount which, together with any funds provided by the County, shall be necessary to make the funds on deposit in the Reserve Account equal the Reserve Account Requirement, shall be deposited in the Reserve Account; provided, however, that if a Reserve Account Credit Facility is provided to satisfy the Reserve Account Requirement, in lieu of making such deposit, proceeds from the sale of the Series 2007 Bonds or any funds provided by the County shall be used to pay the premium on such Reserve Account Credit Facility.

(B) The amount as designated by the Finance Director in the Omnibus Certificate as needed to pay the cost of acquisition and construction of the Capital Assets shall be deposited into the Acquisition Account (including any subaccounts therein created pursuant to the Omnibus Certificate) and shall be used and applied in accordance with Section 7.03 hereof.

(C) The balance of the proceeds from the sale of the Series 2007 Bonds shall be deposited in the Cost of Issuance Account created pursuant to Section 7.01 (including any subaccounts therein created pursuant to the Omnibus Certificate) and disbursed by the County upon receipt of appropriate invoices, with any surplus remaining therein after all costs of issuance have been paid being transferred to the Acquisition Account.

Upon compliance by the Underwriters with the requirements of Section 218.385, Florida Statutes, as amended, the Finance Director is authorized and directed to finalize the terms of, and to execute the Bond Purchase Agreement between the County and the Underwriters and to deliver the Bond Purchase Agreement. The Board approves the negotiated sale of the Series 2007 Bonds to the Underwriters upon the final terms and conditions in this Series 2007 Resolution and as set forth in the Bond Purchase Agreement. The use and distribution of the Preliminary Official Statement in connection with the marketing of the Series 2007 Bonds and the delivery of the Official Statement in connection with the sale of the Series 2007 Bonds on behalf of the County are authorized. If deemed necessary or financially advisable, the Finance Director, after utilizing a competitive process and consultation with the Financial Advisor and the County Attorney, is authorized to secure one or more Credit Facilities, Liquidity Facilities and/or Reserve Account Credit Facilities with respect to any one or all of the Series 2007 Bonds and to execute and deliver any agreements, instruments or certificates for or on behalf of the County as may be necessary to secure such Credit Facilities, Liquidity Facilities and/or Reserve Account Credit Facilities, with the Finance Director's execution of any such agreements, instruments or certificates to be conclusive evidence of their approval by the Board. The Finance Director is authorized to provide for the payment of any premiums on or fees for such Credit Facilities, Liquidity Facilities and/or Reserve Account Credit Facilities from the proceeds of the issuance of the Series 2007 Bonds.

The execution in final form of any agreement mentioned in this Section for and on behalf of the County by the Finance Director shall be conclusive evidence of the Board's approval of such agreement.

ARTICLE VI

REDEMPTION OF BONDS

Section 6.01. Optional Redemption. The Series 2007 Bonds, as applicable, shall be subject to redemption prior to maturity at the election or direction of the County as set forth in Exhibit A to this Series 2007 Resolution and the Omnibus Certificate.

Section 6.02. Mandatory Sinking Fund Redemption; Credits. The Series 2007 Bonds shall be subject to redemption, in part, through application of such Sinking Fund Installments as may be required in the Omnibus Certificate delivered to the Registrar and Paying Agent at the redemption price of one hundred per centum (100%) of the principal amount of each Series 2007 Bond or portion thereof to be redeemed, plus accrued interest, if any, to the date of redemption.

There shall be credited against and in satisfaction of any Sinking Fund Installment payable on any date for the Series 2007 Bonds the principal amount of the Series 2007 Bonds entitled to such Sinking Fund Installment: (A) purchased with moneys in the Debt Service Account and cancelled by the Registrar and Paying Agent; (B) purchased by the County and

delivered to the Registrar and Paying Agent for cancellation and (C) deemed to have been paid in accordance with Section 16.01. Bonds purchased by the County or deemed to have been paid in accordance with Article XVI shall be applied in satisfaction, in whole or in part, of one or more Sinking Fund Installments payable with respect to such Bonds on such dates as the County shall specify in a written direction delivered to the Registrar and Paying Agent at least fifteen (15) days prior to the earliest date on which notice of redemption of such Bonds entitled to such Sinking Fund Installment may be given by the Registrar and Paying Agent and the Sinking Fund Installment payable with respect to such Bonds on each date specified in such direction shall be reduced by the principal amount of the Series 2007 Bonds so purchased, redeemed or deemed to have been paid in accordance with Article XVI to be applied in satisfaction of such Sinking Fund Installment as set forth in such direction.

Section 6.03. Selection of Bonds to be Redeemed. If less than all of the Outstanding Bonds of like series and maturity are to be redeemed pursuant to Section 6.02, such Bonds shall be selected by the Registrar and Paying Agent by lot, using such method of selection as the Registrar and Paying Agent shall consider proper in its discretion.

Section 6.04. Notice of Redemption.

(A) The Registrar and Paying Agent shall provide notice of the call for any redemption required under this Series 2007 Resolution, identifying the Series 2007 Bonds to be redeemed, by first class mail, postage prepaid, to the registered owners of Bonds to be redeemed at their addresses as shown on the Bond Register not less than thirty (30) days prior to the redemption date. In addition, while DTC acts as securities depository for the Series 2007 Bonds, notices of redemption shall be mailed by the Registrar and Paying Agent at least thirty-five (35) days before the redemption date to Cede & Co., as registered owner of the Series 2007 Bonds and to one or more national information services that disseminate notices of redemption of bonds.

(B) Each such notice of redemption shall state the date fixed for redemption, the name and address of the Registrar and Paying Agent, the redemption price to be paid, and, if less than all of the Series 2007 Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers of the Series 2007 Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount of the Series 2007 Bonds to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall also state that, on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in a principal amount equal to the unredeemed portion of such Bond will be issued.

(C) Failure to give notice in the manner prescribed under this Series 2007 Resolution with respect to any Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Registrar and Paying Agent on the applicable redemption date to redeem the Series 2007 Bonds to be redeemed and to pay interest due thereon and premium, if any, the Series 2007 Bonds thus called shall not after the applicable redemption date bear interest, be protected by this Series 2007 Resolution or be deemed to be Outstanding under the provisions of this Series 2007 Resolution. The Registrar and Paying Agent shall redeem, in the manner provided in this Article VI, such an aggregate principal amount of such Bonds at the principal amount thereof plus accrued interest to the redemption date and unpaid thereon and premium, if any, as will exhaust as nearly as practicable such funds. At the direction of the County, such funds may be invested in Government Obligations until needed for redemption payout.

(D) If any Bond is transferred or exchanged on the Bond Register by the Registrar after notice has been given calling such Bond for redemption, the Registrar will attach a copy of such notice to the Bond issued in connection with such transfer.

Section 6.05. Effect of Calling for Redemption. On the date so designated for redemption, notice having been given in the manner provided in Section 6.04, the Series 2007 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, and moneys for payment of the redemption price being held in a separate account of the Paying Agent or an escrow agent in trust for the Holders of the Series 2007 Bonds to be redeemed, all as provided in this Series 2007 Resolution, interest on the Series 2007 Bonds so called for redemption shall cease to accrue, such Bonds shall not be deemed Outstanding for purposes of this Series 2007 Resolution and shall cease to be entitled to any lien, benefit or security under this Series 2007 Resolution, and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.

Section 6.06. Cancellation. All Bonds which have been redeemed shall be canceled and cremated or otherwise destroyed by the Registrar and Paying Agent and shall not be reissued and a counterpart of the certificate of cremation or other destruction evidencing such cremation or other destruction shall be furnished by the Registrar and Paying Agent to the County; provided, however, that one or more new Bonds shall be issued for the unredeemed portion of any Bond without charge to the Holder thereof.

Section 6.07. Exhibit A Provisions. Notwithstanding anything to the contrary contained in this Article VI, Series 2007 Bonds subject to the terms and provisions of Exhibit A shall be subject to the provisions relating to redemption contained in Exhibit A.

ARTICLE VII

ACQUISITION FUND

Section 7.01. Establishment of the Acquisition Fund. There is hereby established and created the "Capital Asset Acquisition Special Obligation Bonds, Series 2007, Acquisition Fund" (the "Acquisition Fund"). Within the Acquisition Fund, there shall be established two accounts: (i) the Acquisition Account and (ii) the Cost of Issuance Account.

Section 7.02. Cost of Issuance Account. The Cost of Issuance Account shall be held by the County. The Finance Director may create separate subaccounts within the Cost of Issuance Account with respect to Tax-Exempt Bonds and Taxable Bonds. There shall be deposited in the Cost of Issuance Account the amounts determined pursuant to Section 4.05. The moneys held in the Cost of Issuance Account shall be held in trust and applied to payment of the costs of issuance of the Series 2007 Bonds as specified in Section 4.05 and pending such application, shall be subject to a lien and charge in favor of the Holders of Bonds issued and Outstanding under this Series 2007 Resolution and for the further security of such Holders until paid as in this Series 2007 Resolution provided. Moneys in the Cost of Issuance Account shall be disbursed subject to such controls and procedures as the County may from time to time institute in connection with the disbursement of County funds for paying the cost of issuance of Bonds issued to pay the cost of the Project. Any amounts remaining in the Cost of Issuance Account after payment of all the costs of issuance of the Series 2007 Bonds shall be transferred by the Finance Director to the Acquisition Account.

Section 7.03. Acquisition Account.

(A) The Acquisition Account shall be held by the County and there shall be deposited therein the amounts determined pursuant to Section 4.05. The Finance Director may create separate subaccounts within the Acquisition Account with respect to Tax-Exempt Bonds and Taxable Bonds. The moneys in the Acquisition Account shall be held in trust and applied to the payment of the Cost of the Project and, pending such application, shall be subject to a lien and charge in favor of the holders of the Series 2007 Bonds Outstanding under this Series 2007 Resolution and for the further security of such holders until paid out as herein provided.

(B) Payment of the Cost of the Project shall be made from the Acquisition Account as provided in this Series 2007 Resolution. All such payment shall be subject to the provisions and restrictions set forth in this Article and the County covenants that it will not cause or permit to be paid from the Acquisition Account any sums except in accordance with such provisions and restrictions. Moneys in the Acquisition Account shall be disbursed subject to such controls and procedures as the County may from time to time institute in connection with the disbursement of County funds for payment of the cost of capital projects.

(C) For the purposes of this Section 7.03, the Cost of the Project shall include, without intending thereby to limit or to restrict or to extend any proper definition of such Cost under the provisions of this Series 2007 Resolution, the following:

- (i) the cost of acquiring and improving Capital Assets comprising the Project;
- (ii) capital costs of administration properly chargeable to the Project under generally accepted accounting principles, and all other items of expense not elsewhere specified in this Series 2007 Resolution, incident to the acquisition of the Project and the placing of the same in operation; and
- (iii) any amounts advanced by the County for any of the foregoing purposes and any obligation or expense incurred by the County for any of the foregoing purposes in anticipation of being reimbursed from the proceeds of the Series 2007 Bonds,

including the cost of materials, supplies or equipment furnished by the County in connection with the Project and paid for by the County out of funds other than moneys in the Acquisition Fund.

Any funds on deposit in the Acquisition Account that, in the opinion of the County, are not immediately necessary for expenditure, as hereinabove provided, shall be held and may be invested, in the manner provided by law, in Investment Obligations pursuant to Section 10.02 below. All income derived from investment of funds in the Acquisition Account shall be deposited in the Acquisition Account and used for the purposes contemplated in this Article VII.

Upon completion of the acquisition and improvement of each Capital Asset, any amounts then remaining in the Acquisition Account and not reserved by the County for the payment of any remaining part of the cost thereof, shall be applied as follows: (i) to cure any deficiency in the Reserve Account to the extent such use will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Tax-Exempt Bonds, (ii) in the discretion of the County and upon receipt of an opinion of Bond Counsel to the effect that such use will not adversely affect the exclusion, if any, from gross income for federal income tax purposes of interest on such Bonds from which such funds are derived, to the payment of the Costs of additional projects authorized by the County pursuant to the Ordinance, (iii) to redeem Bonds, or (iv) for any purpose with respect to which the County shall receive an opinion of Bond Counsel to the effect that such use does not violate the Act and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Bonds.

ARTICLE VIII

SOURCE OF PAYMENT OF BONDS; SPECIAL OBLIGATIONS OF THE COUNTY

Section 8.01. Covenant to Budget and Appropriate. The County hereby covenants and agrees to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its Annual Budget for each Fiscal Year, by amendment if necessary, Legally Available Non-Ad Valorem Revenues of the County in an amount which, together with other legally available revenues budgeted and appropriated for such purpose, are

equal to the Principal and Interest Requirements with respect to the Series 2007 Bonds for the applicable Fiscal Year, plus an amount sufficient to satisfy all other payment obligations of the County under this Series 2007 Resolution for the applicable Fiscal Year, including, without limitation, the obligations of the County to fund and cure deficiencies in the Debt Service Account and the Reserve Account created hereunder, to make the rebate payments contemplated in Section 10.03, as and when the same become due and, without duplication, to pay all net amounts due or to become due under the outstanding Hedge Agreements in such Fiscal Year.

The obligation of the County pursuant to this Section 8.01 includes an obligation to make amendments to the budget of the County to assure compliance with the terms and provisions hereof. The covenant and agreement on the part of the County to budget and appropriate sufficient amounts of Legally Available Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Legally Available Non-Ad Valorem Revenues in amounts, together with any other legally available revenues budgeted and appropriated for such purposes, sufficient to make all required payments hereunder as and when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the appropriate accounts hereunder.

Nothing contained herein shall preclude the County from pledging any of its Legally Available Non-Ad Valorem Revenues or other revenues to other obligations, nor shall it give the Bondholders a prior claim on the Legally Available Non-Ad Valorem Revenues until they are actually deposited in the accounts created hereunder. The County may not expend moneys not appropriated or in excess of its current budgeted revenues. The obligation of the County to budget, appropriate and make payments hereunder from its Legally Available Non-Ad Valorem Revenues is subject to the availability of Legally Available Non-Ad Valorem Revenues of the County after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the County.

Section 8.02. Pledge of Covenant Revenues: Limited Obligations. Anything herein to the contrary notwithstanding, all obligations of the County under this Series 2007 Resolution shall be secured only by the Legally Available Non-Ad Valorem Revenues and other legally available revenues budgeted and appropriated and actually deposited into the accounts created pursuant to this Series 2007 Resolution, all as provided for herein. The County pledges and grants a lien on the Covenant Revenues to equally and ratably secure the payment of the principal of, premium, if any, and interest on the Series 2007 Bonds. Nothing herein shall be deemed to create a pledge of or lien, legal or equitable, on the Legally Available Non-Ad Valorem Revenues, the ad valorem tax revenues, or any other revenues of the County, or to permit or constitute a mortgage or lien upon any assets owned by the County, other than the Covenant Revenues and the accounts created pursuant to this Series 2007 Resolution in the manner and to the extent provided in this Series 2007 Resolution. No Bondholder shall ever have the right to compel any exercise of the ad valorem taxing power of the County for any purpose, including, without limitation, to pay the principal of or interest or premium, if any, on the Series 2007 Bonds or to make any other payment required under this Series 2007 Resolution or to maintain or continue any of the activities of the County which generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues.

ARTICLE IX

CREATION AND USE OF ACCOUNTS; DISPOSITION OF REVENUES

Section 9.01. Creation of Accounts. There are hereby created and established the "Capital Asset Acquisition Special Obligation Bonds, Series 2007, Debt Service Account" (the "Debt Service Account") and the "Capital Asset Acquisition Special Obligation Bonds, Series 2007, Reserve Account" (the "Reserve Account"). The Debt Service Account and the Reserve Account shall constitute trust funds for the purposes herein provided, shall be delivered to and held by the County in an Authorized Depository designated by the Finance Director, in trust for the benefit of, and shall be subject to a lien and charge in favor of, the Registered Owners of the

Series 2007 Bonds and any Counterparties under Hedge Agreements, and shall at all times be kept separate and distinct from all other funds of the County and used only as herein provided.

Section 9.02. Disposition of Revenues. On or before each Interest Payment Date, and on such other dates and times as are necessary to satisfy the deposit requirements described in this Section 9.02, there shall be deposited to the credit of the Debt Service Account and the Reserve Account, or applied as otherwise described below, from Legally Available Non-Ad Valorem Revenues budgeted and appropriated for such purposes amounts which, together with Hedge Receipts and other funds on deposit therein, will be sufficient to satisfy the cumulative deposit requirements described in clauses (i) through (iii) below. Such deposits and payments shall be made in the following order and priority:

(i) First, by deposit into the Debt Service Account an amount which, together with any other amounts required to be deposited therein pursuant to this Series 2007 Resolution, will equal to the sum of the principal of, interest on and Sinking Fund Installments with respect to the Series 2007 Bonds, then or theretofore due on such Interest Payment Date, together with any Hedge Obligations due on such Interest Payment Date. Such deposits shall take into account any capitalized interest and any deficiencies in prior deposits.

(ii) Second, by deposit into the Reserve Account, an amount which, together with funds currently deposited therein, will be sufficient to make the funds on deposit therein, except as otherwise provided herein, equal to the Reserve Account Requirement, if any. If the County shall determine, or be required, to fund a Reserve Account with respect to the Series 2007 Bonds, notwithstanding the foregoing, the County may, in lieu of cash funding such reserve, substitute a Reserve Account Credit Facility issued by a Credit Facility Provider in an amount equal to the Reserve Account Requirement with respect to such Bonds. Such Reserve Account Credit Facility as provided above must provide that if a deficiency exists in the Debt Service Account with respect to the principal of or interest due on the Series 2007 Bonds which cannot be cured by funds in

any other account held pursuant to this Series 2007 Resolution and available for such purpose, the provider of such Reserve Account Credit Facility will pay such deficiency to the Registrar and Paying Agent for the benefit of the Bondholders, who shall be named as the beneficiary of such Reserve Account Credit Facility. If a disbursement is made from a Reserve Account Credit Facility as provided above, the County shall be obligated to reinstate the maximum limits of such Reserve Account Credit Facility following such disbursement or to replace such Reserve Account Credit Facility by depositing into the Reserve Account from the first Legally Available Non-Ad Valorem Revenues budgeted and appropriated hereunder and available for deposit pursuant to this subsection (ii), funds in the maximum amount originally payable under such Reserve Account Credit Facility, plus amounts necessary to reimburse the Credit Facility Provider for previous disbursements made pursuant to such Reserve Account Credit Facility, or a combination of such alternatives, and for purposes of this subsection (ii), amounts necessary to satisfy such reimbursement obligation and other obligations of the County to such a Credit Facility Provider shall be deemed required deposits into the Reserve Account but shall be used by the County to satisfy its obligations to the Credit Facility Provider.

(iii) Finally, by payment to the parties entitled thereto, any Hedge Charges due under the Hedge Agreements and any fees, costs and expenses due to the Registrar and Paying Agent, if any.

Section 9.03. Use of Moneys in the Debt Service Account.

(A) Moneys on deposit in the Debt Service Account shall be used solely for the payment of principal of, interest on and any redemption premiums required with respect to the Series 2007 Bonds and the payment of Hedge Obligations; provided, however, that if such principal and interest payments or Hedge Obligations, or a portion thereof, have been made on behalf of the County by a Credit Facility Provider or swap insurance provider or other entity insuring, guaranteeing or providing for the payment of the Series 2007 Bonds, the Hedge Obligations or any portion thereof, moneys on deposit therein and allocable to such portion shall

be paid to such Credit Facility Provider, swap insurance provider or entity having theretofore made a corresponding payment.

(B) At the maturity date of each Bond and at the due date of each Sinking Fund Installment and installment of interest on each Bond, the County shall transfer from the Debt Service Account to the Paying Agent for such Bonds sufficient moneys to pay all principal of, premium, if any, and interest then due and payable with respect to such Bonds. Interest accruing with respect to any fully registered Bond shall be paid by check, draft or wire of the Paying Agent to the Registered Owner thereof in accordance with Section 4.01.

(C) Moneys deposited in the Debt Service Account for the redemption of Bonds shall be applied to the retirement of Bonds issued under the provisions of this Series 2007 Resolution and then outstanding in the following order:

(i) The County shall first endeavor to purchase outstanding term Bonds redeemable from Sinking Fund Installments, and pro rata (based on the principal amount of the Sinking Fund Installments due in such Bond Year for each such term Bonds) among all such Bonds, or if no such term Bonds are outstanding, serial Bonds, whether or not such Bonds shall then be subject to redemption, but only to the extent moneys are available therefor, at the most advantageous price obtainable, such price not to exceed the principal of such Bonds plus accrued interest, but no such purchase shall be made by the County within a period of thirty days next preceding any Interest Payment Date on which such Bonds are subject to call for redemption under the provisions of this Series 2007 Resolution;

(ii) Then, to the extent moneys remain on deposit in the Debt Service Account that are held for the redemption of Bonds, the County shall call for redemption on each Interest Payment Date on which Bonds are subject to redemption, with or without premium, from such moneys, such amount of term Bonds subject to the Sinking Fund Installments for such Bond Year that have not been purchased pursuant to clause (i) above; and

(iii) Then, to the extent moneys remain on deposit in the Debt Service Account that were deposited therein pursuant to this Series 2007 Resolution for the purpose of redeeming Bonds, the County shall call any remaining term Bonds then subject to redemption, in such order and by such selection method as the County, in its discretion, may determine, from such funds as will exhaust the money then held for the redemption of such Bonds as nearly as may be possible.

If term Bonds are purchased or redeemed pursuant to this Section in excess of the Sinking Fund Installments for such Bond Year, such excess principal amount of such term Bonds so purchased or redeemed shall be credited against subsequent Sinking Fund Installments for the Series 2007 Bonds in such Bond Year or Years as the County may determine and as may be reflected in the County's records.

Section 9.04. Application of Moneys in the Reserve Account. Funds on deposit in the Reserve Account, if any, shall be used for the purpose of curing deficiencies in the Debt Service Account with respect to the Series 2007 Bonds after application of funds otherwise available therefor. If funds on deposit in the Reserve Account exceed, in the aggregate, the Reserve Account Requirement with respect to the Series 2007 Bonds (other than due to the substitution of a Reserve Account Credit Facility pursuant to Section 9.02(ii) above), the excess funds shall be deposited into the Debt Service Account for the benefit of all Bonds issued hereunder.

ARTICLE X

DEPOSITORIES, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS; TAX COVENANTS

Section 10.01. Deposits Constitute Trust Funds. All funds or other property which at any time may be owned or held in the possession of or deposited with the County in the Acquisition Fund, the Debt Service Account or the Reserve Account under the provisions of this Series 2007 Resolution shall be held in trust and applied only in accordance with the provisions of this Series 2007 Resolution, and shall not be subject to lien or attachment by any creditor of the County.

All funds or other property which at any time may be owned or held in the possession of or deposited with the County pursuant to this Series 2007 Resolution shall be continuously secured, for the benefit of the County and the Bondholders, either (a) by lodging with an Authorized Depository, as custodian, collateral security consisting of obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America having a market value (exclusive of accrued interest) not less than the amount of such deposit, or (b) in such other manner as permitted hereunder and as may then be required or permitted by applicable state or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds, including, without limitation, the provisions of Chapter 280, Florida Statutes, as from time to time amended.

All moneys deposited with each Authorized Depository shall be credited to the particular Fund or Account to which such moneys belong.

The designation and establishment of the various funds and accounts in and by this Series 2007 Resolution shall not be construed to require the establishment of completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as provided herein.

Section 10.02. Investment of Moneys. Moneys held for the credit of the Funds and Accounts created hereunder shall be invested and reinvested by the County in Investment Obligations. Such investments or reinvestments shall mature not later than the respective dates, as estimated by the County, that the moneys held for the credit of said Funds or Accounts will be needed for the purposes of such Funds or Accounts.

The Investment Obligations purchased with the moneys in each Fund or Account shall be deemed a part of such Fund or Account. The investments in each of such Funds and Accounts shall, at all times, for purposes of this Series 2007 Resolution, be valued annually as of each September 30 at the market value thereof on the date of valuation, as determined by the County. The interest, including gains on obligations purchased at a discount and gains realized upon the

sale of such obligations, received on all such obligations (after deduction for accrued interest, commissions (if any) and premium paid from such fund at the time of purchase) shall first be applied to cure any deficiency in the Fund or Account in which such investment is held and (except with respect to such interest and gains with respect to obligations held to the credit of the Acquisition Fund which shall be held therein until the Project is completed or until amounts on deposit in the Acquisition Account are sufficient to pay the remaining costs of the Project, as certified by the County) shall then be deposited to the credit of the Debt Service Account. If at any time it shall become necessary that some or all of the securities purchased with the moneys in any such Fund or Account be redeemed or sold in order to raise moneys necessary to comply with the provisions of this Series 2007 Resolution, the County shall effect such redemption or sale, employing, in the case of a sale, any commercially reasonable method of effecting the same.

Section 10.03. Tax Covenants. It is the intention of the County that the interest on the Tax-Exempt Bonds issued hereunder be and remain excluded from gross income for federal income tax purposes and to this end the County hereby represents to and covenants with the Holders of the Tax-Exempt Bonds issued hereunder that it will comply with the requirements applicable to it contained in Sections 103 and 141 through 150 of the Code to the extent necessary to preserve the exclusion of interest on the Tax-Exempt Bonds issued hereunder from gross income for federal income tax purposes. Specifically, without intending to limit in any way the generality of the foregoing, the County covenants and agrees:

- (i) to make or cause to be made all necessary determinations and calculations of the Rebate Amount and required payments of the Rebate Amount;
- (ii) to set aside sufficient moneys, from the Legally Available Non-Ad Valorem Revenues or other legally available funds of the County, to timely pay the Rebate Amount to the United States of America;
- (iii) to pay the Rebate Amount to the United States of America from the Legally Available Non-Ad Valorem Revenues budgeted and appropriated hereunder or

from any other legally available funds, at the times and to the extent required pursuant to Section 148(f) of the Code;

(iv) to maintain and retain all records pertaining to the Rebate Amount with respect to the Tax-Exempt Bonds issued hereunder, and required payments of the Rebate Amount with respect to each of the Tax-Exempt Bonds for at least six years after the final maturity of the Tax-Exempt Bonds or such other period as shall be necessary to comply with the Code;

(v) to refrain from using proceeds of the Tax-Exempt Bonds issued hereunder and that are not issued with the intent that they constitute private activity bonds under Section 141(a) of the Code, in a manner that might cause the Tax-Exempt Bonds, to be classified as private activity bonds under Section 141(a) of the Code; and

(vi) to refrain from taking any action that would cause the Tax-Exempt Bonds, issued hereunder to become arbitrage bonds under Section 148 of the Code.

The County understands that the foregoing covenants impose continuing obligations on it that will exist as long as the requirements of Sections 103 and 141 through 150 of the Code are applicable to the Tax-Exempt Bonds.

Notwithstanding any other provision of this Series 2007 Resolution, including, in particular, Section 16.02 hereof, the obligation of the County to pay the Rebate Amount to the United States of America and to comply with the other requirements of this Section 10.03 hereof shall survive the defeasance or payment in full of the Tax-Exempt Bonds.

ARTICLE XI

EVENTS OF DEFAULT; REMEDIES

Section 11.01. Events of Default. If any of the following events occur, it is hereby declared to constitute an Event of Default:

(A) failure to pay principal or redemption price of, or interest on, any Bond after such payment has become due and payable; or

(B) upon receipt of notice from any Credit Facility Provider of the occurrence of any event of default under the related Credit Facility Agreement and the failure to cure the same during the time provided therein; or

(C) if the County admits in writing its inability to pay its debts payable from the General Fund generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself; or

(D) if the County is adjudged insolvent by a court of competent jurisdiction, or it be adjudged bankrupt on a petition in bankruptcy filed against the County, or an order, judgment or decree be entered by a court of competent jurisdiction appointing, without the consent of the County, a receiver or trustee of the County or of the whole or any part of its property and any if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof; or

(E) if the County shall file a petition or answer seeking reorganization of any arrangement under the Federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(F) if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the County or of the whole or any substantial part of its property, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control; or

(G) the County shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2007 Bonds, or in this Series 2007 Resolution on the part of the County to be performed and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to be remedied shall have been given to the County by any Credit

Facility Provider or Holders of not less than ten percent (10%) in aggregate principal amount of the Series 2007 Bonds then Outstanding; provided, however, that the County shall not be deemed in default under this clause (G) if such default can be cured within a reasonable time and if the County in good faith institutes appropriate curative action and diligently pursues such action until the default has been cured.

If on the date payment of principal of or interest on the Series 2007 Bonds is due, sufficient moneys are not available to make such payment, the Paying Agent shall give immediate notice by telephone, telegraph, telefax or other electronic means, promptly confirmed in writing, of such insufficiency to the Credit Facility Provider, if any, and the Reserve Account Credit Facility Provider, if any. The Paying Agent and County shall do all other things necessary to effectuate the terms and provisions of any Credit Facility and any Reserve Account Credit Facility.

Section 11.02. Acceleration of Maturities. Upon the happening and continuance of any Event of Default, the Holders of not less than a majority in aggregate principal amount of the Series 2007 Bonds then Outstanding may declare the principal of all of the Series 2007 Bonds then Outstanding to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, anything contained in the Series 2007 Bonds or in this Series 2007 Resolution to the contrary notwithstanding; provided, however, that if at any time after the principal of the Series 2007 Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Series 2007 Resolution, moneys shall have accumulated in the Debt Service Account sufficient to pay the principal of all matured Bonds and all arrears of interest, if any, upon all Bonds then Outstanding (except the principal of any Bonds not then due except by virtue of such declaration and the interest accrued on such Bonds since the last Interest Payment Date), and all amounts then payable by the County under this Series 2007 Resolution and under each Credit Facility Agreement and agreement pursuant to which a Reserve Account Credit

SS

Facility may have been provided shall have been paid or a sum sufficient to pay the same shall have been deposited with the Finance Director or with the Registrar and Paying Agent, and every other default in the observance or performance of any covenant, condition, agreement or provision contained in the Series 2007 Bonds or in this Series 2007 Resolution (other than a default in the payment of the principal of such Bonds then due only because of a declaration under this Section) shall have been remedied, then and in every such case the Holders of not less than a majority in aggregate principal amount of the Series 2007 Bonds not then due except by virtue of such declaration and then Outstanding may, by written notice to the County, rescind and annul such declaration or its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair the right consequent thereon.

Section 11.03. Enforcement of Remedies. Upon the happening and continuance of any Event of Default, the Holders of not less than twenty-five per cent (25%) in aggregate principal amount of the Series 2007 Bonds then Outstanding may proceed to protect and enforce the rights of the Series 2007 Bondholders under Florida law or under this Series 2007 Resolution by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant or agreement contained in this Series 2007 Resolution or in aid or execution of any power in this Series 2007 Resolution granted or for the enforcement of any proper legal or equitable remedy, as such Bondholder shall deem most effectual to protect and enforce such rights.

Section 11.04. Pro Rata Application of Funds. Anything in this Series 2007 Resolution to the contrary notwithstanding, if at any time the moneys in the Debt Service Account and the Reserve Account shall not be sufficient to pay the principal of or the interest on the Series 2007 Bonds as the same become due and payable (either by their terms or by acceleration of maturities under the provisions of Section 11.02 of this Article), such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(A) Unless the principal of all the Series 2007 Bonds shall have been become due and payable, or shall have been declared due and payable, all such moneys shall be applied

first: to the payment of the persons entitled thereto of all installments of interest then due and payable, in the order in which such installments become due and payable, and, if the amount available shall not be sufficient to pay in full, any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2007 Bonds;

second: to the payment of the persons entitled thereto of the unpaid principal of any of the Series 2007 Bonds which shall have become due (other than Series 2007 Bonds called for redemption for the payment of which sufficient moneys are held pursuant to the provisions of this Series 2007 Resolution), in the order of their due dates, with interest upon such Bonds at the respective rates specified therein from the respective dates upon which they became due, and, if the amount receivable shall not be sufficient to pay in full the principal of Series 2007 Bonds due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2007 Bonds; and

third: to the payment of the interest on and the principal of the Series 2007 Bonds, to the purchase and retirement of Series 2007 Bonds and to the redemption of Series 2007 Bonds, all in accordance with the provisions of Article VI of this Series 2007 Resolution.

(B) If the principal of all the Series 2007 Bonds shall have become due and payable or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Series 2007 Bonds, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2007 Bonds.

(C) If the principal of all the Series 2007 Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 11.02, then, subject to the provisions of paragraph (B) of this Section in the event that the principal of all the Series 2007 Bonds shall later become due or be declared due and payable, the moneys remaining in and thereafter accruing to the Debt Service Account and the Reserve Account shall be applied in accordance with the provisions of paragraph (A) of this Section.

Whenever moneys are to be applied by the County pursuant to the provisions of this Section, such moneys shall be applied by the County at such times, and from time to time, as the Finance Director in his or her sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Paying Agent, or otherwise setting aside such moneys, in trust for the proper purpose, shall constitute proper application by the County; and the County shall incur no liability whatsoever to any Bondholder or to any other person for any delay in applying any such funds, so long as the County acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Series 2007 Resolution as may be applicable at the time of application. Whenever the Finance Director shall exercise such discretion in applying such

funds, she shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Finance Director shall give such notice as she may deem appropriate of the fixing of any such date.

Section 11.05. Effect of Discontinuance of Proceedings. In case any proceeding taken by any Bondholder on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the County and the Series 2007 Bondholder shall be restored to their former positions and rights thereunder, respectively, and all rights and remedies of the Series 2007 Bondholders shall continue as though no such proceeding had been taken.

Section 11.06. Credit Facility Provider's Rights under this Article; Owners' Rights to Direct Proceedings. Notwithstanding anything in this Series 2007 Resolution to the contrary, following an Event of Default, a Credit Facility Provider that has not defaulted on its obligations under a Credit Facility to make payments on the Series 2007 Bonds shall be entitled to exercise the rights of the Owners of such Bonds for the purposes of this Article.

Subject only to the preceding paragraph, while an Event of Default has occurred and is continuing, the Owners of a majority in principal amount of the Series 2007 Bonds then Outstanding shall have the right, by an instrument in writing executed and delivered to the County, to direct the time and method of conducting all proceedings available under this Resolution or exercising any trust or power conferred by this Series 2007 Resolution in accordance with the provisions of this Series 2007 Resolution.

Section 11.07. Restriction on Individual Bondholder Actions. No Holder of any of the Series 2007 Bonds hereby secured shall have any right in any manner whatever by its action to affect, disturb or prejudice the security of this Series 2007 Resolution, or to enforce any, right under this Series 2007 Resolution except in the manner in this Series 2007 Resolution provided, and all proceedings at law or in equity shall be instituted, had and maintained for the benefit of all Holders of such Bonds.

Section 11.08. Remedy Exclusive. No remedy in this Series 2007 Resolution conferred upon the Series 2007 Bondholders is intended to be exclusive of any other remedy or remedies in

this Series 2007 Resolution provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Series 2007 Resolution.

Section 11.09. Delay Not a Waiver. No delay or omission of a Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the Series 2007 Bondholders may be exercised from time to time and as often as may be deemed expedient.

Section 11.10. Right to Enforce Payment of Bonds. Nothing in this Article shall affect or impair the right of any Bondholder to enforce the payment of the principal of and interest on its Bond, or the obligation of the County to pay the principal of and interest on each Bond to the Holder thereof at the time and place in said Bond expressed.

ARTICLE XII

REGISTRAR AND PAYING AGENT

Section 12.01. Notice by Registrar and Paying Agent if Default Occurs. The Registrar and Paying Agent shall not be required to take notice or be deemed to have notice of any default under this Series 2007 Resolution except failure by the County to cause to be made any of the payments to the Registrar and Paying Agent required to be made by this Series 2007 Resolution unless the Registrar and Paying Agent shall be specifically notified in writing of such default by the County or by the Holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding, and all notices or other instruments required by this Series 2007 Resolution to be delivered to the Registrar and Paying Agent must, in order to be effective, be delivered at a corporate trust office of the Registrar and Paying Agent, and in the absence of such notice so delivered, the Registrar and Paying Agent may conclusively assume there is no default except as aforesaid.

If a default occurs of which the Registrar and Paying Agent is by this Section 12.01 required to take notice or if notice of default be given as provided in the preceding paragraph, then the Registrar and Paying Agent shall give written notice thereof by mail to the County, each

Credit Facility Provider, the provider of any Reserve Account Credit Facility and the Liquidity Facility and the registered owners of all Bonds then Outstanding.

Section 12.02. Registrar and Paying Agent; Appointment and Acceptance of Duties; Removal.

(A) The Finance Director shall select and designate, through a competitive process, a Registrar and Paying Agent for and in respect of the Series 2007 Bonds, which shall enter into an agreement with the County in which it shall signify its acceptance of its obligations under this Series 2007 Resolution.

(B) The County may appoint one or more additional Paying Agents for the Series 2007 Bonds which may include the Registrar. Any such Paying Agent shall be a commercial bank or trust company organized under the laws of the United States of America or one of the States thereof. Each Paying Agent other than the Registrar and Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Series 2007 Resolution by executing and delivering to the County and the Registrar and Paying Agent a written acceptance of this Series 2007 Resolution.

(C) The County may remove any Paying Agent or the Registrar and Paying Agent and any successors thereto, and may appoint a successor or successors thereto; provided that the Registrar and Paying Agent or any other such Paying Agent designated by the County shall continue to function as such until the designation of a successor. The Registrar and Paying Agent and each other Paying Agent is hereby authorized to pay or redeem Bonds from money on deposit in the respective funds and accounts hereunder when duly presented to it for payment or redemption.

ARTICLE XIII

GENERAL COVENANTS

Section 13.01. Payment of Principal, Premium, if any, and Interest. Every covenant in this Series 2007 Resolution is predicated upon the condition that any obligation for the payment

of money incurred by the County shall not create a pecuniary liability of the County or a charge upon its general credit but shall be payable solely from payments or prepayments by the County from Legally Available Non-Ad Valorem Revenues pursuant to Section 9.02, and, other than as specifically provided in this Series 2007 Resolution, nothing in the Series 2007 Bonds or in this Series 2007 Resolution shall be considered as assigning or pledging any other funds or assets of the County. Subject to the limited source of payment referred to in this Series 2007 Resolution, the County covenants that it will promptly pay the principal of, premium, if any, and interest on every Bond issued under this Series 2007 Resolution at the place, on the dates and in the manner provided in this Series 2007 Resolution and in said Bond according to the true intent and meaning of this Series 2007 Resolution.

Section 13.02. Books and Records. The County covenants that so long as any Bonds are Outstanding and unpaid, it will keep, or cause to be kept, proper books of record and account with respect to the Legally Available Non-Ad Valorem Revenues. Such books shall at all times be open for any lawful purpose to the inspection of each Credit Facility Provider and each provider of a Reserve Account Credit Facility and a Liquidity Facility.

Section 13.03. List of Bondholders. The Registrar will keep on file at its office the Bond Register, indicating the names and addresses of the Holders of the Series 2007 Bonds and the serial numbers of such Bonds held by each of such Holders. At reasonable times and under reasonable regulations established by the Registrar, the Bond Register may be inspected and copied by the County, each Credit Facility Provider, each provider of a Reserve Account Credit Facility or a Liquidity Facility or by the authorized representative of any Holder or Holders of ten percent (10%) or more in Outstanding aggregate principal amount of the Series 2007 Bonds, such ownership and the authority of any such designated representatives to be evidenced to the satisfaction of the Registrar.

Section 13.04. Tax Exemption; Compliance with Tax Certificate. The County covenants and agrees that it will not take any action or fail to take any action that would cause the interest on the Tax-Exempt Bonds to be included in federal gross income. Without limiting

the foregoing, the County further covenants and agrees that it will comply with and take all actions required of it under Section 10.03 and by the Tax Certificate.

ARTICLE XIV
CONTINUING DISCLOSURE

Section 14.01. Continuing Disclosure Commitment.

(A) The County agrees, in accordance with the provisions of, and to the degree necessary to comply with, the secondary disclosure requirements of the Rule, to provide or cause to be provided for the benefit of the Beneficial Owners of the Series 2007 Bonds to each nationally recognized municipal securities information repository ("NRMSIR") and to the appropriate state information depository ("SID"), if any, designated by the State of Florida, the following annual financial information (the "Annual Information"), commencing with the Fiscal Year ending September 30, 2007:

- (i) Historical collections of non-ad valorem revenues by the County, in a form which is generally consistent with the presentation of such information in the Official Statement for the Series 2007 Bonds; and
- (ii) The County's Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in clauses (i) and (ii) above will be available on or before June 1 of each year for the preceding Fiscal Year, commencing June 1, 2008, and will be made available, in addition to each NRMSIR and the SID, to each Beneficial Owner of the Series 2007 Bonds who requests such information. Any assertion of legal or beneficial ownership must be filed, with full documentary support, as part of the written request described in this Section. The County's Comprehensive Annual Financial Report referred to in clause (ii) above is expected to be available separately from the information in clause (i) above and will be provided by the County as soon as practical after acceptance of such statements from the auditors by the County. The

audited financial statements are generally available within eight (8) months from the end of the Fiscal Year.

(B) The County agrees to provide or cause to be provided, in a timely manner, to (i) each NRMSIR or to the Municipal Securities Rulemaking Board ("MSRB"), and (ii) the SID, notice of occurrence of any of the following events with respect to the Series 2007 Bonds, if such event is material:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit facility providers, or their failure to perform;
- (6) adverse tax opinions or events affecting the tax-exempt status of the Series 2007 Bonds;
- (7) modifications to rights of holders of the Series 2007 Bonds;
- (8) bond calls;
- (9) defeasance;
- (10) release, substitution or sale of any property securing repayment of the Series 2007 Bonds (the Series 2007 Bonds are solely secured by Covenant Revenues); and
- (11) rating changes.

(C) The County agrees to provide or cause to be provided, in a timely manner, to (i) each NRMSIR or to the MSRB, and (ii) the SID, notice of its failure to provide the Annual Information with respect to itself on or prior to June 1 following the end of the preceding Fiscal Year.

(D) The obligations of the County under this Section shall remain in effect only so long as the Series 2007 Bonds are Outstanding. The County reserves the right to terminate its obligations to provide the Annual Information and notices of material events, as set forth above, if and when the County no longer remains an "obligated person" with respect to the Series 2007 Bonds within the meaning of the Rule.

(E) The County agrees that its undertaking pursuant to the Rule set forth in this Section is intended to be for the benefit of the Beneficial Owners of the Series 2007 Bonds and shall be enforceable by such Beneficial Owners if the County fails to cure a breach within a reasonable time of written notice from a Beneficial Owner that a breach exists; provided that any such Beneficial Owner's right to enforce the provisions of this undertaking shall be on behalf of all Beneficial Owners and shall be limited to a right to obtain specific performance of the County's obligations under this Section in a federal or state court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the Series 2007 Bonds.

(F) Notwithstanding the foregoing, each NRMSIR to which information shall be provided shall include each NRMSIR approved by the Securities and Exchange Commission prior to the issuance of the Series 2007 Bonds. In the event that the Securities and Exchange Commission approves any additional NRMSIRs after the date of issuance of the Series 2007 Bonds, the County shall, if the County is notified of such additional NRMSIRs, provide such information to the additional NRMSIRs. Failure to provide information to any new NRMSIR whose status as a NRMSIR is unknown to the County shall not constitute a breach of this covenant.

(G) The requirements of subsection (A) above do not necessitate the preparation of any separate annual report addressing only the Series 2007 Bonds. The requirements of subsection (A) may be met by the filing of an annual information statement or the County's Comprehensive Annual Financial Report, provided such report includes all of the required Annual Information and is available by June 1 of each year for the preceding Fiscal Year.

Additionally, the County may incorporate any information in any prior filing with each NRMSIR and SID or included in any Official Statement of the County, provided such final Official Statement is filed with the MSRB.

(H) The County reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County, provided that the County agrees that any such modification will be done in a manner consistent with the Rule.

(I) Except to cure any ambiguity, inconsistency or formal defect or omission in the provisions of this Section, the County covenants as to secondary disclosure (the "Covenants") may only be amended if:

(i) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the County; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Series 2007 Bonds, after taking into account any amendments or change in circumstances, and the amendment does not materially impair the interests of the Beneficial Owners, as determined by Disclosure Counsel or other independent counsel knowledgeable in the area of federal securities laws and regulations; or

(ii) all or any part of the Rule, as interpreted by the staff of the SEC at the date of the adoption of this Series 2007 Resolution, ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

The Board further authorizes and directs the Finance Director to cause all other agreements to be made or action to be taken as required in connection with meeting the County's obligations as to the Covenants. The Finance Director shall further be authorized to make such additions, deletions and modifications to the Covenants as she shall deem necessary or desirable

in consultation with the County Attorney, Disclosure Counsel and Bond Counsel. The delivery of the final Official Statement containing any such additions, deletions and modifications for and on behalf of the County by the Finance Director shall be conclusive evidence of the Board's approval of any such additions, deletions and modifications.

(J) Any filing to be made with each NRMSIR or SID under this Section may be made by transmitting such filing to the Texas Municipal Advisory Council (the "MAC") as provided at <http://www.disclosureusa.org>, unless the United States Securities Exchange Commission has withdrawn the interpretative advice in its letter to the MAC dated September 7, 2004.

ARTICLE XV

SUPPLEMENTAL RESOLUTIONS

Section 15.01. Supplemental Resolution Without Bondholder Consent. The Board, from time to time and at any time may adopt such supplemental resolutions which are compatible with the terms and provisions of this Series 2007 Resolution, in order to:

(i) cure any ambiguity or formal defect or omission or to correct any provisions in this Series 2007 Resolution or in any supplemental resolution, or

(ii) grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders, or

(iii) add to the conditions, limitations and restrictions on the issuance of Bonds or the entering of Hedge Agreements under the provisions of this Series 2007 Resolution other conditions, limitations and restrictions thereafter to be observed, or

(iv) add to the covenants and agreements of the County this Series 2007 Resolution other covenants and agreements thereafter to be observed by the County or to surrender any right or power in this Series 2007 Resolution reserved to or conferred upon the County, or

(v) to make other changes or modifications to the provisions of this Series 2007 Resolution which are not adverse to the interests of the Bondholders, any

Counterparty or any provider of a Reserve Account Credit Facility or Liquidity Facility or any Credit Facility Provider; or

(vi) to make any changes required by a provider of a Reserve Account Credit Facility or Liquidity Facility or Credit Facility Provider in order for it to issue its Reserve Account Credit Facility, Liquidity Facility or Credit Facility, as the case may be, with respect to the Series 2007 Bonds, so long as the same does not materially adversely affect the rights of the Registered Owners of any such Bonds Outstanding or any other provider of a Reserve Account Credit Facility, Liquidity Facility or Credit Facility Provider.

Section 15.02. Supplemental Resolutions With Bondholders' Consent. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in aggregate principal amount of the Series 2007 Bonds then Outstanding shall have the right from time to time, anything contained in this Series 2007 Resolution to the contrary notwithstanding, to consent to and approve the adoption of such supplemental resolution or resolutions as shall be deemed necessary or desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Series 2007 Resolution or in any supplemental resolution; provided, however, that nothing in this Section shall permit, or be construed as permitting, without the consent of the Holders of all Series 2007 Bonds Outstanding, (a) an extension of the maturity of the principal of or the interest on any Bonds, or (b) a reduction in the principal amount of, or the redemption premium or the rate of interest on, any Bonds, or (c) the creation of a lien upon or a pledge of any of the funds or accounts established under or pursuant to this Series 2007 Resolution other than a lien and pledge created by this Series 2007 Resolution, or (d) a preference or priority of any Bond or Bonds over any other Bond other Bonds, or (e) a reduction in the aggregate principal amount of the Series 2007 Bonds required for consent to such supplemental resolution. Nothing in this Section, however, shall be construed as making necessary the approval by Bondholders of the adoption of any supplemental resolution as authorized in Section 15.01.

If the Registered Owners of not less than a majority in aggregate principal amount of the Series 2007 Bonds Outstanding at the time of the adoption of such supplemental resolution shall have consented to and approved its adoption, no Registered Owner of any Bond, Credit Facility Provider or provider of a Reserve Account Credit Facility or a Liquidity Facility shall have any right to object to the adoption of such supplemental resolution, or to object to any of its terms and provisions, or in any manner to question the propriety of its adoption, or enjoin or restrain the Board from adopting the same or from taking any action pursuant to its provisions.

Upon the adoption of any supplemental resolution pursuant to the provisions of this Section, this Series 2007 Resolution shall be modified and amended in accordance with such supplemental resolution, and the respective rights, duties and obligations under this Series 2007 Resolution of the County and all Registered Owners of Bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Series 2007 Resolution as so modified and amended.

Section 15.03. Rights of Credit Facility Providers. In the event that a Credit Facility is in full force and effect as to the Series 2007 Bonds and the Credit Facility Provider is not insolvent and no default under the Credit Facility exists on the part of the Credit Facility Provider, the Credit Facility Provider, in place of the Registered Owners of such Bonds, shall have the power and authority to give any consents and exercise any and all other rights that the Registered Owners of the Series 2007 Bonds would otherwise have the power and authority to make, give or exercise, including, but not limited to, the exercise of remedies provided in Article XI, and the giving of consents to supplemental resolutions when required by Section 15.02, and such consent shall be deemed to constitute the consent of the Registered Owners of all of those Bonds which are secured by such Credit Facility.

Section 15.04. Supplemental Resolutions Part of Resolution. Any supplemental resolution adopted in accordance with the provisions of this Article and approved as to legality by the County Attorney shall thereafter form a part of this Series 2007 Resolution, and all of the terms and conditions contained in any such supplemental resolution shall be part of the terms and

conditions of this Series 2007 Resolution for any and all purposes. Express reference to any supplemental resolution may be made in the text of any Bonds issued after its adoption, if deemed necessary or desirable by the County.

Section 15.05. Notice of Supplemental Resolutions. The County shall give to the Rating Agencies advance notice of the proposed adoption of any supplemental resolution, which notice shall include the substantial form of such supplemental resolution.

ARTICLE XVI

SATISFACTION OF THIS SERIES 2007 RESOLUTION

Section 16.01. Defeasance. If, at any time, the County shall have paid or shall have made provision for the payment of the principal, interest and redemption premiums, if any, with respect to the Series 2007 Bonds or any portion of such Bonds, then, the pledge of and lien on the Covenant Revenues as provided in this Series 2007 Resolution in favor of the Bondholders of such Bonds, or portion thereof, shall no longer be in effect with respect to such Bonds or portion thereof and such Bonds or portion thereof shall no longer be deemed Outstanding under this Series 2007 Resolution. For purposes of the preceding sentence, the deposit of cash, Government Obligations or bank certificates of deposit fully secured as to principal and interest by Government Obligations (or deposit of any other securities or investments which may be authorized by law from time to time and sufficient under such law to effect such a defeasance) in irrevocable trust with a banking institution or trust company, for the sole benefit of the Bondholders, in an aggregate principal amount which, together with interest to accrue thereon, will be sufficient to make timely payment of the principal, interest, and redemption premiums, if any, on said Bonds, shall be considered "provision for payment."

Notwithstanding the foregoing, "provision for payment" shall not be deemed to have been made if such Bonds are to be redeemed before their maturity, unless notice of such redemption shall have been given according to the requirements of this Series 2007 Resolution or irrevocable instructions directing the timely publication of such notice and directing the payment

of the principal of and interest on all Bonds at such redemption dates shall have been given to the Paying Agent.

Section 16.02. Defeasance and Release of Series 2007 Resolution. If, at any time after the date of issuance of the Series 2007 Bonds, (a) all Bonds secured hereby shall have become due and payable in accordance with their terms or otherwise as provided in this Series 2007 Resolution, or shall have been duly called for redemption, or the County gives the Paying Agent irrevocable instructions directing the payment of the principal of, premium, if any, and interest on all Series 2007 Bonds at maturity or at any earlier redemption date scheduled by the County, or any combination thereof, (b) the whole amount of the principal, premium, if any, and the interest so due and payable upon all of such Bonds then Outstanding, at maturity or upon redemption, shall be paid, or sufficient moneys shall be held by the Paying Agent or escrow agents in irrevocable trust for the benefit of such Bondholders (whether or not in any accounts created hereby) which, when invested in Government Obligations maturing not later than the maturity or redemption dates of such principal, premium, if any, and interest will, together with the income realized on such investments, be sufficient to pay all such principal, premium, if any, and interest on all such Bonds at the maturity thereof or the date upon which such Bonds are to be called for redemption prior to maturity, and (c) provisions shall also be made for paying all other sums payable hereunder by the County, including all amounts due under outstanding Hedge Agreements (including any Hedge Charges that may become due as a result of the payment or provision for payment of the Series 2007 Bonds) and all amounts due or to become due to Credit Facility Providers, then and in that case the right, title and interest of such Bondholders, Counterparties and Credit Facilities Providers hereunder and the pledge of and lien on the moneys deposited in the funds and accounts created hereunder and the covenant of the County pursuant to Section 8.01 hereof, with respect to such Bondholders, Counterparties and Credit Facility Providers shall thereupon cease, determine and become void and all balances remaining in any other funds or accounts created by this Series 2007 Resolution other than moneys held for redemption or payment of Bonds and the payment of Counterparties and Credit

The interest rate so determined on the date specified in clause (i) of the preceding sentence shall be effective on the Conversion Date and the interest rate determined on the date specified in clause (ii) of the preceding sentence shall be effective on the next succeeding Wednesday or if such date of determination shall be a Wednesday on such Wednesday and shall in any case continue in effect through the next succeeding Tuesday, provided that if any Series 2007 Bonds subject to a Weekly Mode shall be converted to another Interest Mode prior to such Tuesday, such Weekly Rate for such Series 2007 Bond shall continue in effect only until the day preceding the applicable Conversion Date.

3. **Flexible Mode.** The Flexible Rate on each Series 2007 Bond in a Flexible Mode shall be determined by the Remarketing Agent on or before 12:00 P.M., New York City time, on the first day of each Flexible Period in the following manner: the Flexible Period or Periods for the Series 2007 Bonds in a Flexible Mode (subject to the Flexible Rate Parameters) to take effect on such day shall be determined by the County, in consultation with the Remarketing Agent, and the Remarketing Agent shall determine the Interest Rate for each such Flexible Period. Each Series 2007 Bond in a Flexible Mode shall bear interest at the interest rate which, in the sole and exclusive judgment of the Remarketing Agent, when borne by a Series 2007 Bond having such Flexible Period would equal (but not exceed) the interest rate necessary to enable the Remarketing Agent to sell such Series 2007 Bond (exclusive of accrued interest, if any) on such date at a price equal to 100% of the principal amount thereof. Each Series 2007 Bond in a Flexible Mode shall bear interest during a particular Flexible Period at a rate per annum equal to the interest rate determined above corresponding to the Flexible Period.

4. **Fixed Mode.** The Fixed Rate of each Series 2007 Bond in a Fixed Mode shall be determined by the Remarketing Agent on the date selected by the Remarketing Agent occurring not earlier than ten (10) Business Days and not later than the last Business Day immediately preceding the Fixed Rate Conversion Date for such Series 2007 Bond. Such interest rate shall be the interest rate which in the sole and exclusive judgment of the Remarketing Agent would equal (but not exceed) the interest rate necessary to enable the Remarketing Agent to sell such Series 2007 Bond (exclusive of accrued interest, if any) on the Fixed Rate Conversion Date at a price equal to 100% of the principal amount thereof.

5. ***Manner of Determining Interest Rate.*** In determining such interest rates described above, the Remarketing Agent shall have due regard for general financial conditions and such other conditions as, in the judgment of the Remarketing Agent, have a bearing on the interest rate on such Series 2007 Bonds, including the tender provisions applicable to such Series 2007 Bonds during the forthcoming Rate Period.

6. ***Invalidity of Rate.*** If, in the case of any Series 2007 Bonds other than any such Bonds as are in a Dutch Auction Mode, for any reason, the Remarketing Agent fails to determine the interest rate in accordance with this Series 2007 Resolution, or the interest rate for any Series 2007 Bonds during any Rate Period cannot be established as provided in the preceding paragraphs of this Section, or is held invalid or unenforceable by a court of law, the interest rate for such Series 2007 Bonds for such Rate Period shall be: (i) for Series 2007 Bonds bearing interest at the Fixed Rate, a rate per annum determined by the Remarketing Agent which rate is not less than ninety percent (90%) nor more than one hundred thirty percent (130%) of the Interest Index, or (ii) for Series 2007 Bonds bearing interest at Flexible Rate, Weekly Rate or Daily Rate, a rate per annum determined by the Remarketing Agent which shall equal one hundred ten percent (110%) of the BMA Index on the date such rate would otherwise have been determined pursuant to the preceding paragraphs of this Section. If for any reason the interest rate for any Series 2007 Bonds during any Rate Period other than a Dutch Auction Rate Period, cannot be established as provided in the preceding sentence, or such method is held invalid or unenforceable by a court of law, the interest rate on such Series 2007 Bonds for such Rate Period, shall equal the Interest Index. The foregoing provisions shall not apply to any Series 2007 Bonds bearing interest at the applicable Bank Rate so long as such Series 2007 Bonds continue to bear interest at such Bank Rate.

7. ***Notices.*** Not later than the day after the date on which the Remarketing Agent determines the interest rate on any Series 2007 Bond, the Remarketing Agent shall give the applicable Tender Agent, the Paying Agent and the County telephonic notice of the interest rate determined by the Remarketing Agent on such date and the length of any Flexible Period commencing on such date, and such information shall be promptly confirmed in writing by facsimile transmission to the Paying Agent, the Tender Agent and the County. Anyone entitled to receive telephonic notice under this paragraph may waive or modify its right to such notice.

8. ***Binding Effect.*** Each determination of the interest rate for the Series 2007 Bonds, other than any such Bonds which are in a Dutch Auction Mode, as provided herein, shall be conclusive and binding upon the Owners of Series 2007 Bonds, the County, the Remarketing Agent, the Paying Agent, the Registrar, the Liquidity Facility Provider, the Credit Facility Provider. Failure of the Remarketing Agent to give any of the notices described in Section 2.05, or any defect therein, shall not affect the interest rate to be borne by any of the Series 2007 Bonds nor the applicable Interest Mode nor in any way change the rights of the Owners of the Series 2007 Bonds to tender their Series 2007 Bonds for purchase in accordance with the Series 2007 Resolution.

1. In order to designate a new Interest Mode for any Series 2007 Bonds of any Authorized Denomination, the County shall, at least ten (10) days prior to the date the Registrar is required to mail to Owners of Series 2007 Bonds a Mandatory Tender Notice relating to such mode conversion or adjustment, provide written notice substantially in the form of Annex B hereto (a "Mode Conversion Notice") to the Registrar, the Remarketing Agent, the Broker-Dealer, the Tender Agent, and the Liquidity Facility Provider, if any, for such Series 2007 Bonds, stating: (i) the Interest Mode or Modes to which the Series 2007 Bonds to be converted to a new Interest Mode are then subject, (ii) the date of the Conversion Date (which if the adjustment is from a Dutch Auction Rate Period must be the last Interest Payment Date in respect of the Dutch Auction Rate Period), which (a) date shall be at least fifteen (15) days after the date on which the Mode Conversion Notice is given to Owners of Series 2007 Bonds and (b) shall, in the case of Series 2007 Bonds to be adjusted to a new Interest Mode which are then subject to a Flexible Mode, also be a Rate Adjustment Date for such Series 2007 Bonds, (iii) the type of Interest Mode or Modes that will be effective for such Series 2007 Bonds on such Conversion Date. If less than all of the Series 2007 Bonds then subject to a particular Interest Mode or Modes are to be converted to a new Interest Mode or Modes, the particular Series 2007 Bonds which are to be converted to a new Interest Mode or Modes shall be selected by the Registrar in such manner as the Registrar deems appropriate subject to the provisions of this Exhibit A regarding Authorized Denominations of Series 2007 Bonds for any Interest Mode; provided that the Registrar shall, subject to the provisions of this Exhibit A regarding Authorized Denominations, first select Series 2007 Bonds subject to such Interest Mode which are then bearing interest at the Bank Rate for such conversion to a new Interest Mode before selecting any other of such Series 2007 Bonds for conversion to a new Interest Mode. If the County desires to effect a Fixed Rate Conversion of all or any portion of the Series 2007 Bonds on a Conversion Date or to convert all or any portion of all the Series 2007 Bonds to a Dutch Auction Mode, the Mode Conversion Notice shall state that such Series 2007 Bonds shall no longer be entitled to the benefits of the Liquidity Facility, if any, at the close of business on such Fixed Rate Conversion Date or the date of such conversion to a Dutch Auction Mode. Each Conversion to a Fixed Mode or to or from the Dutch Auction Mode shall be accompanied by an Opinion of Bond Counsel addressed to the Notice Parties and stating that the change in Interest Mode is authorized or permitted by the Act and the Series 2007 Resolution and will not cause the interest on the Series 2007 Bonds to become includable in gross income for Federal income tax purposes and the Registrar shall receive confirmation of such Opinion on the proposed Conversion Date.

2. For all Interest Mode changes described in paragraph 1 above requiring an Opinion of Bond Counsel, such change shall not be effective unless on the Conversion Date a statement from Bond Counsel delivering the Opinion described in paragraph 1 above to the effect that such opinion is still in full force and effect shall be received by the Registrar.

3. In the event that (a) the requirements of this Section 2.05 have not been met on a scheduled Conversion Date in respect of any Series 2007 Bonds or (b) on the Business Day preceding a scheduled Conversion Date in respect of any Series 2007 Bonds, the Remarketing

Agent notifies the Registrar and the County that any of such Series 2007 Bonds cannot be remarketed, or (c) on or prior to the Business Day preceding a scheduled Conversion Date, the County notifies the Remarketing Agent and the Registrar that it does not want all Series 2007 Bonds of a series which were proposed to be adjusted to a new Interest Mode on such Conversion Date to be converted to such new Interest Mode, the succeeding Interest Mode for such Series 2007 Bonds proposed to be subject to such Conversion (i) if such Series 2007 Bonds were proposed to be converted from a Daily Mode, a Weekly Mode, or a Flexible Mode, shall be the Weekly Mode; or (ii) if such Series 2007 Bonds were proposed to be converted from the Dutch Auction Mode, shall remain in the Dutch Auction Mode but shall bear interest at the Maximum Dutch Auction Rate for the Auction Period commencing on the date that was to be the Conversion Date. The Registrar shall give prompt notice to the Notice Parties (i) of any event described in the first two sentences of this paragraph 3 and (ii) of the succeeding Interest Mode. In no event shall the failure of Series 2007 Bonds to be converted in accordance with the Mode Conversion Notice for any reason be deemed to be a default under the Series 2007 Resolution.

4. If, on the thirty-sixth (36th) day prior to the stated expiration date of the Liquidity Facility then in effect, the County has not advised the Registrar that it expects to obtain a Substitute Liquidity Facility providing the Liquidity Facility Requirement for the Series 2007 Bonds after such stated expiration date, unless the County has already designated that all Series 2007 Bonds then payable from the Liquidity Facility shall be converted to the Fixed Mode on an earlier date pursuant to paragraph 1 of this Section 2.05, any Series 2007 Bonds then entitled to the benefits of the Liquidity Facility shall be converted to the Fixed Mode on the Scheduled Tender Date in the manner provided in this Section 2.05 whether or not any other requirements of this Section 2.05 have been met.

5. In connection with any Fixed Rate Conversion of all or any portion of the Series 2007 Bonds, the County may specify that all such Series 2007 Bonds shall no longer mature on the date specified in the Series 2007 Resolution but that such Series 2007 Bonds shall mature in such other years, but in no event later than the date specified or described in the Series 2007 Resolution and in such amounts as are specified by the County in a written notice to the Registrar and the Credit Facility Provider; provided, however, that no such specification shall be effective unless the County shall have received and delivered to the Registrar an Opinion of Bond Counsel that such specification will not cause interest on Series 2007 Bonds to be includable in gross income for Federal income tax purposes; and provided further that in the event that any such specification becomes effective the aggregate principal amount of Amortization Requirements for Series 2007 Bonds due in any year, other than the date specified in the Series 2007 Resolution, shall be reduced by the principal amount of Series 2007 Bonds so specified by the County as maturing in such year.

6. None of the provisions of paragraph 1 of this Section 2.05 regarding required notices to Notice Parties or restrictions on dates on which Series 2007 Bonds may be adjusted to a new Interest Mode shall apply to any Series 2007 Bonds which are Unremarketed Series 2007 Bonds.

7. Prior to the Conversion of any Series 2007 Bonds to an Interest Mode other than a Dutch Auction Mode or a Fixed Mode, and at all times that any Series 2007 Bonds are in such an Interest Mode, a Liquidity Facility shall be in place. Such Liquidity Facility shall meet the requirements of paragraph 3 of Section 2.13 as if such Liquidity Facility were a Substitute Liquidity Facility. In connection with any change into an Interest Mode for which there is a Liquidity Facility Requirement, it shall be an additional condition that there be liquidity coverage sufficient for the new Interest Mode.

8. Prior to the Conversion of any Series 2007 Bonds to an Interest Mode other than a Dutch Auction Mode or a Fixed Mode, the County shall have obtained the written consent of the Credit Facility Provider to such Conversion, which consent shall not be unreasonably withheld so long as the provisions of this Exhibit A relating to such Interest Mode comply with the Credit Facility Provider's then effective standard provisions relating to such Interest Mode.

9. If, immediately prior to the Conversion of any Series 2007 Bonds to another Interest Mode, there is no Liquidity Facility in place, Conversion shall only occur if the remarketing proceeds of the Series 2007 Bonds subject to mandatory tender for purchase in connection with such Conversion at least equal the aggregate principal amount of the Series 2007 Bonds so subject to mandatory tender for purchase.

SECTION 2.06 Tender, Presentation and Purchase Provisions of the Series 2007 Bonds.

1. *Mandatory Tender for Purchase of Series 2007 Bonds on a Substitution Date, the Special Mandatory Purchase Date, Scheduled Tender Date or a Book-Entry Only System Conversion Date.* The Series 2007 Bonds, other than any Series 2007 Bonds then in a Fixed Mode, shall be subject to mandatory tender and purchase on a Substitution Date, the Special Mandatory Purchase Date, the Scheduled Tender Date and a Book-Entry Only System Conversion Date.

2. *Mandatory Tender for Purchase of Series 2007 Bonds on Conversion Dates.* Series 2007 Bonds are subject to mandatory tender and purchase on each Conversion Date applicable to such Series 2007 Bonds.

3. *Mandatory Tender for Purchase of Series 2007 Bonds Subject to a Flexible Mode on Rate Adjustment Dates.* Series 2007 Bonds subject to a Flexible Mode shall be subject to mandatory tender and purchase on each Rate Adjustment Date applicable to such Series 2007 Bonds (which is not a Conversion Date on which such Series 2007 Bonds are subject to mandatory tender for purchase pursuant to paragraph 2 of this Section 2.06).

4. *Purchase of Series 2007 Bonds In Daily Mode.* Any Series 2007 Bonds in the Daily Mode are subject to purchase, on the demand of the Owner thereof, on any Business Day, upon the irrevocable telephonic notice to the Tender Agent and the Remarketing Agent (promptly confirmed in writing by such Owner delivered to the Tender Agent by 11:00 A.M., New York City time, at its office) which states (i) with respect to each such Series 2007 Bond

the principal amount being tendered, (ii) the Series 2007 Bond numbers and CUSIP numbers, and (iii) the Purchase Date. By 11:15 A.M., New York City time, on the date of receipt of any such irrevocable notice from the Owner of a Series 2007 Bond, the Tender Agent shall give telephonic notice to the Remarketing Agent specifying the contents of each such Tender Notice, and such Tender Notice, once transmitted to the Tender Agent, shall be irrevocable with respect to the tender for which such Tender Notice was delivered. The Tender Agent shall also, as soon as is practical, notify the Paying Agent and the Liquidity Facility Provider of the principal amount of Series 2007 Bonds being tendered. The determination by the Tender Agent of the contents of any such irrevocable telephonic Tender Notice shall be conclusive and binding on all parties.

5. ***Purchase of Series 2007 Bonds In Weekly Mode.*** Series 2007 Bonds in the Weekly Mode are subject to purchase on any Business Day on the demand of the Owner thereof set forth in a properly completed Tender Notice delivered to the Tender Agent and the Remarketing Agent at its principal corporate trust office not less than seven (7) calendar days prior to such Business Day. The Tender Agent shall promptly (but in no event later than the Business Day following receipt of the Tender Notice) give telephonic notice, confirmed in writing not later than the Business Day following, to the Remarketing Agent specifying the contents of each such Tender Notice. The Tender Agent shall also, as soon as practicable, notify the Paying Agent and the Liquidity Facility Provider of the principal amount of Series 2007 Bonds being tendered. Such Tender Notice, once transmitted to the Tender Agent, shall be irrevocable with respect to the tender for which such Tender Notice was delivered and such tender shall occur on the Business Day specified in such Tender Notice.

6. ***Manner and Timing of Payment for Tendered Series 2007 Bonds.*** Each Owner of any Series 2007 Bonds which are to be tendered pursuant to paragraph 1, 2, 3, 4 or 5 of this Section 2.06 shall be entitled to receive the proceeds of such tender by delivering such Series 2007 Bonds (with an appropriate transfer of registration form executed in blank) to the principal corporate trust office of, or other office designated in writing by, the Tender Agent; provided that in order to receive payment on the Purchase Date, such delivery must be made at any time at or prior to 11:30 A.M., New York City time on the Purchase Date with respect to such Series 2007 Bonds. Owners of Series 2007 Bonds that are delivered to such principal corporate trust office of the Tender Agent after the time stated above shall not be entitled to receive payment from the Tender Agent of the Purchase Price until the later of the next Business Day following (x) the Purchase Date or (y) the date of delivery of such Series 2007 Bond. The Purchase Price of any such tendered Series 2007 Bonds shall be paid in immediately available funds. The Purchase Price of such tendered Series 2007 Bonds (or portions thereof in Authorized Denominations) shall be payable on the Purchase Date applicable thereto by the Tender Agent in immediately available funds by wire transfer (a) to the Liquidity Facility Provider in respect of any Liquidity Series 2007 Bonds at the wire transfer address specified in the Liquidity Facility and (b) to any Owner of at least one million dollars (\$1,000,000) aggregate principal amount of Series 2007 Bonds upon written notice from such Owner containing the wire transfer address (which shall be in the continental United States) to which such Owner wishes to have such wire directed, if such written notice is received with the applicable Tender Notice when such Tender Notice is delivered to the Tender Agent. On any date when Unremarketed Series 2007 Bonds are released

to the Tender Agent pursuant to Section 2.11, the Purchase Price of such Series 2007 Bonds released to the Tender Agent shall be paid by wire transfer to the Liquidity Facility Provider at the wire transfer address specified in the Liquidity Facility.

7. *Purchase With Respect to Auction Rate, Flexible or Fixed Modes and Liquidity Series 2007 Bonds.* There is no right of purchase on demand of an Owner with respect to Series 2007 Bonds in a Dutch Auction Mode, Flexible Mode or Fixed Mode or which are Liquidity Series 2007 Bonds.

8. *Agreement to Tender Series 2007 Bonds.* Any Owner of Series 2007 Bonds, by its acceptance of the Series 2007 Bonds, agrees to tender its Series 2007 Bonds to the Tender Agent for purchase (i) on dates on which such Series 2007 Bonds are subject to mandatory tender in accordance with paragraph 1, 2 or 3 of this Section 2.06 and (ii) on dates on which such Series 2007 Bonds are subject to tender and purchase pursuant to a Tender Notice given in accordance with paragraph 4 or 5 of this Section 2.06 at the Purchase Price and, upon such tender, to surrender such Series 2007 Bonds properly endorsed for transfer in blank.

9. *Notice of Mandatory Tender for Purchase.* Notice of any mandatory tender of Series 2007 Bonds in substantially the form of Annex C hereto or, in the case of a Substitution Date, Annex D hereto (a "Mandatory Tender Notice") identifying the Series 2007 Bonds to be purchased pursuant to paragraph 1 or 2 of this Section 2.06 shall be provided by the Registrar or caused to be provided by the Registrar by mailing a copy of the notice of mandatory tender by first-class mail at least fifteen (15) days, or forty-five (45) days pursuant to Section 2.13.4, if applicable, prior to the Purchase Date to any Owner of Series 2007 Bonds subject to such purchase at the address shown on the registration books and to the Remarketing Agent. Such notice of mandatory tender shall identify such Series 2007 Bonds to be tendered, the reason for the mandatory tender for purchase, and specify the Purchase Date, the Purchase Price, the place and manner of payment, and that no further interest will accrue from and after the Purchase Date to such Owner.

In the event a mandatory tender of Series 2007 Bonds pursuant to paragraph 1, 2 or 3 of this Section 2.06 shall occur at or prior to the same date on which a purchase pursuant to paragraph 4 or 5 of this Section 2.06 is scheduled to occur, the terms and conditions of the applicable mandatory tender shall control.

The Registrar shall give a copy of any Mandatory Tender Notice given by it to the County, the Tender Agent, the Remarketing Agent and the Liquidity Facility Provider at the same time such Notice is given to Owners of Series 2007 Bonds.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of Series 2007 Bond receives the notice, and the failure of such Owner to receive any such notice shall not affect the validity of the action described in such notice.

10. In the event an Owner of a Series 2007 Bond files with the Tender Agent a Tender Notice with respect to a portion of such Series 2007 Bond in an Authorized Denomination, such Owner shall be required to deliver such Series 2007 Bond to the Tender Agent along with the Tender Notice. The Tender Agent shall promptly provide the Registrar with a copy of the Tender Notice and shall request that the Registrar issue in the name of such Owner a new Series 2007 Bond in the Amount not so purchased. The Tender Agent shall pay the Purchase Price for such portion as provided in the Series 2007 Resolution and the shall issue in the name of such Owner a new Series 2007 Bond in the amount not so purchased, which Series 2007 Bond the Tender Agent shall forward to such Owner. Notwithstanding anything to the contrary contained in the Series 2007 Resolution, no Owner of a Series 2007 Bond shall be entitled to tender a portion of such Series 2007 Bond to be purchased unless such portion and the portion of such Series 2007 Bond not to be so purchased shall each be in an Authorized Denomination.

11. The Tender Agent shall hold all Series 2007 Bonds (or portions thereof in Authorized Denominations) delivered to it for purchase pursuant to this Section 2.06 in trust for the benefit of the respective Owners thereof until moneys representing the Purchase Price or redemption price of such Series 2007 Bonds (or portions thereof in Authorized Denominations), as the case may be, shall have been delivered to or for the account of or to the order of the Owners thereof.

SECTION 2.07 Non-delivery of Series 2007 Bonds. In the event that any Series 2007 Bonds with respect to which a Tender Notice has been sent to the Tender Agent pursuant to Section 2.06.4 or 2.06.5 or any Series 2007 Bonds which are subject to mandatory tender for purchase pursuant to Section 2.06.1, 2.06.2 or 2.06.3 are not delivered to the Tender Agent at the time, in the manner and at the place required by Section 2.06.6, the Undelivered Series 2007 Bonds will be deemed to have been tendered and purchased by the Tender Agent, and interest accruing on such Series 2007 Bonds on and after the applicable Purchase Date shall no longer be payable to the prior registered Owners thereof. Such prior Owners shall have recourse solely to the funds held by the Tender Agent for the purchase of the Undelivered Series 2007 Bonds, and the Registrar shall not recognize any further transfer of such Undelivered Series 2007 Bonds by such prior Owners. The Registrar or Tender Agent, as the case may be, shall register the transfer of such Series 2007 Bonds to the purchaser thereof and shall issue a new Series 2007 Bond or Bonds and deliver the same pursuant to Section 2.10, notwithstanding such non-delivery.

SECTION 2.08 Remarketing of Tendered Series 2007 Bonds.

1. The Remarketing Agent shall offer for sale an aggregate principal amount of Series 2007 Bonds equal to the amount of Series 2007 Bonds with respect to which a Tender Notice has been received pursuant to Section 2.06.4 or 2.06.5 or which are required to be tendered for purchase pursuant to Section 2.06.1, 2.06.2 or 2.06.3; provided that the Remarketing Agent shall not be required to offer Series 2007 Bonds in a principal amount which will not be in Authorized Denominations on the Business Day immediately following the Purchase Date relating to such tender.

2. The Remarketing Agent shall offer for sale for the account of the Owner and use its best efforts to sell the Series 2007 Bonds referred to in paragraph 1 above, at a price equal to the Purchase Price thereof, on the Purchase Date of such Series 2007 Bonds or as soon thereafter as possible. The Remarketing Agent may not, however, when remarketing Series 2007 Bonds pursuant to the preceding sentence, sell any such Series 2007 Bonds at a discount or a premium. If the Remarketing Agent is able to sell all or any portion of such Series 2007 Bonds at such price, the Remarketing Agent shall deliver or cause to be delivered the Series 2007 Bonds so resold in accordance with clause (a) of Section 2.10 and shall cause the Tender Agent to deposit the proceeds of the sale of such Series 2007 Bonds in immediately available funds in the Remarketing Proceeds Fund by 2:30 P.M., New York City time (or such later time as the Paying Agent and the Tender Agent shall permit, but in no event later than such time as shall be necessary to enable the Paying Agent to comply with the provisions of Section 2.09.3), on such Purchase Date. In the case of Series 2007 Bonds remarketed on a Purchase Date occurring during a Daily Mode or a Flexible Mode for such Series 2007 Bonds, the Remarketing Agent shall notify the Tender Agent and the Paying Agent on each Purchase Date of the amount of Series 2007 Bonds to be sold pursuant to this paragraph 2 by 11:15 A.M., New York City time (or such later time as the Paying Agent and Tender Agent shall permit), and the denominations thereof, and the names, addresses and taxpayer identification numbers of the purchasers of such Series 2007 Bonds by 1:30 P.M., New York City time (or such later time as the Paying Agent and Tender Agent shall permit). In the case of Series 2007 Bonds remarketed on a Purchase Date occurring during a Weekly Mode for such Series 2007 Bonds, the Remarketing Agent shall notify the Paying Agent and the Tender Agent by 1:30 P.M., New York City time, on the Business Day preceding the Purchase Date, to the extent such information is then available, of the principal amount of Series 2007 Bonds to be sold pursuant to this paragraph 2, the denominations thereof, and the names, addresses and taxpayer identification numbers of the purchasers of such Series 2007 Bonds.

3. The Remarketing Agent shall not sell any Series 2007 Bonds to the County.

SECTION 2.09 Procedure for Purchase of Series 2007 Bonds.

1. On the date any Series 2007 Bonds are to be purchased pursuant to Section 2.06, the Tender Agent shall purchase, but only from the funds and in the order of priority listed below, such Series 2007 Bonds at the Purchase Price:

(a) amounts on deposit in the Remarketing Proceeds Fund derived from the remarketing of Series 2007 Bonds; and

(b) amounts on deposit in the Liquidity Facility Proceeds Fund derived from a demand for purchase under the applicable Liquidity Facility, if any.

2. If the Purchase Price of all such Series 2007 Bonds tendered or deemed tendered on any Purchase Date cannot be paid from the sources listed above, unless all such Series 2007 Bonds tendered or deemed tendered on such Purchase Date which cannot be purchased from the sources listed above shall be redeemed (which redemption shall be in the sole discretion of the

County) on such Purchase Date, no such Series 2007 Bonds tendered or deemed tendered shall be purchased and all Series 2007 Bonds then Outstanding and entitled to the benefit of a Liquidity Facility shall bear interest from such Purchase Date at a rate per annum equal to the BMA Index plus three (3) percent until such purchase is effective, and the Tender Agent shall immediately (i) return all tendered Series 2007 Bonds to the Owners thereof, (ii) return all money received for the purchase of such Series 2007 Bonds to the persons who provided such moneys, and (iii) provide written notice of such event to all Owners of Series 2007 Bonds and the Notice Parties.

3. The Paying Agent shall promptly take all action in accordance with the Liquidity Facility and the Series 2007 Resolution necessary to demand under the Liquidity Facility in accordance with Article III that the Liquidity Facility Provider provide an amount sufficient to pay the Purchase Price of the Series 2007 Bonds pursuant to clause (b) of paragraph 1 of this Section 2.09 on the Purchase Date. At a minimum, therefore, the Paying Agent shall demand a payment under the Liquidity Facility by 12:45 P.M., New York City time, on each Purchase Date of an amount equal to the Purchase Price of all Series 2007 Bonds to be purchased on such Purchase Date less amounts described in clause (a) of paragraph 1 of this Section 2.09; provided, however, if the Paying Agent has not received notice of the amount of such Purchase Price to be paid from amounts described in clause (a) of paragraph 1 of this Section 2.09 by 12:45 P.M., New York City time, on any Purchase Date, the Paying Agent shall demand a payment under the Liquidity Facility equal to the full amount of the Purchase Price to be paid on such Purchase Date. The Liquidity Facility Provider shall honor any timely demand for payment made by the Paying Agent pursuant to this paragraph in immediately available funds by not later than 2:45 P.M., New York City time. In addition, if the demand for purchase is being made on a Purchase Date which is a Substitution Date, the demand for purchase shall be made under the Liquidity Facility which is being replaced.

4. Neither the County nor the Credit Facility Provider shall be obligated to pay the Purchase Price of Series 2007 Bonds.

SECTION 2.10 Disposition of Purchased Series 2007 Bonds.

Series 2007 Bonds tendered to the Paying Agent or the Tender Agent, as the case may be, for purchase pursuant to Section 2.06 or deemed tendered for purchase pursuant to Section 2.07 shall be made available by the Paying Agent or the Tender Agent, as the case may be, for pick-up, as follows:

(a) Series 2007 Bonds remarketed by the Remarketing Agent shall be made available for pick-up by the purchasers thereof; and

(b) Series 2007 Bonds purchased by the Tender Agent with moneys described in clause (b) of Section 2.09.1 shall be made available for pick-up pursuant to Section 2.11.

Notwithstanding the foregoing, any Series 2007 Bonds remarketed by the Remarketing Agent or purchased by the Paying Agent or Tender Agent while the Book-Entry Only System is in effect shall be delivered in conformity with the Book-Entry Only System.

SECTION 2.11 Unremarketed Series 2007 Bonds Purchased; Redemption of Liquidity Series 2007 Bonds.

1. Any Unremarketed Series 2007 Bonds purchased by the Tender Agent from funds advanced under the Liquidity Facility and deposited in the Liquidity Facility Proceeds Fund shall be registered in the name of the Liquidity Facility Provider. In accordance with the applicable Liquidity Facility, the County hereby authorizes the Tender Agent to agree to hold such Unremarketed Series 2007 Bonds in trust for the account of the applicable Liquidity Facility Provider. With respect to such Unremarketed Series 2007 Bonds, the applicable Remarketing Agent shall be required, subject to the provisions of the applicable Remarketing Agreement, to offer for sale, and use its best efforts to sell, such Unremarketed Series 2007 Bonds, at the principal amount thereof. Such Remarketing Agent may not, however, whenever remarketing such Unremarketed Series 2007 Bonds pursuant to the preceding sentence, sell any such Unremarketed Series 2007 Bonds at a discount or a premium. When remarketing Unremarketed Series 2007 Bonds pursuant to this Section 2.11, the Remarketing Agent shall remarket such Unremarketed Series 2007 Bonds as if such Unremarketed Series 2007 Bonds were in the Interest Mode borne by such Series 2007 Bonds on the date they became Unremarketed Series 2007 Bonds. The applicable Tender Agent on any Business Day shall make available such Unremarketed Series 2007 Bonds to the Remarketing Agent for delivery to the purchaser thereof on notice received on or prior to 12:00 P.M., New York City time, on such Business Day. Upon receipt of notice from the Remarketing Agent that it has resold all or any portion of the Unremarketed Series 2007 Bonds, the Tender Agent shall make available for pick-up such Unremarketed Series 2007 Bonds as provided in clause (a) of Section 2.10 upon receipt of the payments required by Section 2.20; provided, however, that no Unremarketed Series 2007 Bond purchased with amounts provided under the Liquidity Facility and held by the Tender Agent or its nominee shall be sold by the Liquidity Facility Provider unless the amount available for purchase of Series 2007 Bonds under the Liquidity Facility is immediately reinstated upon such sale to an amount equal to the stated amount of the Liquidity Facility without reduction for the amounts provided thereunder to purchase such Unremarketed Series 2007 Bonds, and the Liquidity Facility Provider has notified the Paying Agent and Tender Agent of such reinstatement. The proceeds received from the purchaser of any Unremarketed Series 2007 Bonds so remarketed and resold pursuant to the foregoing sentence shall be paid to the Liquidity Facility Provider.

2. In the event of a redemption of any Liquidity Series 2007 Bonds, the Paying Agent shall remit to the applicable Liquidity Facility Provider the Redemption Price of such Liquidity Series 2007 Bonds.

SECTION 2.12 Authorized Denominations.

Notwithstanding anything in the Series 2007 Resolution to the contrary, a Series 2007 Bond may be tendered in whole or in part provided that (i) any such tendered Series 2007 Bond or portion thereof must be in an Authorized Denomination or, if the Purchase Date relating to such tender is a Conversion Date, will be in an Authorized Denomination for the Interest Mode commencing on such Conversion Date, and (ii) no portion of any Series 2007 Bond may be tendered if the principal amount of the Series 2007 Bond to be retained by the Owner of the Series 2007 Bond thereafter is not in an Authorized Denomination.

SECTION 2.13 Renewal or Extension of Liquidity Facility; Substitute Liquidity Facility; Substitute Credit Facility.

1. If, at any time before forty-five (45) days prior to the Liquidity Facility Expiration Date, the County obtains a renewal or extension of the Liquidity Facility (or a written commitment which evidences such renewal or extension) on substantially the same terms, the County shall promptly give notice to the Notice Parties of such renewal or extension. Any such renewal or extension shall not require notice to the Owners of Series 2007 Bonds

2. If, at any time, the County provides for a Substitute Liquidity Facility by (a) delivering to the Paying Agent a Substitute Liquidity Facility, and (b) complying with the requirements set forth in paragraph 3 or 4 below, then the Paying Agent shall give prompt notice to the Tender Agent, the Remarketing Agent, each Rating Agency, the County and the Owners of Series 2007 Bonds (such notice to Owners to be substantially in the form of Annex D hereto at least fifteen (15) days prior to the effective date of such Substitute Liquidity Facility) then entitled to the benefits of the Liquidity Facility that the County has obtained a Substitute Liquidity Facility and that the then-current Liquidity Facility for which a substitute has been obtained will be cancelled on the Substitution Date. The County shall forward to the Paying Agent upon receipt any rating letters from any Rating Agency with respect to the Series 2007 Bonds and the Substitute Liquidity Facility. The notice to Owners of Series 2007 Bonds referred to in this Section 2.13.2 shall be given as provided in Section 2.06.9.

3. Any Substitute Liquidity Facility shall meet the following criteria:

(a) Any Substitute Liquidity Facility shall provide that funds may be made available for the purposes, in the amounts and at the times provided in Articles II and III and shall contain administrative provisions satisfactory to the Paying Agent and the Tender Agent.

(b) Any Substitute Liquidity Facility shall have a term of not less than the lesser of 364 days or the remaining term of the Series 2007 Bonds to be supported thereby.

(c) Any Substitute Liquidity Facility shall be in form and substance acceptable to and shall meet the requirements of the Credit Facility Provider. At least five (5) Business Days prior to the delivery to the Paying Agent of the Substitute

Liquidity Facility, the County shall cause the Paying Agent to have received (i) written evidence of the approval of the Substitute Liquidity Facility and the provider thereof by the Credit Facility Provider and that the Credit Facility Provider has received Opinions of Counsel, addressed to and in form and substance acceptable to it, as to the validity, enforceability and binding nature of the agreement relating to such Substitute Liquidity Facility and (ii) written evidence that, upon substitution of such Substitute Liquidity Facility, the Series 2007 Bonds while in any Interest Mode other than the Fixed Mode shall have received from Fitch, Moody's and S&P ratings.

(d) At least five (5) Business Days prior to the delivery to the Paying Agent of the Substitute Liquidity Facility, the County shall cause the Paying Agent to have received an executed commitment of the proposed provider of such Substitute Liquidity Facility to issue or enter into such replacement and on the date such substitution occurs the County shall cause the Paying Agent to have received:

(i) an Opinion of Counsel for the issuer or issuers of the Substitute Liquidity Facility that the Substitute Liquidity Facility and any documents related to it constitute a legal, valid and binding obligation of the provider of the Substitute Liquidity Facility enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium or insolvency or by equitable principles; and

(ii) an Opinion of Bond Counsel that delivery of the Substitute Liquidity Facility will not cause the interest on the Series 2007 Bonds to become includable in gross income for Federal income tax purposes.

4. If at any time forty-five (45) days remain until the Liquidity Facility Expiration Date and the Liquidity Facility has not been renewed, extended or replaced or the County has not obtained a written commitment for such renewal, extension or replacement, the Paying Agent shall promptly give to the Owners of the Series 2007 Bonds and the Tender Agent notice that (i) the Liquidity Facility is scheduled to expire and stating the date of such expiration; (ii) the County has not obtained a renewal, extension or substitution of said Liquidity Facility; and (iii) the Series 2007 Bonds shall be subject to mandatory tender pursuant to Section 2.06.1 and explaining the terms of such mandatory tender.

5. Other than in connection with a Substitute Liquidity Facility, neither the Paying Agent nor the County shall terminate or surrender the Liquidity Facility prior to the discharge of the Series 2007 Resolution in accordance with Series 2007 Resolution and Section 7.02 with respect to all Series 2007 Bonds or to the conversion of all Series 2007 Bonds to a Fixed Mode or a Dutch Auction Mode. In the event that Series 2007 Bonds have been retired in part or have been converted in part to a Fixed Mode or a Dutch Auction Mode and the stated amount of the Liquidity Facility is to be reduced accordingly, the Paying Agent shall take such action as is necessary under the Liquidity Facility to reduce the amount available to be drawn thereunder and, if permitted by the terms of the Liquidity Facility, may exchange the Liquidity Facility for a revised form of Liquidity Facility.

6. If, at any time, the County, when required by the Liquidity Facility, provides for a Substitute Credit Facility by (a) delivering to the Paying Agent a Substitute Credit Facility, and (b) complying with the requirements set forth in paragraph 8 or 9 below, then the Paying Agent shall give prompt notice to the Tender Agent, each Rating Agency, the County and the Owners of Series 2007 Bonds (such notice to Owners to be substantially in the form of Annex D hereto) that the County has obtained a Substitute Credit Facility and that the then-current Credit Facility for which a substitute has been obtained will be cancelled on the date the Substitute Credit Facility becomes effective. The County shall forward to the Paying Agent receipt any rating letters from any Rating Agency with respect to the Series 2007 Bonds and the Substitute Credit Facility. In connection with provision for delivery of a Substitute Credit Facility, notice of mandatory tender to Owners of Series 2007 Bonds referred to in this Section 2.13.6 shall be given as provided in Section 2.06.9.

7. Any Substitute Credit Facility shall meet the following criteria:

(a) Any Substitute Credit Facility shall be in form and substance acceptable to and shall meet the requirements of the Liquidity Facility Provider and the provider thereof shall also be acceptable to and shall meet the requirements of the Liquidity Facility Provider. At least five (5) Business Days prior to the delivery to the Paying Agent of the Substitute Credit Facility, the Paying Agent shall have received (i) written evidence of the approval of the Substitute Credit Facility and the provider thereof by the Liquidity Facility Provider and that the Liquidity Facility Provider has received Opinions of Counsel, addressed to and in form and substance acceptable to it, as to the validity, enforceability and binding nature of such Substitute Credit Facility and (ii) written evidence that, upon substitution of such Substitute Credit Facility, the Series 2007 Bonds shall have received from Fitch, Moody's and S&P ratings.

(b) At least five (5) Business Days prior to the delivery to the Paying Agent of the Substitute Credit Facility, the Paying Agent shall have received an executed commitment of the proposed provider of such Substitute Credit Facility to issue or enter into such replacement and on the date such substitution occurs the Paying Agent shall have received:

(i) an Opinion of Counsel for the issuer or issuers of the Substitute Credit Facility that the Substitute Credit Facility and any documents related to it constitute a legal, valid and binding obligation of the provider of the Substitute Credit Facility enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium or insolvency or by equitable principles; and

(ii) an Opinion of Bond Counsel that delivery of the Substitute Credit Facility will not cause the interest on the Series 2007 Bonds to become includable in gross income for Federal income tax purposes.

8. The Credit Facility may not be replaced with a Substitute Credit Facility unless the ratings assigned by each of Fitch, Moody's and S&P to the claims-paying ability of the Credit Facility Provider are reduced below the two highest rating categories (without regard to the subcategories).

9. Other than in connection with a Substitute Credit Facility, neither the Paying Agent nor the County shall terminate or surrender the Credit Facility prior to the discharge of the Series 2007 Resolution in accordance with the Series 2007 Resolution and Section 7.02 with respect to all Series 2007 Bonds.

SECTION 2.14 Book-Entry Only System Conversion; Operation of Book-Entry Only System.

1. Except in the case of any Series 2007 Bonds in a Dutch Auction Mode, effective on any Rate Adjustment Date with respect to any Series 2007 Bonds, the County may elect to convert from or to a book-entry only system of ownership for all or any portion of such Series 2007 Bonds. In such event the County shall indicate this conversion in the same manner as is specified in Sections 2.04 and 2.05 for the designation of a new Interest Mode. This conversion shall be effected pursuant to arrangements, reasonably satisfactory to the Registrar, for, as appropriate the surrender of Series 2007 Bonds by the Depository and the issuance of Series 2007 Bonds to or at the direction of DTC Participants or the surrender of Series 2007 Bonds to the Depository for each maturity of the Series 2007 Bonds, which arrangements shall be communicated by the Registrar to the Owners of Series 2007 Bonds in the same manner specified in Section 2.05 and shall become effective hereunder and binding upon the County, the Paying Agent, the Registrar and all Owners of Series 2007 Bonds on the specified Rate Adjustment Date.

2. Except as provided in subsections 3 and 4 of this Section 2.14, the registered Owner of all Series 2007 Bonds shall be, and the Series 2007 Bonds shall be registered in the name of, Cede, as nominee of DTC. Payment of interest for any Series 2007 Bond, as applicable, shall be made in accordance with the provisions of this Exhibit A to the account of Cede on the Interest Payment Date for the Series 2007 Bonds at the address indicated for Cede in the registration books of the County kept by the Registrar.

3. The Series 2007 Bonds shall be initially issued in the form of a separate single fully registered Bond in the amount of each separate stated maturity of the Series 2007 Bonds. Upon initial issuance, the ownership of each such Series 2007 Bond shall be registered in the registration books kept by the Registrar in the name of Cede, as nominee of DTC. With respect to Series 2007 Bonds so registered in the name of Cede, the County, and the Registrar shall have no responsibility or obligation to any DTC participant or to any beneficial owner of any of such Series 2007 Bonds. Without limiting the immediately preceding sentence, the County and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC participant with respect to any beneficial ownership interest in the Series 2007 Bonds, (ii) the delivery to any DTC participant, beneficial owner or other person, other than DTC, of any notice with respect to the Series 2007 Bonds, including any notice of

redemption, or (iii) the payment to any DTC participant, beneficial owner or other person, other than DTC, of any amount with respect to the principal or Redemption Price of, or interest on, any of the Series 2007 Bonds. The County and the Registrar may treat DTC as, and deem DTC to be, the absolute owner of each Series 2007 Bond for all purposes whatsoever, including (but not limited to) (a) payment of the principal or Redemption Price of, and interest on, each such Series 2007 Bond, (b) giving notices of redemption and other matters with respect to such Series 2007 Bonds and (c) registering transfers with respect to such Series 2007 Bonds. The Registrar shall pay the principal or Redemption Price of, and interest on, all Series 2007 Bonds only to or upon the order of DTC, and all such payment shall be valid and effective to satisfy fully and discharge the County's obligations with respect to such principal or Redemption Price and interest, to the extent of the sums so paid. Except as provided in subsection 4 of this Section 2.14, no person other than DTC shall receive a Series 2007 Bond evidencing the obligation of the County to make payments of principal or Redemption Price of, and interest on, any such Series 2007 Bond pursuant to the Series 2007 Resolution. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the transfer provisions of the Series 2007 Resolution, the word "Cede" in the Series 2007 Resolution shall refer to such new nominee of DTC.

Except as provided in subsection 4(c) of this Section 2.14, and notwithstanding any other provisions of the Series 2007 Resolution to the contrary, the Series 2007 Bonds may be transferred, in whole but not in part, only to a nominee of DTC, or by a nominee of DTC to DTC or another nominee of DTC, or by DTC or a nominee of DTC to any successor securities depository appointed pursuant to this Section 2.14 or any nominee thereof.

4. (a) DTC may determine to discontinue providing its services with respect to the Series 2007 Bonds at any time by giving written notice to the County and the Registrar, which notice shall certify that DTC has discharged its responsibilities with respect to the Series 2007 Bonds under applicable law.

(b) The County, in its sole discretion and without the consent of any other person, may request termination of the services of DTC with respect to the Series 2007 Bonds if the County determines that: (I) DTC is unable to discharge its responsibilities with respect to the Series 2007 Bonds; or (II) a continuation of the requirement that all of the Outstanding Series 2007 Bonds be registered in the registration books kept by the Registrar in the name of Cede, as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2007 Bonds. Current DTC rules provide that upon receipt of such a request, DTC will take the following actions: (I) DTC will issue an "Important Notice" notifying its participants of the receipt of a withdrawal request from the County reminding participants that they may utilize DTC's withdrawal procedures if they wish to withdraw their securities from DTC; and (II) DTC will process withdrawal requests submitted by participants in the ordinary course of business, but will not effectuate withdrawals based upon a request from the County. The County shall, by written notice to the Registrar, terminate the services of DTC with respect to the Series 2007 Bonds upon receipt by the County and the Registrar of written notice from DTC to the effect that DTC has received written notice from DTC participants having interests, as shown in

the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the Outstanding Series 2007 Bonds to the effect that: (i) DTC is unable to discharge its responsibilities with respect to the Series 2007 Bonds; or (ii) a continuation of the requirement that all of the Outstanding Series 2007 Bonds be registered in the registration books kept by the Registrar, in the name of Cede, as nominee of DTC, is not in the best interests of the beneficial owners of the Series 2007 Bonds.

(c) Upon the termination of the services of DTC with respect to the Series 2007 Bonds pursuant to subsection 4(b)(ii), or upon the discontinuance or termination of the services of DTC with respect to the Series 2007 Bonds pursuant to subsection 4(a) or subsection 4(b)(i), the County may within 90 days thereafter appoint a substitute Securities Depository which, in the opinion of the County, is willing and able to undertake the functions of DTC hereunder upon reasonable and customary terms. If no such successor can be found within such period, the Series 2007 Bonds shall no longer be restricted to being registered in the registration books kept by the Registrar, in the name of Cede, as nominee of DTC. In such event the County shall execute and the Registrar shall authenticate Series 2007 Bond certificates as requested by DTC of like principal amount, maturity and Series, in authorized denominations and the Registrar shall deliver such certificates at its corporate trust office to the beneficial owners identified in writing by the Securities Depository in replacement of such beneficial owners' beneficial interests in the Series 2007 Bonds.

(d) Notwithstanding any other provision of the Series 2007 Resolution to the contrary, so long as any Series 2007 Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to the principal or Redemption Price of, and interest on, such Series 2007 Bond and all notices with respect to such Series 2007 Bond shall be made and given, respectively, to DTC as provided in the blanket representation letter of the County addressed to DTC.

(e) In connection with any notice or other communication to be provided to Owners of Series 2007 Bonds registered in the name of Cede pursuant to the Series 2007 Resolution by the County or the Registrar with respect to any consent or other action to be taken by such Owners, the County shall establish a record date for such consent or other action by such Owners and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

SECTION 2.15 Denominations, Numbers and Letters.

1. The Series 2007 Bonds shall be issued only in fully registered form without coupons in Authorized Denominations. Unless the County shall otherwise direct, each series of the Series 2007 Bonds shall be numbered from one (1) upward preceded by the letter "R" and may bear such additional letters, numbers, legends or designations as the Registrar determines are necessary or desirable, including, without limitation, any such additional items deemed

necessary or desirable to identify the Interest Mode to which any particular Series 2007 Bond is subject.

2. "CUSIP" identification numbers will be imprinted on the Series 2007 Bonds, but such numbers shall not constitute a part of the contract evidenced by the Series 2007 Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Series 2007 Bonds. In addition, failure on the part of the County, the Paying Agent or the Registrar to use such CUSIP numbers in any notice to Owners of the Series 2007 Bonds shall not constitute an event of default or any similar violation of the County's contract with such Owners.

SECTION 2.16 Place and Medium of Payment.

Principal and Redemption Price of and interest on the Series 2007 Bonds shall be payable as provided in the Series 2007 Resolution. Interest on any Liquidity Series 2007 Bonds shall be paid by wire transfer to the Liquidity Facility Provider at the wire transfer address specified in the Liquidity Facility and in such other manner as is provided in the Liquidity Facility.

SECTION 2.17 Redemption Prices and Terms.

In addition to the mandatory sinking fund redemptions contemplated in the Series 2007 Resolution, and the Bond Purchase Agreement, subject to the provisions of Section 2.05.5, the Series 2007 Bonds are also subject to redemption in whole or in part prior to maturity upon such notice, at such times, and upon such additional terms and conditions as described in this Section 2.17. The County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any such redemption.

1. **General Optional Redemption of Series 2007 Bonds During Any Interest Mode Other Than The Fixed Mode.** At the option of the County, any Series 2007 Bonds are subject to redemption prior to maturity during any Interest Mode other than the Fixed Mode, in whole or in part (but if in part in the Authorized Denomination applicable to such Interest Mode) on any date (except that any Series 2007 Bond in a Flexible Mode shall not be redeemed pursuant to this paragraph on any date other than a Rate Adjustment Date and any Series 2007 Bonds in a Dutch Auction Mode shall only be redeemed on an Interest Payment Date) at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2007 Bonds to be redeemed plus accrued and unpaid interest not otherwise payable on such date. Before selecting any Series 2007 Bonds for such optional redemption, the Paying Agent shall first apply any amounts to be applied to such optional redemption to redeem any Series 2007 Bonds then bearing interest at the Bank Rate.

2. The County shall not optionally redeem any Series 2007 Bonds pursuant to the provisions of Section 2.17.1, other than Series 2007 Bonds then subject to a Dutch Auction Mode, unless the County shall have received an Opinion of Counsel of recognized expertise in matters relating to Federal bankruptcy laws to the effect that the payment of the principal of and

interest on the Series 2007 Bonds to be optionally redeemed will not constitute an avoidable preference under the Federal bankruptcy laws as then in effect in a case commenced by or against the County in which the County is the debtor.

3. **General Optional Redemption of Series 2007 Bonds In the Fixed Mode.** Any Series 2007 Bonds in a Fixed Mode are subject to redemption, in whole or in part (but if in part in integral multiples of \$5,000) on any Interest Payment Date occurring on or after the fifth anniversary of the Fixed Rate Conversion Date for such Series 2007 Bonds, at the option of the County, at one hundred percent (100%) of the unpaid principal amount thereof (or such other Redemption Prices as shall be determined by the County on or prior to the Fixed Rate Conversion Date for such Series 2007 Bonds and accompanied by an Opinion of Bond Counsel, to be delivered to the Paying Agent and the Credit Facility Provider, to the effect that such other Redemption Prices (i) are authorized or permitted by the Series 2007 Resolution, and (ii) will not cause the interest on the Series 2007 Bonds to become includable in gross income for Federal income tax purposes).

4. Notwithstanding any other provision of this Section 2.17, so long as the Credit Facility is in effect and the Credit Facility Provider is not in default thereunder, the Registrar shall not deliver any notice of redemption in respect of any Series 2007 Bonds other than a redemption from mandatory Amortization Requirements, unless (a) the County shall have paid or caused to be paid to the Paying Agent an amount which, in addition to other amounts available therefor and held by the Paying Agent, is sufficient to redeem, on the redemption date at a Redemption Price equal to 100% of the principal amount thereof, plus premium, if applicable, all of the Series 2007 Bonds to be redeemed; such amounts shall either be held uninvested by the Paying Agent or be invested at the written direction of the County only in direct obligations of or obligations unconditionally guaranteed by the United States of America having a maturity date on or prior to the redemption date; or (b) such notice shall state that the redemption is conditioned on the receipt of moneys for such redemption by the Paying Agent on or prior to the redemption date. In the event that a conditional notice of redemption is given and such moneys are not timely received, the redemption for which such notice was given shall not be undertaken. In the event the County elects to redeem less than all of the Outstanding Series 2007 Bonds pursuant to paragraph 1 of this Section 2.17, the County shall instruct the Paying Agent in writing by facsimile transmission to, and upon such instruction the Paying Agent shall, redeem Liquidity Series 2007 Bonds prior to selecting any other Series 2007 Bonds for redemption pursuant to paragraph 5 of this Section 2.17.

5. In the event of redemption of less than all of the Outstanding Series 2007 Bonds (except as otherwise provided in Section 2.17.4), the Registrar shall assign to each such Outstanding Series 2007 Bond to be redeemed a distinctive number for each unit of the principal amount of such Series 2007 Bond equal to the minimum Authorized Denomination and shall select the particular Series 2007 Bonds or portions thereof to be redeemed in accordance with industry practice; provided, however, the portion of such Series 2007 Bonds to be redeemed and the portion of such Series 2007 Bonds to be retained by the Owner thereof shall be in the principal amount of an Authorized Denomination for the Rate Period to which such Bonds are then subject, and, provided, further, that if the Series 2007 Bonds are subject to two or more

different Rate Periods at the time of the redemption of less than all of the Series 2007 Bonds, the Registrar shall select the Series 2007 Bonds to be redeemed which are subject to different Rate Periods in the order of priority specified by the County, but shall choose the particular Series 2007 Bonds or portions of Series 2007 Bonds subject to a particular Rate Period in such manner as the Registrar in its discretion may determine. New Series 2007 Bonds representing the unredeemed balance of the principal amount of any such Series 2007 Bond shall be issued to the registered Owner thereof, without charge therefor. Any new Series 2007 Bond or Bonds issued pursuant to this paragraph shall be executed by the County and authenticated by the Registrar and shall be in any Authorized Denominations in an aggregate unpaid principal amount equal to the unredeemed portion of the Series 2007 Bond surrendered.

6. In the case of any redemption of Series 2007 Bonds pursuant to paragraphs 1 or 3 of this Section 2.17, the County shall give written notice to the Registrar of its election or direction so to redeem, of the redemption dates and of the principal amounts of the Series 2007 Bonds to be redeemed. Such notice shall be given to the Registrar (i) in the case of any redemption of Series 2007 Bonds pursuant to paragraph 3 of this Section 2.17, at least forty (40) days prior to the date on which such Series 2007 Bonds are to be redeemed, (ii) in the case of any redemption of Series 2007 Bonds pursuant to paragraph 1 of this Section 2.17, at least twenty-five (25) days prior to the date on which such Series 2007 Bonds are to be redeemed, or (iii) in any case, such lesser number of days prior to such redemption date as shall be acceptable to the Registrar. In the case of any redemption of Series 2007 Bonds pursuant to paragraph 1 of this Section 2.17, such notice shall also be given by the County to the other Notice Parties.

7. When the Registrar shall receive notice from the County pursuant to paragraph 6 of this Section 2.17, the Registrar shall give notice, in the name of the County, of the redemption of such Series 2007 Bonds, which notice shall specify the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2007 Bonds are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2007 Bonds so to be redeemed, and, in the case of Series 2007 Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such redemption date there shall become due and payable upon each Series 2007 Bond to be redeemed, the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of registered Series 2007 Bonds to be redeemed in part only and that from and after such date interest on each Series 2007 Bond to be redeemed shall cease to accrue and be payable. The Registrar shall mail a copy of such notice, postage prepaid, not less than 25 days before the redemption date if such Series 2007 Bonds are in a Fixed Mode and not less than 15 days before the redemption date if such Series 2007 Bonds are in any Interest Mode other than the Fixed Mode, to the registered Owners of any Series 2007 Bonds or portions of Series 2007 Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books of the County, but receipt of such notice shall not be a condition precedent to such redemption and failure to receive any such notice shall not affect the validity of the proceedings for the redemption of Series 2007 Bonds as to which proper mailing was made. No notice of redemption need be given if the Owners of all Series 2007 Bonds to be called for redemption waive notice thereof in writing, and such waiver shall be filed with the Registrar not later than twenty-five (25) days prior to the redemption date.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner actually receives the notice.

8. In the event any Series 2007 Bond (other than a Series 2007 Bond then bearing interest at a Dutch Auction Rate or a Fixed Rate) previously called for redemption shall be tendered for purchase or delivered for registration of transfer or exchange thereof prior to the redemption date, notation by endorsement or otherwise shall be made upon such Series 2007 Bond (or any Series 2007 Bond authenticated in substitution therefor) of such call for redemption. Each successive Series 2007 Bond authenticated in substitution for a Series 2007 Bond which has been called for redemption shall be deemed to be the Series 2007 Bond called for redemption.

9. Notice having been given in the manner provided in paragraph 7 of this Section 2.17, the Series 2007 Bonds, or principal portion thereof, called for redemption shall become due and payable on the redemption date specified in said notice at the Redemption Price, plus interest accrued and unpaid to the redemption date and, upon presentation and surrender of the Series 2007 Bonds so to be redeemed at the office specified in such notice, such Series 2007 Bonds, or principal portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date; provided, however, that if the redemption date for any Series 2007 Bonds is on or after the Record Date for any Interest Payment Date and on or prior to such Interest Payment Date, interest on such Series 2007 Bonds shall be paid to the Owner on such Record Date in the normal course. If, on the redemption date, moneys for the redemption of all Bonds or principal portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been given or waived as aforesaid, then, from and after the redemption date, interest on such Series 2007 Bonds or principal portions thereof so called for redemption shall cease to accrue and become payable. All moneys held by or on behalf of the Paying Agent for the redemption of particular Series 2007 Bonds or principal portions thereof shall be held in trust for the account of the Owners of such Series 2007 Bonds or principal portions thereof so to be redeemed. If said moneys shall not be so available on the redemption date, such Series 2007 Bonds or principal portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

10. Liquidity Series 2007 Bonds shall be redeemed prior to any other Series 2007 Bonds pursuant to any mandatory or optional redemption.

SECTION 2.18 Procedures for Tender and Purchase of Book-Entry Bonds.

Notwithstanding any provisions here to the contrary, at any time while the Series 2007 Bonds are book-entry Bonds, the provisions of this Article II are modified as follows:

(a) Any notice pursuant to Section 2.06.4 or 2.06.5 shall be given to the Securities Depository and the Paying Agent by any direct participant in the Securities Depository acting on behalf of either any owner of a beneficial interest in the Series 2007

Bonds or any indirect participant in the Securities Depository acting on behalf of such an owner, provided that any such notice shall not be required to contain the bond number of Series 2007 Bonds to be tendered for purchase and the Paying Agent may conclusively rely on any written certification or representation by a person, firm, corporation or other entity that it is acting as a direct participant in the Securities Depository for the Series 2007 Bonds for the purposes of giving any such notice.

(b) Delivery of Series 2007 Bonds to the Paying Agent, as provided in Section 2.06.6, shall be effected by book-entry credit to the account of the Paying Agent on the records of the Securities Depository, at or prior to 1:00 p.m., New York time, on the date Series 2007 Bonds or portions thereof are required to be tendered to the Paying Agent for purchase, of a beneficial interest in the Series 2007 Bonds to be purchased on such date.

SECTION 2.19 Provisions Relating to Unremarketed Series 2007 Bonds.

1. The Liquidity Facility Provider agrees to approve the release of any Unremarketed Series 2007 Bond held for its account for delivery by the Tender Agent to the purchasers thereof upon notice from the Tender Agent that such Series 2007 Bond has been remarketed but only, however, against receipt by the Liquidity Facility Provider or the Tender Agent for its account of (i) from the Remarketing Agent pursuant to clause (a) of Section 2.09.1 of the Purchase Price therefor which Purchase Price shall be equal to the principal amount thereof, and (ii) a notice from the Paying Agent, stating that accrued interest to the date of such remarketing, computed at the Bank Rate, for the period the Liquidity Facility Provider was an Owner of such Unremarketed Series 2007 Bonds and, if the Liquidity Facility Provider became the Owner of such Unremarketed Series 2007 Bond subsequent to the most recent Interest Payment Date for such Unremarketed Series 2007 Bond, computed at the appropriate interest rate from such most recent Interest Payment Date until the date of acquisition by the Liquidity Facility Provider, has been paid to the Liquidity Facility Provider.

2. Subject to the satisfaction of the conditions described in paragraph 1, any Unremarketed Series 2007 Bonds shall be deemed tendered in the same circumstances in which any other Series 2007 Bonds would be deemed tendered pursuant to Section 2.07.

3. Notwithstanding anything in the Series 2007 Resolution to the contrary, by becoming an Owner of an Unremarketed Series 2007 Bond, the Liquidity Facility Provider agrees that the Liquidity Facility Provider shall not have any right to deliver to the Tender Agent pursuant to Section 2.06.4 or 2.06.5 a Tender Notice with respect to such Unremarketed Series 2007 Bond, or to have any Liquidity Series 2007 Bonds paid from any amounts available under the Liquidity Facility.

4. Immediately upon receipt from the Remarketing Agent, pursuant to Section 2.09, of the Purchase Price of any Unremarketed Series 2007 Bond which has been remarketed by the Remarketing Agent, the Tender Agent shall notify the Paying Agent and the Liquidity Facility Provider of such fact and shall immediately pay to the Liquidity Facility Provider the amounts described in paragraph 1.

SECTION 2.20 Notices.

Any notice required to be delivered in writing to any Notice Party by any other Notice Party pursuant to this Article II shall be deemed delivered in writing if sent by facsimile transmission.

SECTION 2.21 Special Mandatory Tender and Purchase of Series 2007 Bonds.

1. Prior to all of the Outstanding Series 2007 Bonds having been converted to a Fixed Mode, if on any Business Day the Paying Agent receives a Termination Notice from the Liquidity Facility Provider as a result of the occurrence of a Termination Event, then the Paying Agent shall, after consultation with the County, immediately select a date on which all Outstanding Series 2007 Bonds of the applicable Series will be required to be tendered for purchase which is not less than five (5) Business Days prior to the date on which the Liquidity Facility Provider's commitment to purchase Series 2007 Bonds shall expire as specified in the Termination Notice (the "Special Mandatory Purchase Date"). The Registrar shall mail a Mandatory Tender Notice to the Remarketing Agent and Owners of Series 2007 Bonds subject to such purchase in accordance with Section 2.06.9 not less than fifteen (15) days prior to the Special Mandatory Purchase Date. On the Business Day immediately preceding such Special Mandatory Purchase Date the Paying Agent shall deliver a Notice of Purchase in order to receive by 2:45 P.M., New York City time, on the Special Mandatory Purchase Date in immediately available funds an amount sufficient to pay in full the Purchase Price of all Series 2007 Bonds required to be purchased on the Special Mandatory Purchase Date. If all such Outstanding Series 2007 Bonds are converted to a Fixed Mode at any time prior to the Special Mandatory Purchase Date, such Special Mandatory Purchase Date shall be cancelled.

2. If Series 2007 Bonds are required to be tendered pursuant to this Section 2.21, then the County shall immediately request an Opinion of Bond Counsel to the effect that the conversion of all Series 2007 Bonds to the Fixed Mode or Dutch Auction Mode and the remarketing thereof will not adversely affect the exclusion from gross income of interest on the Series 2007 Bonds for Federal income tax purposes; if the County receives such Opinion of Bond Counsel, all Series 2007 Bonds shall be converted to the Fixed Mode or Dutch Auction Mode on a Business Day selected by the County which is no less than five (5) Business Days prior to the Special Mandatory Purchase Date and the County, as soon as reasonably practicable, shall direct the Remarketing Agent to remarket all such Series 2007 Bonds in the Fixed Mode or Dutch Auction Mode in accordance with the provisions of the Remarketing Agreement on such Business Day. The County shall immediately advise the Paying Agent and the Liquidity Facility Provider if it is unable to obtain such Opinion of Bond Counsel.

3. All Series 2007 Bonds required to be tendered on the Special Mandatory Purchase Date pursuant to paragraph 1 of this Section 2.21 will be purchased by the Tender Agent on the Special Mandatory Purchase Date only from any funds provided to the Tender Agent by or on behalf of the Liquidity Facility Provider pursuant to the Liquidity Facility. If the funds provided by the Liquidity Facility Provider are insufficient to purchase all Series 2007 Bonds required to be tendered on such Special Mandatory Purchase Date, then the provisions of Section 2.09.2 shall govern.

SECTION 2.22 Dutch Auction Rate Periods; Dutch Auction Rate: Auction Period.

(a) General.

(i) During any Dutch Auction Rate Period, the Series 2007 Bonds shall bear interest at the Dutch Auction Rate determined as set forth in this subsection (a) and in subsections (b), (c), (d), (e), (f) and (h) of this Section 2.22. The Dutch Auction Rate for any initial Auction Period selected by the County or its designee immediately after any Conversion to a Dutch Auction Rate Period shall be the rate of interest per annum determined and certified to the Paying Agent (with a copy to the County) by the Broker-Dealer on a date not later than the effective date of such Conversion as the minimum rate of interest which, in the opinion of the Broker-Dealer, would be necessary as of the date of such Conversion, to market Series 2007 Bonds in a secondary market transaction at a price equal to the principal amount thereof; provided that such interest rate shall not exceed the Maximum Dutch Auction Rate. Except as otherwise provided in Section 2.03 with respect to the initial Auction Period and in this Section 2.22 for any other Auction Period, the Dutch Auction Rate shall be the rate of interest per annum that results from implementation of the Dutch Auction Procedures; provided that such interest rate shall not exceed the Maximum Dutch Auction Rate. Determination of the Dutch Auction Rate pursuant to the Dutch Auction Procedures shall be suspended upon the occurrence of an Event of Default described in Section 11.01 of the Series 2007 Resolution, which is not cured by the Credit Facility Provider. Upon the occurrence of an Event of Default described in Section 11.01(A) on any Auction Date, which is not cured by the Credit Facility Provider, no Auction will be held, all Submitted Bids and Submitted Sell Orders shall be rejected, the existence of Sufficient Clearing Bids shall be of no effect and the Dutch Auction Rate shall be equal to the Maximum Dutch Auction Rate as determined on and as of the immediately preceding Auction Date for each Auction Period, commencing after the occurrence of such Event of Default to and including the Auction Period, if any, during which or commencing less than two Business Days after the earlier of (A) such Event of Default has been cured or waived and (B) the first date on which all of the following conditions shall have been satisfied:

(A) no default shall have occurred and be continuing under the Credit Facility (the satisfaction of such condition to be conclusively evidenced, absent manifest error, to each of the Paying Agent and the Auction Agent by a certificate of a duly authorized officer of the Credit Facility Provider to such effect delivered to such entity);

(B) there shall have been delivered to the Auction Agent (x) such instruments and agreements as shall be satisfactory in form and substance to the Auction Agent, making provision for the payment of all

fees of the Broker-Dealers, as provided in the Broker-Dealer Agreement, and of the Auction Agent, but at no time will the Credit Facility Provider pay any fees, including Auction Agent or Broker-Dealer fees, (y) such other agreements and representations as the Auction Agent shall reasonably require and (z) a direction from the Credit Facility Provider not to suspend, or to resume, the implementation of the Dutch Auction Procedures, as the case may be; and

(C) the Auction Agent shall have advised the Paying Agent that the Auction Agent has been directed by the Credit Facility Provider either not to suspend or to resume the implementation of the Dutch Auction Procedures.

The Dutch Auction Rate for any Auction Period commencing after certificates representing the Series 2007 Bonds have been distributed pursuant to Section 2.22(g) shall be equal to the Maximum Dutch Auction Rate on each Auction Date.

Notwithstanding anything in this Exhibit A to the contrary, in the event there shall be no duly appointed and acting Auction Agent or Broker-Dealer on any Auction Date, there shall be no Auction on such Auction Date, and, instead Auction Rate Bonds shall bear interest at the Maximum Dutch Auction Rate for the succeeding Auction Period.

Except as set forth above, in the event the Auction Agent shall fail to calculate or, for any reason, fails to provide the Auction Rate for any Auction Period, (i) if the preceding Auction Period was a period of 35 days or less, the new Auction Period shall be the same as the preceding Auction Period and the Dutch Auction Rate for the new Auction Period shall be the same as the Dutch Auction Rate for the preceding Auction Period, and (ii) if the preceding Auction Period was a period of greater than 35 days, the preceding Auction Period shall be extended to the next seventh day following the day that would have been the last day of such Auction Period had it not been extended (or if such seventh day is not followed by a Business Day then to the next succeeding day which is followed by a Business Day) and the Dutch Auction Rate in effect for the preceding Auction Period will continue in effect for the Auction Period as so extended. In the event the Auction Period is extended as set forth in clause (ii) of the preceding sentence, an Auction shall be held on the last Business Day of the Auction Period as so extended to take effect for an Auction Period beginning on the Business Day immediately following the last day of the Auction Period as extended which Auction Period will end on the date it would otherwise have ended on had the prior Auction Period not been extended.

In the event of a failed Conversion from the Dutch Auction Mode to another Interest Mode, the Dutch Auction Rate for the next succeeding Auction

Period shall equal the Maximum Dutch Auction Rate as determined as of the Auction Date for the then current Auction Period.

(ii) Auction Periods may be changed pursuant to Section 2.22(b) at any time unless an Event of Default described in Section 11.01(A) of the Series 2007 Resolution has occurred and has not been cured or waived. Each Auction Period shall be a seven (7) day period unless a different Auction Period is established pursuant to Section 2.22(b).

(iii) Notwithstanding any other provision of this Series 2007 Resolution relating to Auction Rate Bonds, including without limitation the mandatory tender provisions and the definitions of terms used in this Exhibit A (including without limitation the definitions of All Hold Rate and Maximum Dutch Auction Rate), the Auction Rate Bonds provisions may be amended by the County, (i) upon obtaining an Opinion of Counsel that the same does not materially adversely affect the rights of the beneficial owners of Auction Rate Bonds or (ii) by obtaining the consent of a majority of the Owners of the Auction Rate Bonds with respect to which such amendment shall apply and, in each case, delivering an Opinion of Bond Counsel. In the case of clause (ii) above, the Registrar shall mail notice of such amendment to the Owners of the Auction Rate Bonds to which such amendment shall apply, and if, on the first Auction Date occurring at least 20 days after the date on which the Registrar mailed such notice, Sufficient Clearing Bids have been received or all of such Auction Rate Bonds are subject to Submitted Hold Orders and if the Credit Facility Provider has provided written consent by such Auction Date, the proposed amendment shall be deemed to have been consented to by the Owners of such Auction Rate Bonds. As an additional condition precedent to any such amendment pursuant to the provisions of this Section 2.22(a)(iii) and without duplication of any other requirement herein, there shall be delivered to the County, and the Paying Agent and the Registrar an Opinion of Bond Counsel to the effect that such amendment will not adversely affect the validity of such Auction Rate Bonds or the exclusion of interest on any of such Auction Rate Bonds from gross income for federal income tax purposes. Written notice of each such amendment shall be delivered by the County to the Paying Agent, the Registrar, the Auction Agent and each Broker-Dealer.

(b) Dutch Auction Rate Period: Change of Auction Period by the County.

(i) During a Dutch Auction Rate Period, the County may change the length of an Auction Period by means of a written notice delivered at least 20 days but not more than 60 days prior to the Auction Date for such Auction Period to the Paying Agent, the Broker-Dealer, the Credit Facility Provider, the Auction Agent and DTC. Any Auction Period established pursuant to this Section 2.22(b) may not exceed 1092 days in duration. If such Auction Period will be of less than 35 days, such notice shall be effective only if it is accompanied by a written statement of the Paying Agent, the Auction Agent and DTC to the effect that they

are capable of performing their duties hereunder and under the Auction Agent Agreement with respect to such Auction Period. Unless the Series 2007 Bonds shall be at the time in the Auction Period that commenced upon the dated date of the Series 2007 Bonds, the length of an Auction Period may not be changed pursuant to this Section 2.22(b) unless Sufficient Clearing Bids existed at both the Auction immediately preceding the date the notice of such change was given and the Auction immediately preceding such changed Auction Period.

(ii) The change in length of an Auction Period shall take effect only if (A) the Paying Agent and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding the Auction Date for such Auction Period, a certificate from the County, by telecopy or similar means, authorizing the change in the Auction Period, which shall be specified in such certificate, and (B) Sufficient Clearing Bids exist at the Auction on the Auction Date for such Auction Period. If the condition referred to in (A) above is not met, the Dutch Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Dutch Auction Procedures and the next succeeding Auction Period shall be the then current Auction Period. If the condition referred to in (B) above is not met, the Dutch Auction Rate for the next succeeding Auction Period shall equal the Maximum Dutch Auction Rate as determined as of the Auction Date for the then current Auction Period.

(c) Dutch Auction Rate Period: Orders by Existing Owners and Potential Owners.

(i) Subject to the provisions of Section 2.22(a), Auctions shall be conducted on each Auction Date in the manner described in this Section 2.22(c) and in Sections 2.22(d), (e) and (f) prior to the Submission Deadline on each Auction Date during a Dutch Auction Rate Period:

(A) each Existing Owner may submit to the Broker-Dealer information as to:

(x) the principal amount of Series 2007 Bonds, if any, held by such Existing Owner which such Existing Owner desires to continue to hold without regard to the Dutch Auction Rate for the next succeeding Auction Period;

(y) the principal amount of Series 2007 Bonds, if any, held by such Existing Owner which such Existing Owner offers to sell if the Dutch Auction Rate for the next succeeding Auction Period shall be less than the rate per annum specified by such Existing Owner; and

(z) the principal amount of Series 2007 Bonds, if any, held by such Existing Owner which such Existing Owner offers to sell without regard to the Dutch Auction Rate for the next succeeding Auction Period; and

(B) one or more Broker-Dealers may contact Potential Owners to determine the principal amount of Series 2007 Bonds which each such Potential Owner offers to purchase if the Dutch Auction Rate for the next succeeding Auction Period shall not be less than the interest rate per annum specified by such Potential Owner.

For the purposes of this Exhibit A the communication to a Broker-Dealer of information referred to in clause (A)(x), (A)(y) or (A)(z) or clause (B) above is hereinafter referred to as an "Order" and each Existing Owner and Potential Owner placing an Order is hereinafter referred to as a "Bidder"; an Order containing the information referred to in clause (A)(x) above is hereinafter referred to as a "Hold Order"; an Order containing the information referred to in clause (A)(y) or clause (B) above is hereinafter referred to as a "Bid"; and an Order containing the information referred to in clause (A)(z) above is hereinafter referred to as a "Sell Order".

(ii) (A) Subject to the provisions of Section 2.22(d), a Bid by an Existing Owner shall constitute an irrevocable offer to sell:

(x) the principal amount of Series 2007 Bonds specified in such Bid if the Dutch Auction Rate determined pursuant to the Dutch Auction Procedures on such Auction Date shall be less than the interest rate per annum specified therein; or

(y) such principal amount or a lesser principal amount of Series 2007 Bonds to be determined as set forth in subsection (i)(D) of Section 2.22(f) if the Dutch Auction Rate determined pursuant to the Dutch Auction Procedures on such Auction Date shall be equal to the interest rate per annum specified therein; or

(z) such principal amount if the interest rate per annum specified therein shall be higher than the Maximum Dutch Auction Rate, if Sufficient Clearing Bids do exist, or such principal amount or a lesser principal amount of Series 2007 Bonds to be determined as set forth in subsection (ii)(C) of Section 2.22(f) if such specified rate shall be higher than the Maximum Dutch Auction Rate and Sufficient Clearing Bids do not exist.

(B) Subject to the provisions of Section 2.22(d), a Sell Order by an Existing Owner shall constitute an irrevocable offer to sell:

(y) the principal amount of Series 2007 Bonds specified in such Sell Order; or

(z) such principal amount or a lesser principal amount of Series 2007 Bonds as set forth in subsection (ii)(C) of Section 2.22(f) if Sufficient Clearing Bids do not exist.

(C) Subject to the provisions of Section 2.22(d), a Bid by a Potential Owner shall constitute an irrevocable offer to purchase:

(y) the principal amount of Series 2007 Bonds specified in such Bid if the Dutch Auction Rate determined on such Auction Date shall be higher than the rate specified therein; or

(z) such principal amount or a lesser principal amount of Series 2007 Bonds as set forth in subsection (i)(E) of Section 2.22(f) if the Dutch Auction Rate determined on such Auction Date shall be equal to such specified rate.

(d) Dutch Auction Rate Period: Submission of Orders by Broker-Dealers to Auction Agent.

(i) During a Dutch Auction Rate Period each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date during the Dutch Auction Rate Period, all Orders obtained by such Broker-Dealer and shall specify with respect to each such Order if requested by the Auction Agent:

(A) the name of the Bidder placing such Order;

(B) the aggregate principal amount of Series 2007 Bonds that are subject to such Order:

(C) to the extent that such Bidder is an Existing Owner:

(x) the principal amount of Series 2007 Bonds, if any, subject to any Hold Order placed by such Existing Owner;

(y) the principal amount of Series 2007 Bonds, if any, subject to any Bid placed by such Existing Owner and the rate specified in such Bid; and

(z) the principal amount of Series 2007 Bonds, if any, subject to any Sell Order placed by such Existing Owner; and

(D) to the extent such Bidder is a Potential Owner, the rate specified in such Potential Owner's Bid.

(ii) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(iii) If an Order or Orders covering all Bonds held by an Existing Owner is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Owner covering the principal amount of Series 2007 Bonds held by such Existing Owner and not subject to Orders submitted to the Auction Agent, except in the case of a conversion to a new Dutch Auction Rate Period in which case the Auction Agent shall deem a Sell Order to have been submitted. Neither the County, the Paying Agent, the Registrar nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Owner or Potential Owner.

(iv) If any Existing Owner submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Series 2007 Bonds held by such Existing Owner, such Orders shall be considered valid as follows and in the following order of priority:

(A) all Hold Orders shall be considered valid, but only up to and including the principal amount of Series 2007 Bonds held by such Existing Owner, and, if the aggregate principal amount of Series 2007 Bonds subject to such Hold Orders exceeds the aggregate principal amount of Series 2007 Bonds held by such Existing Owner, the aggregate principal amount of Series 2007 Bonds subject to each such Hold Order shall be reduced pro rata to cover the aggregate principal amount of Series 2007 Bonds held by such Existing Owner;

(B) (w) any Bid shall be considered valid up to and including the excess of the principal amount of Series 2007 Bonds held by such Existing Owner over the aggregate principal amount of Series 2007 Bonds subject to any Hold Orders referred to in paragraph (A) above;

(x) subject to clause (w) above, if more than one Bid with the same rate is submitted on behalf of such Existing Owner and the aggregate principal amount of Series 2007 Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the principal amount of Series 2007 Bonds subject to each Bid with the same rate shall be reduced pro rata to cover the principal amount of Series 2007 Bonds equal to such excess;

(y) subject to clauses (w) and (x) above, if more than one Bid with different rates is submitted on behalf of such Existing

Owner, such Bids shall be considered valid in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(z) in any such event, the aggregate principal amount of Series 2007 Bonds, if any, subject to Bids not valid under this paragraph (B) shall be treated as the subject of a Bid by a Potential Owner at the rate therein specified; and

(C) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Series 2007 Bonds held by such Existing Owner over the aggregate principal amount of Series 2007 Bonds subject to valid Hold Orders referred to in paragraph (A) and valid Bids referred to in paragraph (B) above.

(v) If more than one Bid for Series 2007 Bonds is submitted on behalf of any Potential Owner, each Bid submitted shall be a separate Bid for Series 2007 Bonds with the rate and principal amount therein specified.

(vi) Any Bid or Sell Order submitted by an Existing Owner covering an aggregate principal amount of Series 2007 Bonds not equal to \$25,000 or an integral multiple thereof shall be rounded down to the nearest integral multiple of \$25,000. Any Bid submitted by a Potential Owner covering an aggregate principal amount of Series 2007 Bonds not equal to \$25,000 or an integral multiple thereof shall be rounded down to the nearest integral multiple of \$25,000.

(e) Dutch Auction Rate Period: Determination of Sufficient Clearing Bids, Winning Bid Rate and Dutch Auction Rate.

(i) Not earlier than the Submission Deadline on each Auction Date during the Dutch Auction Rate Period, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order") and shall determine:

(A) the excess of the total principal amount of Series 2007 Bonds over the aggregate principal amount of Series 2007 Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available Auction Bonds"); and

(B) from the Submitted Orders whether the aggregate principal amount of Series 2007 Bonds subject to Submitted Bids by Potential Owners specifying one or more rates equal to or lower than the Maximum Dutch Auction Rate exceeds or is equal to the sum of:

(y) the aggregate principal amount of Series 2007 Bonds subject to Submitted Bids by Existing Owners specifying one or more rates higher than the Maximum Dutch Auction Rate; and

(z) the aggregate principal amount of Series 2007 Bonds subject to Submitted Sell Orders, (in the event such excess or such equality exists (other than because the sum of the principal amounts of Series 2007 Bonds in clauses (y) and (z) above is zero because all of the Series 2007 Bonds are subject to Submitted Hold Orders), such Submitted Bids in clause (B) above are hereinafter reflected to collectively as "Sufficient Clearing Bids"); and

(C) if Sufficient Clearing Bids exist, the lowest rate specified in the Submitted Bids (the "Winning Bid Rate") which if

(y) (I) each Submitted Bid from Existing Owners specifying such lowest rate and (II) all other Submitted Bids from Existing Owners specifying lower rates were rejected, thus requiring such Existing Owners to continue to hold the principal amount of Bonds subject to such Submitted Bids; and

(z) (I) each Submitted Bid from Potential Owners specifying such lowest rate and (II) all other Submitted Bids from Potential Owners specifying lower rates were accepted,

would result in such Existing Owners described in clause (y) above continuing to hold an aggregate principal amount of Series 2007 Bonds which, when added to the aggregate principal amount of Series 2007 Bonds to be purchased by such Potential Owners described in clause (z) above, would be not less than the Available Auction Bonds.

(ii) Promptly after the Auction Agent has made the determinations pursuant to subsection (i) of this Section 2.22(e), the Auction Agent by telecopy, confirmed in writing, shall advise the County and the Paying Agent of the Maximum Dutch Auction Rate and the All Hold Rate and the components thereof on the Auction Date and, based on such determinations, the Dutch Auction Rate for the next succeeding Auction Period as follows:

(A) if Sufficient Clearing Bids exist, that the Dutch Auction Rate for the next succeeding Auction Period therefor shall be equal to the Winning Bid Rate so determined;

(B) if Sufficient Clearing Bids do not exist (other than because all of the Bonds are the subject of Submitted Hold Orders), that the Dutch Auction Rate for the next succeeding Auction Period therefor shall be equal to the Maximum Dutch Auction Rate; and

(C) if all of the Series 2007 Bonds are subject to Submitted Hold Orders, that the Dutch Auction Rate for the next succeeding Auction Period therefor shall be equal to the All Hold Rate.

(f) Dutch Auction Rate Period: Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Auction Bonds. During a Dutch Auction Rate Period, Existing Owners shall continue to hold the principal amounts of Series 2007 Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to subsection (i) of Section 2.22(e), the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other actions as are set forth below:

(i) If Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (iv) and (v) of this Section 2.22(f), Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Owners' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to sell the aggregate principal amount of Series 2007 Bonds subject to such Submitted Bids;

(B) Existing Owners' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus requiring each such Existing Owner to continue to hold the aggregate principal amount of Series 2007 Bonds subject to such Submitted Bids;

(C) Potential Owners' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the aggregate principal amount of Series 2007 Bonds subject to such Submitted Bids;

(D) each Existing Owner's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus requiring such Existing Owner to continue to hold the aggregate principal amount of Series 2007 Bonds subject to such Submitted Bid, unless the aggregate principal amount of Series 2007 Bonds subject to all such Submitted Bids shall be greater than the principal amount of Series 2007 Bonds (the "remaining principal amount") equal to the excess of the Available Auction Bonds over the aggregate principal amount of the Series 2007 Bonds subject to Submitted Bids described in paragraphs (B) and (C) of this subsection (i), in which event such Submitted Bid of such Existing Owner shall be rejected in part, and such Existing Owner shall be required to continue to hold the principal amount of Series 2007 Bonds subject to such Submitted Bid, but only in an amount equal to the principal amount

of Series 2007 Bonds obtained by multiplying the remaining principal amount by a fraction, the numerator of which shall be the principal amount of Series 2007 Bonds held by such Existing Owner subject to such Submitted Bid and the denominator of which shall be the sum of the principal amounts of Series 2007 Bonds subject to such Submitted Bids made by all such Existing Owners that specified a rate equal to the Winning Bid Rate; and

(E) each Potential Owner's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Series 2007 Bonds obtained by multiplying the excess of the Available Auction Bonds over the aggregate principal amount of Series 2007 Bonds subject to Submitted Bids described in paragraphs (B), (C) and (D) of this subsection (i) by a fraction the numerator of which shall be the aggregate principal amount of Series 2007 Bonds subject to such Submitted Bid of such Potential Owner and the denominator of which shall be the sum of the principal amount of Series 2007 Bonds subject to Submitted Bids made by all such Potential Owners that specified a rate equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Series 2007 Bonds are subject to Submitted Hold Orders), subject to the provisions of subsection (iv) of this Section 2.22(f), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Owners, Submitted Bids specifying any rate that is equal to or lower than the Maximum Dutch Auction Rate shall be rejected, thus requiring each such Existing Owner to continue to hold the aggregate principal amount of Series 2007 Bonds subject to such Submitted Bids;

(B) Potential Owners' Submitted Bids specifying any rate that is equal to or lower than the Maximum Dutch Auction Rate shall be accepted, thus requiring each such Potential Owner to purchase the aggregate principal amount of Series 2007 Bonds subject to such Submitted Bids; and

(C) Each Existing Owner's Submitted Bid specifying any rate that is higher than the Maximum Dutch Auction Rate and the Submitted Sell Orders of each Existing Owner shall be accepted, thus requiring each Existing Owner that submitted any such Submitted Bid or Submitted Sell Order to sell the Series 2007 Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Series 2007 Bonds obtained by multiplying the aggregate principal amount of Series 2007 Bonds subject to Submitted

Bids described in paragraph (B) of this subsection (ii) by a fraction, the numerator of which shall be the aggregate principal amount of Series 2007 Bonds held by such Existing Owner subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Auction Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If all Series 2007 Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(iv) If, as a result of the procedures described in subsection (i) or (ii) of this Section 2.22(f), any Existing Owner would be required to sell, or any Potential Owner would be required to purchase, a principal amount of Series 2007 Bonds that is not equal to \$25,000 or an integral multiple thereof, the Auction Agent shall, in such manner as, in its sole discretion it shall determine, round down the principal amount of such Series 2007 Bonds to be purchased or sold by any Existing Owner or Potential Owner so that the principal amount purchased or sold by each Existing Owner or Potential Owner shall be equal to \$25,000 or an integral multiple thereof.

(v) If, as a result of the procedures described in subsection (i) of this Section 2.22(f), any Potential Owner would be required to purchase less than \$25,000 in aggregate principal amount of Series 2007 Bonds, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, allocate Series 2007 Bonds for purchase among Potential Owners so that only Series 2007 Bonds in principal amounts of \$25,000 or an integral multiple thereof are purchased by any Potential Owner, even if such allocation results in one or more of such Potential Owners not purchasing any Series 2007 Bonds.

(vi) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amounts of Bonds to be purchased and the aggregate principal amounts of Series 2007 Bonds to be sold by Potential Owners and Existing Owners on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker Dealer, to the extent that such amounts differ, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers of Bonds such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers of Auction Bonds such Broker-Dealer shall receive, as the case may be, Series 2007 Bonds.

(vii) the County may not submit an Order in any Auction.

(g) DTC Required During Dutch Auction Rate Mode: Limitations on Transfer.

(i) Except as otherwise provided in this Section 2.22(g), the Series 2007 Bonds bearing interest at the Dutch Auction Rate shall be registered in the name of DTC or its nominee and ownership thereof shall be maintained in book-entry-only form by DTC for the account of the Agent Members thereof.

(ii) If at any time DTC or its nominee notifies the County that it is unwilling or unable to continue as Owner of Series 2007 Bonds or if at any time DTC shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to DTC is not appointed by the County at the direction of the Registrar, the Auction Agent and the Broker-Dealer, within 90 days after the County receives notice or becomes aware of such condition, as the case may be, the County shall execute and the Registrar shall authenticate and deliver certificates representing the Series 2007 Bonds. Series 2007 Bonds issued pursuant to this Section 2.22(g)(ii) shall be registered in such names and authorized denominations as DTC, pursuant to instructions from the Agent Members or otherwise, shall instruct the County and the Registrar. The Registrar shall deliver the Series 2007 Bonds to the persons in whose names such Series 2007 Bonds are so registered on the Business Day immediately preceding the first day of an Auction Period. In the event that DTC or its nominee shall cease to be the Owner of Series 2007 Bonds or that DTC shall cease to be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to DTC has not been duly appointed and qualified by the County, Auction Rate Bonds shall immediately commence to bear interest at the Maximum Dutch Auction Rate and shall continue to do so unless and until such a successor has been duly appointed and qualified.

So long as the ownership of the Series 2007 Bonds is maintained in book-entry-only form by DTC, an Existing Owner may sell, transfer or otherwise dispose of Series 2007 Bonds only pursuant to a Bid or Sell Order placed in an Auction or to or through a Broker-Dealer, provided that (i) sale, transfer or other disposition of Series 2007 Bonds in a Dutch Auction Rate Mode from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the Owner of such Series 2007 Bonds to that Broker-Dealer or another customer of that Broker-Dealer shall not be deemed to be a sale, transfer or other disposition for purposes of this Section 2.22(g) if such Broker-Dealer remains the Existing Owner of Series 2007 Bonds so sold, transferred or disposed of immediately, after such sale, transfer, or disposition and (ii) in the case of all transfers other than pursuant to Auctions such Broker-Dealer to whom such transfer is made shall advise the Auction Agent of such transfer.

(h) Calculation of Maximum Dutch Auction Rate and All Hold Rate. The Auction Agent shall calculate the Maximum Dutch Auction Rate and the All Hold Rate on each Auction Date. If the ownership of the Series 2007 Bonds is no longer maintained in book-entry-only form by DTC, the Paying Agent shall calculate the Maximum Dutch Auction Rate on the Business Day immediately preceding the first day of each Auction

Period commencing after the delivery of certificates representing the Series 2007 Bonds pursuant to Section 2.22(g). If an Event of Default described in Section 11.01(A) of all the Series 2007 Resolution which is not cured by the Credit Facility Provider shall have occurred, the Auction Agent, upon notice thereof, shall calculate the Maximum Dutch Auction Rate on the first day of each Auction Period commencing after the occurrence of such Event of Default to and including the Auction Period, if any, commencing less than two Business Days after all such Events of Default are cured.

ARTICLE III

LIQUIDITY FACILITY; DEMANDS FOR PURCHASE THEREUNDER

SECTION 3.01 Demands for Purchase under Liquidity Facility for Purchase of Series 2007 Bonds. If any Series 2007 Bonds are to be tendered for purchase pursuant to Section 2.06.1, 2.06.2, 2.06.3, 2.06.4 or 2.06.5 and the Remarketing Agent shall not then have provided the Tender Agent with sufficient funds to make such purchase by depositing in the Remarketing Proceeds Fund immediately available funds by no later than the time provided in the applicable Liquidity Facility for presentation of drafts in order to receive payment in immediately available funds by 2:45 P.M. (New York City time) on the date such Series 2007 Bonds are required to be purchased, then the Paying Agent shall, subject to the provisions of Section 3.04, deliver a Notice of Purchase under the Liquidity Facility by no later than the time provided in the Liquidity Facility for presentation of Notices of Purchase in order to receive payment in immediately available funds by 2:45 P.M. (New York City time) on such day, of an amount sufficient to pay the Purchase Price of such Series 2007 Bonds. No presentation of the Notice of Payment under any Liquidity Facility pursuant to this Section 3.01 shall be made if a Substitute Liquidity Facility shall be effective and available to make demands for purchase thereunder on the date of such presentation in respect of such purchase. All demands for purchase on the Liquidity Facility pursuant to this Section 3.01 shall be made by the Paying Agent irrespective of whether the Paying Agent shall have received any fee, compensation or indemnification it may be entitled to receive under the Series 2007 Resolution.

SECTION 3.02 Amendments to Liquidity Facility; Notice of Termination or Suspension of Liquidity Facility.

1. Except with the consent of all the Owners of the Series 2007 Bonds entitled to the benefits of the Liquidity Facility given as provided in the Series 2007 Resolution, the Paying Agent shall not permit any amendment, supplement, modification or waiver to the Liquidity Facility which would result in the Liquidity Facility having terms and conditions less favorable to such Owners of the Series 2007 Bonds than the terms and conditions of the Liquidity Facility then in effect; provided, however, no such amendment which changes the stated expiration or termination date of the Liquidity Facility then in effect shall become effective unless the County shall deliver to the Paying Agent an Opinion of Bond Counsel stating that such change in the stated expiration or termination date will not adversely affect the exclusion from gross income of interest on the Series 2007 Bonds for Federal income tax purposes. Such Opinion of Bond

Counsel shall also be delivered to the Remarketing Agent, but the failure to deliver such Opinion shall not affect the validity of any such amendment. Upon the amendment of the Liquidity Facility pursuant to this Section 3.02.1, the County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any such amendment.

2. If at any time the Liquidity Facility is suspended or terminated by the Liquidity Facility Provider pursuant to the terms of the Liquidity Facility or otherwise, the Paying Agent shall send notice thereof to the Owners of Series 2007 Bonds and the Remarketing Agent immediately.

SECTION 3.03 Paying Agent to Reduce and Terminate Liquidity Facility.

1. The Paying Agent shall, in accordance with the applicable provisions of the Liquidity Facility, take such action as shall be required to reduce the amounts available for demands for purchase thereunder in respect of principal portion of the Purchase Price and the interest portion of the Purchase Price on such Series 2007 Bonds to reflect any permanent reduction, whether by conversion of Series 2007 Bonds to a Fixed Mode, by payment upon redemption, by defeasance or otherwise, in the amount of Series 2007 Bonds Outstanding. The amount available to be drawn in respect of the payment of principal portion of the Purchase Price on the Series 2007 Bonds shall be reduced in an amount equal to the principal amount of such Series 2007 Bonds so converted or so paid or deemed paid and the amount available to be drawn in respect of the payment of interest portion of the Purchase Price on such Series 2007 Bonds shall be reduced by a percentage equal to the percentage by which the amount available to be drawn in respect of the payment of principal is reduced as aforesaid.

2. As soon as practicable on the first day after any such payment, conversion or defeasance, the Paying Agent shall, in accordance with the applicable provisions of the Liquidity Facility, take such action as shall be required to terminate the Liquidity Facility as a result of the payment or defeasance of all of the Series 2007 Bonds or the conversion of the interest rate on all Series 2007 Bonds to the Fixed Rate.

SECTION 3.04 No Demands to Pay Purchase Price of Series 2007 Bonds Held by the County or Certain Others. No demands for purchase under the Liquidity Facility shall be made, or be used, to pay an amount on or in respect of Series 2007 Bonds in a Fixed Mode or Dutch Auction Mode or any Series 2007 Bonds held by or for the account of the Liquidity Facility Provider or the County.

ARTICLE IV

AUTHORIZATION OF ESTABLISHMENT AND MAINTENANCE OF OTHER FUNDS, ACCOUNTS AND SUBACCOUNTS AND APPLICATION THEREOF

SECTION 4.01 Authorization of Establishment of Liquidity Facility Proceeds Fund and Series 2007 Remarketing Proceeds Fund.

1. There is hereby authorized to be created one or more funds to be held by the Paying Agent and each described as the "Liquidity Facility Proceeds Fund" plus such additional designation as may be appropriate to distinguish it. Each Liquidity Facility Proceeds Fund shall not constitute a Fund or Account within and shall be held separate and apart from all Funds and Accounts under the Series 2007 Resolution. Amounts on deposit in each Liquidity Facility Proceeds Fund shall not be commingled with the amounts held in any Fund or Account under the Series 2007 Resolution or in any Remarketing Proceeds Fund. All proceeds of drawings on a Liquidity Facility shall be deposited in any applicable Liquidity Facility Proceeds Fund as provided in Article III and shall be used only for payments of the Purchase Price of Series 2007 Bonds Outstanding which are entitled to the benefits of the Liquidity Facility in respect of which such proceeds were made available under the Liquidity Facility in the manner and at the times set forth in Article III. The Paying Agent shall make all amounts on deposit in the Liquidity Facility Proceeds Fund available to the applicable Tender Agent at the times and in the amounts required hereunder.

2. There is authorized to be hereby created one or more funds to be held by the applicable Tender Agent and each described as a "Series 2007 Remarketing Proceeds Fund" plus such additional designation as may be appropriate to distinguish it. Each Remarketing Proceeds Fund shall not constitute a Fund or Account for purposes of the Series 2007 Resolution. Amounts on deposit in each Remarketing Proceeds Fund shall not be commingled with the amounts held in any Fund or account under the Series 2007 Resolution or in any Liquidity Facility Proceeds Fund. All amounts received by any Tender Agent from the applicable Remarketing Agent representing the Purchase Price of Series 2007 Bonds remarketed by the Remarketing Agent shall be deposited in the applicable Remarketing Proceeds Fund and shall be used only for payments of the Purchase Price of the Series 2007 Bonds so remarketed as provided in Section 2.08.

3. All moneys deposited in any Liquidity Facility Proceeds Fund and any Remarketing Proceeds Fund shall be held in trust by the Paying Agent and the Tender Agent, respectively, and applied only in accordance with the provisions of this Exhibit A, and each Liquidity Facility Proceeds Fund and each Remarketing Proceeds Fund shall each be a trust fund for the purposes thereof. Amounts on deposit in any Liquidity Facility Proceeds Fund and any Remarketing Proceeds Fund shall not be commingled with any other funds held by the Paying Agent and the Tender Agent, respectively.

4. Amounts on deposit in any Liquidity Facility Proceeds Fund and any Remarketing Proceeds Fund shall either be held uninvested by the Paying Agent or the Tender Agent, as applicable, or be invested at the written direction of the County only in direct obligations of or obligations unconditionally guaranteed by the United States of America, rated in the highest rating category by Fitch, Moody's and S&P having a maturity of the lesser of thirty (30) days or when needed. Unless otherwise provided in the applicable Bond Series Certificate, investment earnings on amounts on deposit in any Liquidity Facility Proceeds Fund and any Remarketing Proceeds Fund shall be deposited in the Revenue Fund. Subject to the requirements of any applicable law to the contrary, any amounts on deposit in any Liquidity Facility Proceeds Fund and any Remarketing Proceeds Fund which remain unclaimed for two

years after the date such moneys were so deposited shall at the written request of the County be paid by the Paying Agent and the Tender Agent, as applicable, to the County as its absolute property and free from trust, and the Tender Agent shall thereupon be released and discharged with respect thereto and the Owners of such Series 2007 Bonds shall look only to the County for the payment of the Purchase Price of such Series 2007 Bonds; provided, however, that before being required to make any such payment to the County the Paying Agent and the Tender Agent, as applicable, may, at the expense of the County, cause to be published at least twice, at an interval of not less than 7 days between publications, in an Authorized Newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the County.

Notwithstanding anything in the Series 2007 to the contrary, neither the Paying Agent nor the Tender Agent shall have any right to, or lien whatsoever upon, any of the amounts on deposit in any Liquidity Facility Proceeds Fund and any Remarketing Proceeds Fund for any payment of fees, expenses or other compensation due and owing by the County to the Paying Agent or any Tender Agent, respectively, for any services rendered under the Series 2007 Resolution.

ARTICLE V

THE TENDER AGENT, THE REMARKETING AGENT, THE PAYING AGENT, THE AUCTION AGENT AND THE BROKER-DEALER

SECTION 5.01 Tender Agents.

1. The Paying Agent shall act as the Tender Agent for the Series 2007 Bonds, unless the County shall subsequently appoint a successor Tender Agent.

2. The Tender Agent agrees to:

(a) hold all Series 2007 Bonds properly tendered to it for purchase hereunder as agent and bailee of, and in escrow for the benefit of, the respective Owners of the Series 2007 Bonds which shall have so tendered such Series 2007 Bonds until moneys representing the Purchase Price of such Series 2007 Bonds shall have been delivered to or for the account of or to the order of such Owners of the Series 2007 Bonds;

(b) hold all moneys delivered to it hereunder for the purchase of Series 2007 Bonds as agent and bailee of, and in escrow for the benefit of, the Person which shall have so delivered such moneys, until the Series 2007 Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(d) hold all Unremarketed Series 2007 Bonds delivered to it pursuant to clause (b) of Section 2.09.1 in trust for the benefit of the applicable Liquidity Facility Provider in accordance with the applicable Liquidity Facility until such Series 2007 Bonds are released by such Liquidity Facility Provider in accordance with Section 2.11.1 or until such Series 2007 Bonds are deemed tendered in accordance with Section 2.07;

(e) provide to the Paying Agent as soon as practicable after the close of business on each Record Date prior to all Series 2007 Bonds being in a Fixed Mode, but in no case later than 1:00 p.m., New York City time, on the applicable Interest Payment Date, a list of the names and addresses of the Owners of the Series 2007 Bonds, for which it serves as Tender Agent as of such Record Date;

(f) provide to the Paying Agent as soon as practicable after each applicable Fixed Rate Conversion Date, the registration books of the County containing the names and addresses of the Owners of Series 2007 Bonds as of such Fixed Rate Conversion Date; and

(g) give notices as required hereunder at the times and in the manner specified herein.

3. Upon receipt by any Tender Agent of any Tender Notice and the Series 2007 Bonds delivered pursuant to it for purchase in accordance with the Series 2007 Resolution, the Tender Agent shall deliver to the Person delivering the Tender Notice and the Series 2007 Bonds written evidence of the Tender Agent's receipt of such materials. Such Tender Agent shall promptly return any Tender Notice (together with the Series 2007 Bonds submitted in connection therewith) that is incomplete or improperly completed or not delivered by the date and time required hereunder to the Person submitting such notice upon surrender of the receipt, if any, issued therefor. The Tender Agent's determination of whether a Tender Notice is properly completed or delivered on a timely basis shall be binding on the County and the Owner of the Series 2007 Bonds submitted therewith.

4. Each Tender Agent shall be a commercial bank having trust powers or a trust company organized under the laws of a state or a national banking association having a capital and surplus aggregating at least \$50,000,000 and authorized by law to perform all the duties imposed upon it by the Series 2007 Resolution. Each Tender Agent shall, wherever the Series 2007 Bonds are not subject to a book-entry only system, have an office or agency in New York, New York at which its duties hereunder are to be performed. Each Tender Agent may at any time resign and be discharged of the duties and obligations created by the Series 2007 Resolution by giving at least sixty (60) days' notice to the other Notice Parties. Each Tender Agent may be removed at any time by the County upon at least seven (7) days' notice to the other Notice Parties and the Owners of the Series 2007 Bonds, other than Series 2007 Bonds then in a Fixed Mode. No such resignation or removal shall take effect until the appointment of, and the acceptance of such appointment by, a successor Tender Agent. Successor Tender Agents may be appointed from time to time by the County. Upon the resignation or removal of the Tender

Agent, such Tender Agent shall deliver any Series 2007 Bonds and moneys held by it in such capacity to its successor.

5. Each Tender Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Exhibit A, shall examine such instrument to determine whether it conforms to the requirements of this Exhibit A and shall, in the absence of negligence or willful misconduct on the part of such Tender Agent, be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Tender Agent may consult with counsel and the written opinion of such counsel (which may be an Opinion of Bond Counsel) shall be full and complete authorization and protection in respect of any action taken or suffered by it under the Series 2007 Resolution in good faith and in accordance therewith.

6. Whenever any Tender Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the Series 2007 Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of the Finance Director, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Exhibit A upon the faith thereof; but in its discretion such Tender Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

7. Except as otherwise expressly provided in the Series 2007 Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Exhibit A by the County to any Tender Agent shall be sufficiently executed in the name of the County by the Finance Director.

8. In the event that any Tender Agent is required to act pursuant to the terms of this Exhibit A upon the receipt of telephonic notice, such notice shall be promptly confirmed in writing. If such notice shall not be so confirmed, such Tender Agent shall be entitled to rely upon such telephonic notice for all purposes whatsoever.

9. In purchasing Series 2007 Bonds hereunder, each Tender Agent shall be acting as a conduit and shall not be purchasing such Series 2007 Bonds for its own account.

10. Unless otherwise provided by contract with a Tender Agent, the County shall pay to such Tender Agent, from time to time, reasonable compensation for all services rendered by it under the Series 2007 Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements and those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under the Series 2007 Resolution. None of the provisions contained in the Series 2007 Resolution shall require any Tender Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

11. Upon any change in any Tender Agent, the County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any change in such Tender Agent.

12. Regardless of any other provisions of this Exhibit A, the Paying Agent and the Tender Agent shall at all times be the same entity.

SECTION 5.02 Remarketing Agents.

1. The County may appoint from time to time one or more Remarketing Agents for the Series 2007 Bonds when the Series 2007 Bonds are being adjusted to an Interest Mode for which a Remarketing Agent is required. Each Remarketing Agent shall accept the duties and obligations thereof under the Series 2007 Resolution by execution and delivery of an agreement with the County under which such Remarketing Agent will agree, among other things, to keep such books and records regarding the remarketing of the applicable Series 2007 Bonds and determining the interest rates on such Series 2007 Bonds as provided herein as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Notice Parties at all reasonable times.

2. The Remarketing Agent shall be a member of the National Association of Securities Dealers, Inc., having a capitalization of at least Fifty Million Dollars (\$50,000,000) and be authorized by law to perform all the duties imposed upon it by the Series 2007 Resolution. Each Remarketing Agent may at any time resign and be discharged of the duties and obligations created by the Series 2007 Resolution by giving at least thirty (30) days' notice to the other Notice Parties and as otherwise provided in the applicable Remarketing Agreement. Each Remarketing Agent may be removed at any time by the County, or in the event of failure of the Remarketing Agent to satisfactorily perform its obligations under the Remarketing Agreement, by the Credit Facility Provider, upon at least two (2) Business Days' written notice to the other Notice Parties. Prior to all applicable Series 2007 Bonds being converted to a Fixed Mode, no such removal shall be effective until a successor Remarketing Agent shall have been appointed and shall have accepted such appointment. A successor Remarketing Agent may be appointed from time to time by the County with the consent of the Credit Facility Provider, which consent shall not be unreasonably withheld.

3. If the Remarketing Agent resigns or is removed, such Remarketing Agent shall pay over, assign and deliver any moneys and Series 2007 Bonds held by it in such capacity, other than Series 2007 Bonds held for its own account, to its successor. Upon any change in any Remarketing Agent, the County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any change in such Remarketing Agent.

SECTION 5.03 Dealings in Series 2007 Bonds.

The Paying Agent, the Registrar, the Tender Agent, the Liquidity Facility Provider, a Credit Facility Provider, the Remarketing Agent, the Auction Agent, or the Broker-Dealer, each in its

individual capacity, may in good faith and to the extent otherwise permitted by law, buy, sell, own, hold and deal in any of the Series 2007 Bonds, and may join in any action which any Owner of the Series 2007 Bonds may be entitled to take with like effect as if it did not act in any capacity hereunder. The Paying Agent, the Registrar, the Liquidity Facility Provider, a Credit Facility Provider, the Tender Agent or the Remarketing Agent, each in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the County, and may act as depository, trustee, or agent for any committee or body of Owners of any Series 2007 Bonds secured hereby or other obligations of the County as freely as if it did not act in any capacity hereunder or under the Liquidity Facility or the Credit Facility.

SECTION 5.04 Additional Provisions Relating to the Paying Agent.

1. As long as the Purchase Price of any Series 2007 Bonds is payable from a Liquidity Facility, (i) the Paying Agent may be removed at any time, at the request of the Liquidity Facility Provider, for any breach of the trust set forth herein; (ii) every successor appointed shall be a subsidiary of, or under common control with, a bank with trust powers, a trust company or a national banking association with trust powers, having capital stock, surplus and undivided earnings aggregating at least \$50,000,000 and acceptable to the Credit Facility Provider, and (iii) the Paying Agent may not resign or be replaced unless a successor acceptable to the Credit Facility Provider shall have been appointed and have accepted such appointment and be acting as Paying Agent under the Series 2007 Resolution and such Liquidity Facility shall have been transferred to such successor. The Paying Agent agrees that it will transfer any Liquidity Facility to any successor Paying Agent in accordance with any terms of such Liquidity Facility.

2. Any successor Paying Agent, if applicable, shall not be appointed unless the Credit Facility Provider approves such successor in writing.

3. The Paying Agent agrees that, whenever required by the Series 2007 Resolution and in accordance therewith, it will (i) make all payments due on or in respect of the Series 2007 Bonds and (ii) cause to occur any mandatory tender without seeking any consent or approval of any Liquidity Facility Provider and without seeking any indemnity prior to so acting.

4. The Paying Agent shall not give any consent or make any demand or request under any Liquidity Facility, other than a demand or request for payment of the Purchase Price of Series 2007 Bonds, without the written direction of the Finance Director.

5. Notwithstanding any other provision of this Series 2007 Resolution, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Series 2007 Resolution, the Paying Agent shall consider the effect on the Bondholders as if there were no Credit Facility.

SECTION 5.05 Notices.

The Paying Agent shall, within twenty-five (25) days of the resignation or removal of the Remarketing Agent or the Tender Agent or the appointment of a successor Remarketing Agent or Tender Agent give notice thereof by first class mail, postage prepaid, to the owners of the Series 2007 Bonds.

SECTION 5.06 Appointment of Auction Agent; Qualifications of Auction Agent; Resignation; Removal. On or before the effective date of a subsequent Conversion to a Dutch Auction Rate Period, or upon the resignation or removal of the Auction Agent, an Auction Agent shall be appointed by the County with the consent of the Credit Facility Provider, which consent shall not be unreasonably withheld. The Auction Agent shall evidence its acceptance of such appointment by entering into an Auction Agent Agreement with the County. The Auction Agent shall be (a) a bank or trust company duly organized under the laws of the United States of America or any state or territory thereof having its principal place of business in the Borough of Manhattan, in the City of New York and having a combined capital stock, surplus and undivided profits of at least \$15,000,000 or (b) a member of the National Association of Securities Dealers, Inc. having a capitalization of at least \$15,000,000 and, in either case, authorized by law to perform all the duties imposed upon it under the Auction Agent Agreement. The Auction Agent may at any time resign and be discharged of the duties and obligations created by the Series 2007 Resolution by giving at least 45 days' notice to the County and the Broker-Dealer. The Auction Agent may be removed at any time by the County or, in the event of failure of the Auction Agent to satisfactorily perform its obligations hereunder or under the Auction Agent Agreement, by the Credit Facility Provider, upon at least 45 days' notice; provided that, the County shall have entered into an agreement in substantially the form of the Auction Agent Agreement with a successor Auction Agent.

SECTION 5.07 Several Capacities. Anything herein to the contrary notwithstanding, the same entity may serve hereunder as the Paying Agent, the Tender Agent, the Auction Agent, a Remarketing Agent, a Broker-Dealer and the Broker-Dealer, and in any combination of such capacities to the extent permitted by law. Any such entity may in good faith buy, sell, own, hold and deal in any of the Series 2007 Bonds and may join in any action which any Owners may be entitled to take with like effect as if such entity were not appointed to act in such capacity, under the Series 2007 Resolution.

ARTICLE VI

POWERS OF AMENDMENT

SECTION 6.01 Powers of Amendment.

1. In addition to any other amendments permitted by the Series 2007 Resolution and as may be provided in a Bond Series Certificate, this Exhibit A may be amended or modified at any time or from time to time without the consent of any of the Owners of the Outstanding Series 2007 Bonds, but (a) with the consent of any applicable Liquidity Facility Provider and the Credit Facility Provider for the purpose of making changes in any provisions relating to the

terms, dates or other mechanical procedures relating to the setting of interest rates or changes in Interest Modes for Series 2007 Bonds, to the making of demands for payment of Purchase Price under such Liquidity Facility or the application of the proceeds thereof, or to the tender, purchase and remarketing of Series 2007 Bonds, other than any Series 2007 Bonds bearing interest at the Fixed Rate, so long as such changes shall not be inconsistent with the provisions of the Series 2007 Resolution; (b) with the consent of any applicable Liquidity Facility Provider for the purpose of making any changes herein necessary to reflect the replacement of the Credit Facility by a Substitute Credit Facility; or (c) with the consent of the Credit Facility Provider or the provider of any Substitute Credit Facility then in effect for the purpose of (i) making any changes herein necessary to reflect the replacement of any Liquidity Facility by a Substitute Liquidity Facility at any time or upon the end of the stated term of any Liquidity Facility or (ii) making any changes herein necessary to reflect the replacement of any Hedge Agreement at the end of the stated term of such Hedge Agreement. Each such amendment or modification shall become effective upon (i) the filing of a copy thereof with the Paying Agent, the Tender Agent, the Remarketing Agent, the Liquidity Facility Provider and the Credit Facility Provider together with an Opinion of Bond Counsel to the effect that such amendment or modification is authorized or permitted by the Series 2007 Resolution and will not adversely affect the exclusion from gross income for Federal income tax purposes of the interest on the Series 2007 Bonds and (ii) receipt by the County of a consent to such amendment or modification by the applicable Liquidity Facility Provider and the Credit Facility Provider, as appropriate. No such amendment or modification shall be effective with respect to any Series 2007 Bonds until the first Rate Adjustment Date for such Series 2007 Bonds following the filing thereof with the parties referred to in clause (i). No such amendment which is reasonably believed by either the Paying Agent or the Tender Agent to adversely affect its rights, immunities and duties under the Series 2007 Resolution shall be effective without the written consent thereto of the Paying Agent or the Tender Agent, as the case may be. No such amendment as to which a Remarketing Agent has notified the County in accordance with the Remarketing Agreement that it reasonably believes will adversely affect its rights, immunities and duties under the Remarketing Agreement shall be effective against such Remarketing Agent until thirty-one (31) days after the date of such amendment. Upon the adoption of any amendment or modification, the County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of the adoption of any amendment.

2. Notwithstanding any provision to the contrary herein, any provision of this Series 2007 Resolution expressly recognizing or granting rights in or to the Credit Facility Provider may not be amended in any manner which affects the rights of the Credit Facility Provider hereunder without the prior written consent of the Credit Facility Provider.

ARTICLE VII

MISCELLANEOUS

SECTION 7.01 Notices to the Rating Agencies. The County agrees to furnish written notice to each Rating Agency (to the extent each then has a credit rating outstanding on the Series 2007 Bonds at the request of the County) of the following: (i) obtaining or the

expiration or termination of, or a material amendment to, any Liquidity Facility or Remarketing Agreement, (ii) a call for redemption of any of the Series 2007 Bonds, (iii) the conversion of the interest rate on any Series 2007 Bonds to the Fixed Rate, (iv) any change in the Paying Agent, the Remarketing Agent or the Tender Agent, (v) any amendment or modification of this Exhibit A, (vi) any defeasance of any Series 2007 Bonds, (vii) any adjustment of Series 2007 Bonds from one Interest Mode to another Interest Mode, (viii) any extension, renewal, replacement or substitution of the Liquidity Facility, and (ix) any mandatory tender described in Section 2.06.1. Such notices shall be furnished to each such Rating Agency at the address specified by such Rating Agency in writing to the County.

SECTION 7.02 Defeasance.

1. In the case in which the Purchase Price of any Series 2007 Bonds is payable from a Liquidity Facility, such Series 2007 Bonds shall be deemed to have been paid within the meaning of and with the effect expressed in Article XVI of the Series 2007 Resolution only if (i) none of such Series 2007 Bonds is bearing interest at the Bank Rate; (ii) the interest due on such Series 2007 Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Maximum Rate; provided, however, that if on any date, as a result of any of such Series 2007 Bonds having borne interest at less than the Maximum Rate for any period, the total amount of cash and Escrow Securities on deposit with Paying Agent or other escrow agent for the payment of interest on such Series 2007 Bonds is in excess of the total amount which would have been required to be deposited with the Paying Agent or other escrow agent on such date in respect of such Series 2007 Bonds in order for such Series 2007 Bonds to have been deemed paid within the meaning and with the effect expressed in Article XVI of the Series 2007 Resolution, the Paying Agent or other escrow agent shall pay the amount of such excess to the County; (iii) in addition to satisfying the requirements of the Series 2007 Resolution, there shall have been deposited with the Paying Agent or other escrow agent cash in an amount which shall be sufficient to pay when due the maximum amount of principal of and interest on such Series 2007 Bonds which could become payable to the Owners of such Series 2007 Bonds upon the exercise of any options provided to the Owners of such Series 2007 Bonds and any amounts then due and owing to the Credit Facility Provider; and (iv) the County provides the Paying Agent or other escrow agent with written evidence from the Rating Agencies that the defeasance will not result in a reduction, withdrawal or suspension of the ratings then applicable to the Series 2007 Bonds being defeased. The Paying Agent or other escrow agent may not pay any excess referred to in this Section 7.02.1 to the County unless the Paying Agent or other escrow agent receives a certificate or other written evidence from a certified public accountant that an excess as described in this Section 7.02.1 exists and specifying the amount of such excess.

In addition to the other requirements set forth in this Section 7.02, no Series 2007 Bonds other than Series 2007 Bonds in a Dutch Auction Mode or a Fixed Mode, shall be deemed to have been paid within the meaning of the Series 2007 Resolution unless the County shall have received an Opinion of Counsel (which Opinion of Counsel shall be acceptable to S&P) of recognized expertise in matters relating to Federal bankruptcy laws to the effect that any deposit of monies or Investment Securities described in Section 1201 and the payment of the Series

2007 Bonds on a redemption date or at maturity from such monies or Investment Securities will not constitute avoidable preferences under the Federal bankruptcy laws as then in effect in a case commenced by or against the County in which the County is the debtor.

Ladies and Gentlemen:

Citigroup Global Markets (the "Senior Manager"), acting on behalf of itself and Loop Capital markets, Jackson Securities, Bear Stearns & Co., Inc. and J.P. Beal & Company, Estrada Hinojosa & company, Apex Pryor Securities, Butler Wick & Com., Inc., Siebert Brandford & Shank, Ramirez & company and RBC Capital Markets (the "Co-Managers", collectively with the Senior Manager and the Co-Senior Managers, the "Underwriters") offers to enter into this Bond Purchase Agreement (the "Bond Purchase Agreement") with Miami-Dade County, Florida (the "County"), which, upon acceptance of this offer by the County, will be binding upon the County and the Underwriters. This offer is made subject to acceptance by the County by execution of this Bond Purchase Agreement and, if not so accepted, will be subject to withdrawal by the Underwriters upon written notice by the Senior Manager to the County at any time prior to its acceptance by the County.

The Senior Manager represents that it is authorized on behalf of itself and the other Underwriters to enter into this Bond Purchase Agreement and to take any other actions which may be required on behalf of the other Underwriters.

All capitalized terms not otherwise defined in this Bond Purchase Agreement shall have the same meanings as set forth in the Ordinance, the Series 200x Resolution or the Official Statement, as each are defined in this Bond Purchase Agreement.

1. Purchase and Sale of Bonds.

(a) Subject to the terms and conditions and in reliance upon the representations, warranties and covenants set forth in this Bond Purchase Agreement, the Underwriters, jointly and severally, agree to purchase from the County, and the County agrees to sell to the Underwriters on the Closing Date (as defined in this Bond Purchase Agreement), all but not less than all of the \$000,000,000 principal amount of Miami-Dade County, Florida, XXX

EXHIBIT "D"

(b) XXXXX (the "Series 200x Bonds"), at the purchase price of \$xxxxx (representing the principal amount of the Series 200x Bonds of \$XXXXX000, plus net original issue premium of \$xxxxx, and

(c) less Underwriters' discount of \$xxxxxx). The Bonds shall be dated the date of delivery. The Series 200x Bonds shall bear interest at the rates, be sold to the public at the prices and mature on the dates all as set forth on attached Schedule I to this Bond Purchase Agreement. The Bonds shall be more fully described in the Preliminary Official Statement, dated Month, 200x, relating to the Bonds (the "Preliminary Official Statement"), the form of which has been marked to show the terms of the transaction as of this date and attached as Exhibit A to this Bond Purchase Agreement. Such Preliminary Official Statement as amended to delete preliminary language and reflect the final terms of the Bonds, and as amended and supplemented prior to the Closing with such changes as shall be approved by the Finance Director and the Underwriters, is herein referred to as the "Official Statement."

The Underwriters agree to make a bona fide public offering of the Bonds, solely pursuant to the Official Statement, at the initial offering prices set forth in the Official Statement, with respect to the Series 200x Bonds. Notwithstanding the foregoing, the Underwriters reserve the right to change such initial offering prices of the Series 200x Bonds after the initial public offering as the Senior Manager shall deem necessary in connection with the marketing of the Series 200x Bonds and to offer and sell the Series 200x Bonds to certain dealers (including dealers depositing the Series 200x Bonds into investment trusts) at concessions to be determined by the Senior Manager. The Underwriters also reserve the right to over allot or effect transactions that stabilize or maintain the market prices of the Series 200x Bonds at levels above that which might otherwise prevail in the open market and to discontinue such stabilizing, if commenced, at any time.

(d) The Bonds shall be issued pursuant to Ordinance No. enacted by the Board of County Commissioners of Miami-Dade County, Florida (the "Board") on [date], 200x (the "Ordinance"), as supplemented by Resolution No. R- -0x adopted by the Board on [date], 200x (the "Series 200x Resolution"). The Bonds shall be substantially in the forms described in the Series 200x Resolution, and shall be issued pursuant to the Constitution and Statutes of the State of Florida, including Chapters 125 and 166, Florida Statutes, the Home Rule Amendment and Charter of Miami-Dade County, Florida, as amended (the "Charter"), the Code of Miami-Dade County, Florida, as amended (the "County Code") and other applicable provisions of law (collectively, the "Act"). The Underwriters have delivered to the County a disclosure letter containing the information required by Section 218.385, Florida Statutes, which letter is attached as Schedule II.

(e) The Bonds are being issued for the purpose of providing funds, together with other available funds of the County to (1) finance the acquisition, construction and equipping of a [description of project], as more fully described in the Ordinance (the "Project"); (ii) provide for the funding of the Reserve Fund and (iii) pay costs of issuance of the Bonds, [including premiums in respect of any Credit Facility].

(f) The County authorizes the Underwriters to use and distribute copies of the Official Statement and copies of the Series 200x Resolution in connection with the public offering and sale of the Bonds.

(g) The County consents to and ratifies the use by the Underwriters of the Preliminary Official Statement for the purposes of marketing the Bonds in connection with the original public offer, sale and distribution of the Bonds by the Underwriters. As of its date, the Preliminary Official Statement was "deemed final" (except for permitted omissions) by the County for purposes of Rule 15c2-12(b)(1) promulgated under the Securities Exchange Act of 1934, as amended (the "Rule").

(h) The County shall deliver, or cause to be delivered, to the Underwriters copies of the final Official Statement (dated the date of this Bond Purchase Agreement) relating to the Bonds, and shall cause copies of the Official Statement, in sufficient quantity for the Underwriters to comply with Rule G-32 of the Municipal Securities Rulemaking Board and the Rule to be available to the Underwriters within seven (7) business days of the execution of this Bond Purchase Agreement (but in no event later than the Closing Date) and in sufficient time to accompany any confirmation that requests payment from any customer of the Underwriters. Delivery of such copies of the Official Statement as provided above shall constitute the County's representation that such Official Statement is complete as of the date of its delivery. The County agrees to deliver to the Underwriters such reasonable quantities of the Preliminary Official Statement and Official Statement and such reasonable quantities of the Series 200x Resolution as the Underwriters may request for use in connection with the offering and sale of the Bonds. On or before the Closing Date, the Senior Manager shall file, or cause to be filed, the Official Statement with all nationally recognized municipal securities information repositories and the Municipal Securities Rulemaking Board.

2. Events Requiring Disclosure. If, after the date of this Bond Purchase Agreement and during the Disclosure Period (as defined in Section 5(x)(i)), any event shall occur which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the County shall notify the Underwriters thereof, and, if in the opinion of Disclosure Counsel, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the County will at its own expense forthwith prepare and furnish to the Underwriters a sufficient number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriters) which will supplement or amend the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances existing at such time, not misleading.

3. Good Faith Deposit. In connection with the execution of this Bond Purchase Agreement, the Senior Manager, on behalf of the Underwriters, has delivered to the County a wire transfer credited to the order of the County in immediately available federal funds in the aggregate amount equal to two percent of the par value of the Series 200x Bonds (\$), which is being delivered to the County on account of the purchase price of the Series 200x Bonds and as security for the performance by the Underwriters of their obligation to accept and to pay for the Series 200x Bonds ("Good Faith Deposit"). If the County does not accept this offer, the Good Faith Deposit shall be immediately returned to the Senior Manager by wire transfer credited to the order of the Senior Manager, the amount of the Good Faith Deposit, plus the cost of federal funds to the Senior Manager for the Series 200x Deposit, as calculated below. In the event the Closing takes place, the amount of the Good Faith Deposit shall be credited

against the purchase price of the Series 200x Bonds pursuant to Section 4. In the event of the County's failure to deliver the Bonds at the Closing, or if the County shall be unable at or prior to the Closing to satisfy the conditions to the obligations of the Underwriters contained in this Bond Purchase Agreement (unless such conditions are waived by the Senior Manager), or if the obligations of the Underwriters shall be terminated for any reason permitted by this Bond Purchase Agreement, the County shall immediately wire to the Senior Manager in federal funds the sum of the Good Faith Deposit plus an amount equal to the federal funds rate on the Good Faith Deposit from the date of this Bond Purchase Agreement to the date of such wire, and such wire shall constitute a full release and discharge of all claims by the Underwriters against the County arising out of the transactions contemplated by this Bond Purchase Agreement. In the event that the Underwriters fail other than for a reason permitted under this Bond Purchase Agreement to accept and pay for the Bonds upon their tender by the County at the Closing, the amount of the Good Faith Deposit shall be retained by the County and such retention shall represent full liquidated damages and not a penalty, for such failure and for any and all defaults on the part of the Underwriters and the retention of such funds shall constitute a full release and discharge of all claims, rights and damages for such failure and for any and all such defaults. It is understood by both the County and the Underwriters that actual damages in the circumstances as described in the preceding sentence may be difficult or impossible to compute; therefore, the funds represented by the Good Faith Deposit are a reasonable estimate of the liquidated damages in this type of situation.

4. Closing. The Closing will occur before 1:00 p.m., Eastern Standard Time, on (Date), 200x or at such other time or on such earlier or later date as shall have been mutually agreed upon by the County and the Senior Manager. Prior to the Closing, the County shall deliver the Bonds in definitive form to the Underwriters, through the facilities of The Depository Trust Company utilizing the DTC Fast system of registration, bearing CUSIP numbers and duly executed and authenticated. The County has provided DTC with its blanket issuer letter of representations. The Senior Manager, on behalf of the Underwriters, will accept such delivery and pay the purchase price of the Bonds less the amount of the Good Faith Deposit by delivering to the County a wire transfer credited to the order of the County in immediately available federal funds; provided, however, that the portion of the purchase price representing the premium for the municipal bond insurance policy and the Reserve Facility may be paid by the Senior Manager, on behalf of the County, directly to [name of insurer] (the "Bond Insurer") in immediately available funds. Payment for and delivery of the Bonds shall be made at such place as shall be agreed upon between the County and the Senior Manager. Such payment and delivery is called the "Closing" and the date of the Closing is called the "Closing Date."

5. Representations, Warranties, and Covenants of the County. The County, by its acceptance of this Bond Purchase Agreement, represents, warrants and covenants to each of the Underwriters as of the date of this Bond Purchase Agreement that:

(k) Any information shall have become known or an event shall have occurred which, in the Senior Manager's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Official Statement, as that information has been supplemented or amended, or causes the Official Statement, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact required or necessary to be stated in the Official Statement in order to make the statements made in the Official Statement, in light of the circumstances under which they were made, not misleading and upon the receipt of notice of same by the County, (i) the County fails to promptly amend or supplement the Official Statement in a manner which is reasonably acceptable in form and content to the Senior Manager or (ii) the County agrees to the proposed amendment, and such disclosed information or event in the reasonable opinion of the Senior Manager (upon due inquiry by the Senior Manager and the County's Financial Advisor as to the effect such information or event has on the market price of the Bonds or their sale at the prices stated in this Bond Purchase Agreement) materially adversely affects the market price for the Bonds or their sale, at the prices stated in this Bond Purchase Agreement, and the County's Financial Advisor concurs in such conclusion; or

(l) There shall have occurred an outbreak or escalation of hostilities, declaration by the United States of a national emergency or war or other calamity or crisis which, in the reasonable opinion of the Senior Manager, would have a material adverse affect on the market price of the Bonds or their sale at the prices stated in this Bond Purchase Agreement; or

(m) Trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such Exchange.

The debt or obligation created by the Series 200x Bonds is expected to be repaid over a period of years. At a true interest cost (TIC) of %, the total interest paid over the life of the debt or obligation on the Series 200x Bonds will be \$. The source of repayment or security for this proposal to issue the Bonds is exclusively limited to Pledged Revenues as defined in the Series 200x Resolution described in Section 1(b) of this Bond Purchase Agreement. Because (a) such Pledged Revenues may not be used by the County for any purpose other than county or court-related purposes, (b) the taxing power of the County is not pledged or involved in the Bonds, (c) the Bonds and the interest on the Bonds do not constitute a debt of the County within the meaning of any constitutional or statutory provision, and (d) since the faith and credit of the County are not pledged to the payment of the principal of or the interest on the Bonds, authorizing this debt or obligation will result in no diminution of any moneys being available to the County to finance other non-court services of the County each year for the 39.01095 year period for the Bonds.

We are of the opinion that:

- (a) The County is a political subdivision of the State of Florida, duly organized and validly existing under the Constitution and laws of the State of Florida;
- (b) The Ordinance is a valid ordinance of the County, and the Series 200x Resolution is a valid resolution of the County duly enacted or adopted, as the case may be, by the Board of County Commissioners of Miami-Dade County, Florida (the "Board") at meetings, duly noticed, called and held in accordance with the Constitution and laws of the State of Florida;
- (c) The Bonds and the Bond Purchase Agreement have been duly authorized, executed and delivered by the County and assuming valid authorization, execution and delivery by the other parties to such agreements constitute valid and legally binding limited obligations of the County. No representation is made concerning compliance with the federal securities laws or the securities or blue sky laws of the various states;
- (d) No litigation or other proceedings are pending or, to our knowledge, threatened in any court or other tribunal, state or federal, against the County (i) restraining or enjoining, or seeking to restrain or enjoin, the issuance, sale, execution or delivery of any of the Bonds or collection of revenues pledged under the Ordinance and Series 200x Resolution, or (ii) in any way questioning or affecting the validity or enforceability of any provision of the Bonds, the Ordinance the Series 200x Resolution or the Bond Purchase Agreement or the transactions contemplated by such instruments, or (iii) in any way questioning or affecting the validity of any of the proceedings or authority for authorization, sale, execution or delivery of the Bonds, or of any provision, program, or transactions made or authorized for their payment, (iv) questioning or affecting the organization of the County or title of its officers to their respective offices, except as described in the Official Statement, (v) the adverse determination of which would materially adversely affect (a) the financial condition of the County, (b) the ability of the County to perform its obligations under the Ordinance and the Series 200x Resolution, or (c) the security for the Bonds.
- (e) The enactment by the Board of the Ordinance and the adoption and performance by the County of the Series 200x Resolution and the authorization, execution, delivery and

performance of the Bond Purchase Agreement and the Bonds and any other agreement or instrument to which the County is a party, used or contemplated by the Bond Purchase Agreement, the Series 200x Resolution, or by the Official Statement, and compliance with the provisions of each such instrument do not and will not conflict with, or violate the Constitution of the State of Florida, Code of Miami-Dade County, Florida, as amended, the Home Rule Amendment and Charter of Miami-Dade County, Florida, as amended, or any existing state law, administrative regulation, rule, decree or order, or to the best of my knowledge, constitute or result in a breach of or default under a material provision of any agreement or instrument to which the County or its properties or any of the officers of the County are subject or result in the creation or imposition of any prohibited lien, charge, or encumbrance, of any nature whatsoever upon any of the terms of the Constitution of the State of Florida, any law or, to the best of my knowledge, any instrument or agreement;

(f) The statements contained in the Official Statement under the captions "LITIGATION" and "DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS" insofar as the statements under such heading purport to summarize certain legal matters relating to the County, fairly and accurately present the information purported to be summarized under such captions;

(g) The Board has duly approved the use and distribution of the Official Statement at the meeting at which the Series 200x Resolution was adopted and has duly authorized such changes, insertions and omissions as may be approved by an authorized official of the County.

The opinions expressed in this letter are generally qualified as follows:

(a) All opinions relating to enforceability with respect to the County are subject to and limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws, in each case relating to or affecting the enforcement of creditors' rights, generally, and equitable principles that may affect remedies or injunctive or other equitable relief.

(b) All opinions are predicated upon present laws, facts and circumstances, and we assume no affirmative obligation to update the opinions if such laws, facts or circumstances change after the date of this opinion.

(c) We do not express any opinion concerning any law other than the law of the State of Florida and the laws of the United States. No opinion is expressed as to the requirements of any federal laws which may govern the issuance, offering and sale of the Bonds, except as specifically set forth herein, or which may govern the exclusion from income for federal income tax purposes of the interest on the Bonds.

(d) The opinions expressed in this letter are for the sole benefit of the parties named above and no other individual or entity may rely upon them without our prior approval or acknowledgement.

As long as DTC or its nominee is the registered owner of the Series 2007 Bonds, the principal and interest payments will be made to DTC or its nominee, which will in turn remit such principal and interest payments to DTC's Participants (as defined below under "Book-Entry Only System") for subsequent disbursement to the purchasers of the Series 2007 Bonds (the "Beneficial Owners"). See "Book-Entry Only System" below.

Description of the Series 2007A-B Bonds

The Series 2007A-B Bonds will be issued in registered form in denominations of \$5,000 or any integral multiple of \$5,000 under the book-entry only system described under the "Book-Entry Only System" described below and will bear interest at the rates and will mature on the dates and in the principal amounts set forth on the inside cover pages of this Official Statement. Interest on the Series 2007A-B Bonds will be payable semi-annually on April 1 and October 1 of each year, commencing October 1, 2007. Principal of the Series 2007A-B Bonds will be payable at the designated office of [____], as Paying Agent and Registrar for the Series 2007A-B Bonds. Interest on the Series 2007A-B Bonds shall be payable by check or draft drawn upon the Paying Agent and mailed to the registered owners; provided, however, that (i) as long as the Series 2007A-B Bonds are maintained in a book-entry only system by a securities depository, such payment shall be made by wire transfer, and (ii) if the Series 2007A-B Bonds are not maintained in a book-entry only system, at the written request of the registered owner of \$1,000,000 or more in principal amount of Series 2007A-B Bonds, such interest will be payable by wire transfer to the bank account number in the continental United States that is designated by such registered owner. The Series 2007A-B Bonds are subject to redemption prior to maturity under the terms and conditions as more fully described in this Official Statement.

Description of the Series 2007C Bonds

The following is a summary of certain provisions of the Series 2007C Bonds. This summary of the Series 2007C Bonds is not intended to be an exhaustive discussion of the Series 2007C Bonds and the Dutch Auction Procedures. Investors are advised that the Series 2007 Resolution, and in particular Exhibit A to the Series 2007 Resolution, should be reviewed for the complete terms of the Series 2007C Bonds. See "APPENDIX B – BOND ORDINANCE. Additionally, "APPENDIX G – DUTCH AUCTION PROCEDURES" provides a more detailed description of the Dutch Auction Procedures.

This summary of the Series 2007C Bonds applies to the Series 2007C Bonds only while they bear interest at Dutch Auction Rates. Holders and potential owners of the Series 2007C Bonds should

not rely on this Official Statement for information concerning a change of the Series 2007C Bonds to any Interest Mode other than the Dutch Auction Mode, but should look solely to the Bond Documents and the remarketing document to be issued in connection with any such Interest Mode change.

The Series 2007C Bonds will initially be issued as Auction Rate Bonds. The Series 2007C Bonds will bear interest for an initial interest rate period commencing on the date of delivery to and including the initial Auction Date (the "Initial Interest Rate Period") at the rate set forth on the inside cover pages of this Official Statement. After such Initial Interest Rate Period, the rate on the Series 2007C Bonds for each succeeding Auction Period, subject to certain exceptions described below and in APPENDIX G, shall be equal to the Dutch Auction Rate that the Auction Agent advises has resulted on the Auction Date from the implementation of the Dutch Auction Procedures; provided, however, that such rate shall not exceed the Maximum Auction Rate. [The first Auction Date shall occur on _____] and each subsequent Auction Date will be the Business Day next preceding the first day of each Auction Period], other than (i) each Auction Period commencing after the ownership of such Auction Rate Bonds are no longer maintained in book-entry only form by a securities depository, (ii) each Auction period commencing after the occurrence and during the continuance of an event of default under the Series 2007 Resolution, or (iii) any Auction Period commencing less than two Business Days after the cure or waiver of an event of default under the Series 2007 Resolution.

Reference is made to APPENDIX G for a description of the Dutch Auction Procedures, the particulars of the determination of the Dutch Auction Rates, and the meanings of additional defined terms used herein.

"Auction Period" means (i) with respect to Series 2007C Bonds in a seven-day mode, any of (A) a period, generally of seven days, beginning on and including a Monday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Sunday) and ending on and including the Sunday thereafter (unless such Sunday is not followed by a Business Day, in which case ending on and including the next succeeding day which is followed by a Business Day), (B) a period, generally of seven days, beginning on and including a Tuesday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Monday) and ending on and including the Monday thereafter (unless such Monday is not followed by a Business Day, in which case ending on and including the next succeeding day which is followed by a Business Day), (C) a period, generally of seven days, beginning on and including a Wednesday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Tuesday) and ending on and including the Tuesday thereafter (unless such Tuesday is not followed by a Business Day, in which case ending on and including the next succeeding day which is followed by a Business Day), (D) a period, generally of seven days, beginning on and including a Thursday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Wednesday) and ending on and including the Wednesday thereafter (unless such Wednesday is not followed by a Business Day, in which case ending on and including the next succeeding day which is followed by a Business Day) or (E) a period, generally of seven days, beginning on and including a Friday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Thursday) and ending on and including the Thursday thereafter (unless such Thursday is not followed by a Business Day, in which case ending on and including the next succeeding day which is followed by a Business Day), and (ii) with respect to Series 2007C Bonds in a 35-day mode, any of (A) a period, generally of 35 days, beginning on and including a Monday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Sunday) and ending on and including the fifth Sunday thereafter (unless such Sunday is not followed by a Business Day, in which case ending on and including the next succeeding day which is followed by a Business Day), (B) a period, generally of 35 days, beginning on and including a Tuesday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Monday) and ending on and including the fifth Monday thereafter (unless such Monday is not followed by a Business Day, in which case ending on and including the next succeeding day followed by a Business Day), (C) a period, generally of 35 days, beginning on and including a Wednesday (or the day

following the last day of the prior Auction Period if the prior Auction Period does not end on a Tuesday) and ending on and including the fifth Tuesday thereafter (unless such Tuesday is not followed by a Business Day, in which case ending on and including the next succeeding day followed by a Business Day), (D) a period, generally of 35 days, beginning on and including a Thursday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Wednesday) and ending on and including the fifth Wednesday thereafter (unless such Wednesday is not followed by a Business Day, in which case ending on and including the next succeeding day followed by a Business Day) or (E) a period, generally of 35 days, beginning on and including a Friday (or the day following the last day of the prior Auction Period if the prior Auction Period does not end on a Thursday) and ending on and including the fifth Thursday thereafter (unless such Thursday is not followed by a Business Day, in which case ending on and including the next succeeding day which is followed by a Business Day); provided, however, that the initial Auction Period with respect to the Series 2007C Bonds shall begin on and include the Closing Date, and that in the event of a Conversion of the Series 2007C Bonds from another Interest Mode to the Dutch Auction Mode the initial Auction Period following such Conversion shall begin on and include the Conversion Date.

The Series 2007C Bonds will be issued in denominations of \$25,000 or any integral multiple of \$25,000. Interest due on the Series 2007C Bonds will be initially payable on [] and each Business Day immediately succeeding the last day of the Auction Period. So long as the Auction Period is ninety-one days or less, the Interest Payment Date for the Series 2007C Bonds will continue to be the Business Day immediately succeeding the last day of the Auction Period. For an Auction Period of more than ninety-one days, the Interest Payment Date for the Series 2007C Bonds will be each thirteenth Monday (or if such day is not a Business Day the next succeeding Business Day) after the first day of such Auction Period and the Business Day immediately succeeding the last day of such Auction Period. See "APPENDIX B – THE BOND ORDINANCE."

"Dutch Auction Rate" means the rate of interest to be borne by the Series 2007C Bonds during each Dutch Auction Rate Period and determined in accordance with Dutch Auction Rate Procedures as described in APPENDIX G; provided, however, that, such interest rate shall not exceed the Maximum Auction Rate. Determination of the Dutch Auction Rate pursuant to the Dutch Auction Procedures shall be suspended upon the occurrence of an Event of Default, which is not cured by the Credit Facility Provider. Upon the occurrence of an Event of Default consisting of the failure to pay to pay principal or redemption price of, or interest on the Series 2007C Bonds after such payment is due and payable, which is not cured by the Credit Facility Provider, no Auction will be held, all Submitted Bids and Submitted Sell Orders shall be rejected, the existence of Sufficient Clearing Bids shall be of no effect and the Dutch Auction Rate as determined on and as of the immediately preceding Auction Date for each Auction Period, if any, during which or commencing less than two Business Days after the earlier of (i) the date that such Event of Default has been cured or waived or (ii) the first on which all of the following conditions shall have been satisfied: (A) no default shall have occurred and be continuing under the Credit Facility (the satisfaction of such condition to be conclusively evidenced, absent manifest error, to each of the Paying Agent and the Auction Agent by a certificate of a duly authorized officer of the Credit Facility Provider to such effect delivered to such entity); (B) there shall have been delivered to the Auction Agent (1) such instruments and agreements as shall be satisfactory in form and substance to the Auction Agent, making provision for the payment of all fees of the Broker-Dealers, as provided in the Broker-Dealer Agreement, and the Auction Agent, but at no time will the Credit Facility Provider pay any fees, including Auction Agent or Broker-Dealer fees, and (2) a direction from the Credit Facility Provider not to suspend, or to resume, the implementation of the Dutch Auction Procedures, as the case may be; and (C) the Auction Agent shall have advised the Paying Agent that the Auction Agent has been directed by the Credit Facility Provider either not to suspend or to resume the implementation of the Dutch Auction Procedures. See "APPENDIX B – BOND ORDINANCE."

Auction Agent. [] shall act as Auction Agent (the "Auction Agent") for the Series 2007C Bonds. The County shall enter into the Auction Agent Agreement with the Auction Agent,

pursuant to which, among other things, the Auction Agent will determine the Dutch Auction Rate for each Auction in accordance with the Dutch Auction Procedures.

Broker-Dealer. Citigroup Global Markets Inc. shall act as Broker-Dealer (the "Broker-Dealer") with respect to the Series 2007C Bonds on the date of their delivery. The County shall enter into the Broker-Dealer Agreement with the Broker-Dealer and the Auction Agent. The Broker-Dealer may be removed or replaced by the County in accordance with the Bond Ordinance and the Broker-Dealer Agreement.

Order by Existing Owners and Potential Owners. The procedure for submitting orders prior to the Submission Deadline on each Auction Date during an Auction Period is described in "APPENDIX G – DUTCH AUCTION PROCEDURES."

Change of Auction Period by the County. While the 2007C Bonds are bearing interest in the Dutch Auction Rate Mode, the County may change the length of the Auction Period by means of a written notice delivered at least twenty days, but not more than sixty days, prior to the Auction Date for such Auction Period to the Paying Agent, the Broker-Dealer, the Credit Facility Provider, the Auction Agent and DTC. If such Auction Period will be less than thirty-five days, such notice shall be effective only if it is accompanied by a written statement of the Paying Agent, the Auction Agent and DTC to the effect that they are capable of performing their duties under the Auction Rate Procedures and under the Auction Agent Agreement with respect to such Auction Period. Unless the Series 2007C Bonds are in the Auction Period that commenced on the date of delivery of the Series 2007C Bonds, the length of the Auction Period may not be changed unless Sufficient Clearing Bids exist at the Auction immediately preceding such changed Auction Period. The change in length of the Auction Period shall take effect only if (i) the Paying Agent and Auction Agent receive by 11:00 a.m. (New York City time) on the Business Day immediately preceding the Auction Date for such Auction Period, a certificate from the County, by telecopy or similar means, authorizing the change of the Auction Period, and (ii) Sufficient Clearing Bids exist at the Auction on the Auction Date for such Auction Period. If the condition set forth in clause (i) is not satisfied, the Dutch Auction Rate for the next succeeding Auction Period shall be determined pursuant to Dutch Auction Procedures and the next succeeding Auction Period will be the then current Auction Period. If the condition referred to in clause (ii) is not satisfied, the Dutch Auction rate for the next succeeding Auction Period will equal the Maximum Dutch Auction Rate as determined as the Auction Date for the then current Auction Period.

Special Considerations Relating to the Series 2007C Bonds Bearing Interest at Dutch Auction Rate. The Auction Agent Agreement provides that the Auction Agent may resign from its duties as Auction Agent by giving at least [] days notice to the County, the Registrar and Paying Agent and the Broker-Dealer. The Broker-Dealer Agreement provides that the Broker-Dealer under such Broker-Dealer Agreement may resign upon at least [] days notice and does not require, as a condition to the effectiveness of such resignation, that a replacement Broker-Dealer be in place. For any Dutch Auction Rate Period during which there is no duly appointed Auction Agent, or during which there is no duly appointed Broker-Dealer, it will not be possible to hold Auctions, with the result that the interest rate on the Series 2007C Bonds will be the [] Rate. The Broker-Dealer Agreement will provide that the Broker-Dealer may submit an Order in Auctions for its own account. If a Broker-Dealer submits an Order for its own account in any Auction, it might have an advantage over the other Bidders in that it would have knowledge of orders placed through it in that Auction. In the Broker-Dealer Agreement, the Broker-Dealer will agree to handle customer orders in accordance with its duties under applicable securities laws and regulations. The Broker-Dealer has advised the County that it intends to initially make a market in the Series 2007C Bonds between Auctions; however, the Broker-Dealer is not obligated to make such a market, or to continue to such a market, and no assurance can be given that secondary markets for the Series 2007C Bonds will develop.

On May 31, 2006, the U.S. Securities and Exchange Commission (the "SEC") announced that it had settled its investigation of fifteen firms, including Citigroup Global Markets Inc., that participate in the auction rate securities market regarding their respective practices and procedures in this market. The SEC alleged in the settlement that the firms had managed auctions for auction rate securities in which they participated in ways that were not adequately disclosed or that did not conform to disclosed auction procedures. As part of the settlement, the Broker-Dealer agreed to pay a civil penalty. In addition, the Broker-Dealer, without admitting or denying the SEC's allegations, agreed to provide to customers written descriptions of its material auction practices and procedures, and to implement procedures reasonably designed to detect and prevent any failures by the Broker-Dealer to conduct the auction process in accordance with disclosed procedures. The Broker-Dealer can offer no assurance as to how the SEC settlement may affect the market for the Series 2007C Bonds.

Conversion to Another Interest Mode

Subject to certain conditions, the method for determining the interest rate on the Series 2007C Bonds may be converted by the County, from time to time, to a Daily Rate, Weekly Rate, a Flexible Rate or Fixed Rate. See "APPENDIX B—THE BOND ORDINANCE." At the option of the County, and subject to certain conditions set forth in the Bond Ordinance, the County may convert the Series 2007C Bonds from Auction Rate Mode to another Interest Mode. The County shall give written notice of such conversion (the "Mode Conversion Notice") to the Registrar, the Remarketing Agent, the Broker-Dealer, the Tender Agent, and the Liquidity Facility Provider, if any, at least ten days prior to the date that the Registrar is required to mail to Owners of the Series 2007C Bonds a Mandatory Tender Notice relating such Interest Mode conversion. The Mode Conversion Notice shall state: (i) the current Interest Mode of the Series 2007C Bonds, (ii) the date of the Conversion Date, which shall be the last Interest Payment Date in respect of the Auction Period and shall be at least fifteen days after the date on which the Mode Conversion Notice is given to Owners of the Series 2007C Bonds, and (iii) the type of Interest Mode that will be effective for such Series 2007C Bonds on such Conversion Date.

It is currently anticipated that, should any of the Series 2007C Bonds be converted to bear interest in a Daily Mode, Weekly Mode, Flexible Mode or Fixed Mode, a remarketing memorandum or remarketing circular will be distributed describing the Series 2007C Bonds during such Interest Mode.

Notice of Redemption of the Series 2007A-B Bonds. In the event that any Series 2007A-B Bonds are called for redemption, the Registrar and Paying Agent will give notice in the name of the County, of the redemption of such Series 2007A-B Bonds, which notice shall state the date fixed for redemption, the name and address of the Registrar and Paying Agent, the redemption price to be paid, if less than all of the Series 2007A-B Bonds then Outstanding have been called for redemption, (i) specify the CUSIP numbers or certificate numbers of the Series 2007A-B Bonds to be redeemed and (ii) state that, on or after the redemption date, upon surrender of such Series 2007A-B Bonds, a new Bond or Bonds in a principal amount equal to the unredeemed portion of such Bond will be issued.

Notice of redemption will be given by the Registrar and Paying Agent in the name of the County by mailing a copy of the redemption notice to Cede & Co., as nominee of DTC, as registered owner of the Series 2007A-B Bonds and to one or more national information services that disseminate notices of redemption of bonds. If DTC is no longer the registered owner of the Series 2007A-B Bonds, notice of redemption will be given by the Registrar and Paying Agent to the then registered owners of the Series 2007A-B Bonds not less than thirty (30) days prior to the date fixed for redemption, by first class mail at their addresses appearing on the bond registration books of the County maintained by the Registrar and Paying Agent.

Failure to mail any such notice (or any defect in the notice) to one or more registered owners of the Series 2007A-B Bonds will not affect the validity of any proceedings for such redemption with respect to the registered owners of the Series 2007A-B Bonds to which notice was duly given.

Notice of Redemption of the Series 2007C Bonds. If any Series 2007C Bonds are called for redemption, the Registrar will give notice in the name of the County, of the redemption of such Series 2007C Bonds, which notice shall specify the redemption date, the places or places where amounts due upon such redemption will be payable, and, if less than all of the Series 2007C Bonds are to be redeemed, the notice shall also (i) state the letters and numbers or other distinguishing marks of the Series 2007C Bonds to be redeemed and (ii) specify the respective portions of the principal amount to be redeemed. The notice shall also state on the redemption date the Series 2007C Bonds to be redeemed will become due and payable and interest shall cease to accrue and be payable.

Failure of the registered owners of the Series 2007C Bonds to receive any such notice shall not affect the validity of the proceedings for the redemption of the Series 2007C Bonds as to which proper mailing was made. Any notice mailed as provided in Exhibit A to the Series 2007 Resolution will be conclusively presumed to have been duly given, whether or not the registered owner actually receives the notice.

Effect of Calling for Redemption. On the date designated for redemption of any Series 2007 Bonds, notice having been mailed as provided in the Series 2007 Resolution and moneys for payment of the redemption price being held by the Paying Agent in trust for the holders of the Series 2007 Bonds to be redeemed, the Series 2007 Bonds so called for redemption will become and be due and payable at the redemption price provided for redemption of such Series 2007 Bonds on such date, interest on the Series 2007 Bonds so called for redemption will cease to accrue, such Series 2007 Bonds will not be deemed Outstanding for purposes of the Bond Ordinance and will cease to be entitled to any lien, benefit or security under the Bond Ordinance, and the registered owners of such Series 2007 Bonds will have no rights in respect of such Series 2007 Bonds except to receive payment of the redemption price of the Series 2007 Bonds.

The Series 2007C Bonds shall be subject to mandatory tender and purchase on the effective date of any conversion from one Interest Mode to another Interest Mode. Each Owner will be entitled to receive the proceeds of such tender by delivering such Series 2007C Bonds (with appropriate transfer of registration form executed in blank) to the Tender Agent. There is no right of purchase on demand of an owner with respect to the Series 2007C Bonds.

Book-Entry Only System

The following description of the procedures and record keeping with respect to beneficial ownership interests in the Series 2007 Bonds, payment of interest and principal on the Series 2007 Bonds to Participants or Beneficial Owners of the Series 2007 Bonds, confirmation and transfer of beneficial ownership interest in the Series 2007 Bonds and other related transactions by and between DTC, the Participants and the Beneficial Owners of the Series 2007 Bonds is based solely on information furnished by DTC on its website for inclusion in this Official Statement. Accordingly, the County cannot make any representations concerning these matters.

DTC will act as securities depository for the Series 2007 Bonds. The Series 2007 Bonds will be issued as fully-registered securities registered in the name of Cede & Co., (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity of the Series 2007 Bonds, each in the aggregate principal amount of such maturity, as set forth on the inside cover pages of this Official Statement, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, FICC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Direct and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2007 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2007 Bonds on DTC's records. The ownership interest of each Beneficial Owner is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2007 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive bond certificates representing their ownership interests in the Series 2007 Bonds, except in the event that use of the book-entry system for the Series 2007 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2007 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2007 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2007 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2007 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2007 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2007 Bonds, such as redemptions, defaults, and proposed amendments to the Bond Ordinance. For example, Beneficial Owners of Series 2007 Bonds may wish to ascertain that the nominee holding the Series 2007 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the

alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent by the Registrar to DTC. If less than all of the Series 2007 Bonds within a particular maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2007 Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2007 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption premium, if any, and interest payments on the Series 2007 Bonds will be made to Cede & Co., or to such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants or Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, nor its nominee, the Paying Agent, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption price and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2007 Bonds at any time by giving reasonable notice to the County or the Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, bond certificates representing the Series 2007 Bonds are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates representing the Series 2007 Bonds will be printed and delivered.

NEITHER THE COUNTY, THE REGISTRAR NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT OR INDIRECT PARTICIPANT OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2007 BONDS IN RESPECT OF THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT, THE PAYMENT BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT OF ANY AMOUNT IN RESPECT OF THE PRINCIPAL OR INTEREST ON THE SERIES 2007 BONDS, ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS UNDER THE BOND ORDINANCE OR ANY CONSENT GIVEN OR ACTION TAKEN BY DTC AS BONDHOLDER. SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF SUCH BONDS, AS NOMINEE OF DTC, THE BENEFICIAL OWNERS WILL NOT RECEIVE PHYSICAL CERTIFICATES REPRESENTING THEIR INTERESTS IN THE BONDS, AND REFERENCES HEREIN TO BONDHOLDERS OR REGISTERED HOLDERS OF SUCH BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF SUCH BONDS.

Registration, Transfer and Exchange

If the book-entry only system is discontinued, the Beneficial Owners shall receive certificated Bonds which will be subject to registration of transfer or exchange as set forth below. Transfer of any Series 2007 Bond may be registered upon the registration books maintained by the Registrar upon surrender of such Series 2007 Bond to the Registrar together with a written instrument of transfer satisfactory to the Registrar. Upon surrender to the Registrar, a new fully registered Series 2007 Bond of the same maturity, in the same aggregate principal amount and bearing the same rate of interest will be issued to and in the name of the transferee. The County and the Registrar may charge the registered owners of the Series 2007 Bonds an amount sufficient to pay any tax, fee or other governmental charge required with respect to the registration of such transfer before any such certificated Series 2007 Bonds are delivered. The Registrar shall not be required (i) to transfer or exchange any Series 2007 Bonds for a period from a Regular Record Date to the next succeeding interest payment date or, in the case of a redemption of Series 2007 Bonds, 15 days next preceding any selection of Series 2007 Bonds to be redeemed or until after the mailing of any notice of redemption for the Series 2007 Bonds or (ii) to transfer or exchange any Series 2007 Bonds called for redemption.

The County, the Registrar and the Paying Agent shall deem and treat the registered owner of any Series 2007 Bond as the absolute owner of such Series 2007 Bond for all purposes, including for the purpose of receiving payment of the principal, redemption price, and interest on the Series 2007 Bonds.

SECURITY FOR THE SERIES 2007 BONDS

County Covenant to Budget and Appropriate

The County has covenanted and agreed in the Series 2007 Resolution, to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its Annual Budget for each Fiscal Year, by amendment if necessary, Legally Available Non-Ad Valorem Revenues (as defined below) of the County in an amount that, together with other legally available revenues budgeted and appropriated for such purpose, are equal to the Principal and Interest Requirement (as defined below) with respect to the Series 2007 Bonds for the applicable Fiscal Year, plus an amount sufficient to satisfy all other payment obligations of the County under the Series 2007 Resolution for the applicable Fiscal Year, including, without limitation, the obligations of the County to fund and cure deficiencies in the Debt Service Account and the Reserve Account created under the Bond Ordinance, to make rebate payments contemplated in the Series 2007 Resolution, as and when the same become due and, without duplication, to pay all net amounts due or to become due under the outstanding Hedge Agreements (as defined below) in such Fiscal Year.

The Series 2007 Resolution defines "Hedge Agreement" as an interest rate exchange agreement, interest rate swap agreement, forward purchase contract, put option contract, call option contract, interest rate cap, floor or collar or any other financial product approved by the Board that is used by the County as a hedging device with respect to its obligation to pay debt service on any of the Series 2007 Bonds, entered into between the County and a Counterparty; provided that such arrangement shall be specifically designated in a certificate of the Finance Director as a "Hedge Agreement" for purposes of the Series 2007 Resolution; and provided further that at the time of entering into such Hedge Agreement, the County shall have obtained written evidence that the Counterparty satisfies the requirements for a Counterparty set forth in the definition of such term in Article I of the Series 2007 Resolution. The Series 2007 Resolution further provides that any Hedge Agreements related to the Series 2007 Bonds shall be subject to prior approval by the Board.

The Series 2007 Resolution defines "Principal and Interest Requirements" as the respective amounts required in each Fiscal Year to provide (i) for the payment of interest on all Series 2007 Bonds then Outstanding which is payable on each Interest Payment Date in such Fiscal Year (the "Interest

Requirement"); (ii) for the payment of principal of all serial Series 2007 Bonds then Outstanding which is payable upon the maturity of serial Series 2007 Bonds in such Fiscal Year; and (iii) for the payment of Sinking Fund Installments, if any, for all term Series 2007 Bonds then Outstanding for such Fiscal Year (the amounts referred to in clause (ii) and clause (iii) are collectively referred to as the "Principal Requirement"). For purposes of computing the Interest Requirement and the Principal Requirement, any principal, interest or Sinking Fund Installments due on the first day of a Fiscal Year shall be deemed due in the preceding Fiscal Year.

The Series 2007 Resolution provides that in determining the amount of the Principal and Interest Requirements for any Fiscal Year, the following shall apply:

(i) if interest on the Series 2007 Bonds is payable from capitalized interest or from other amounts set aside irrevocably for such purpose at the time such Series 2007 Bonds are issued, or, if principal, interest or Sinking Fund Installments are payable in whole or in part from investment earnings retained in, or moneys from any source deposited in, the Debt Service Account in accordance with Article IX of the Series 2007 Resolution, interest, principal and Sinking Fund Installments on such Series 2007 Bonds shall be included in Principal and Interest Requirements only to the extent of the amount of interest, principal and Sinking Fund Installments payable in a Fiscal Year from amounts other than amounts actually on deposit in the applicable account on and as of the date of calculation; and

(ii) to the extent that the County has entered into a Hedge Agreement with respect to any Series 2007 Bonds and notwithstanding the provisions of clause (i) above, while the Hedge Agreement is in effect and so long as the Counterparty has not defaulted thereunder and so long as the Counterparty or an entity guarantying its obligations under such Hedge Agreement maintains a rating on its unsecured and unenhanced senior long-term debt obligations of at least "A-" from S&P or "A3" from Moody's, for the purpose of determining the Interest Requirements, the interest rate with respect to the principal amount of such Series 2007 Bonds equal to the "notional" amount specified in the Hedge Agreement shall be assumed to be (A) if the County's Hedge Obligations under the Hedge Agreement are computed based upon a fixed rate of interest, the actual rate of interest upon which the County's Hedge Obligations are computed under such Hedge Agreement, and (B) if the County's Hedge Obligations under the Hedge Agreement are computed based on a variable rate of interest, the average rate of interest for the County's Hedge Obligations under the Hedge Agreement for the prior Fiscal Year or portion thereof while the Hedge Agreement was in effect or if the Hedge Agreement was not in effect during such prior Fiscal Year, then the lesser of (x) the initial interest rate for the County's Hedge Obligations under the Hedge Agreement or (y) the average rate of interest for the prior Fiscal Year under a published variable interest rate index agreed upon by the County and the Counterparty which is generally consistent with the formula that shall be used to determine the County's Hedge Obligations; "average rate" with respect to the County's Hedge Obligations for the prior Fiscal Year means the rate determined by dividing the total annualized amount paid by the County under the Hedge Agreement in such Fiscal Year or portion thereof (without taking into account Hedge Receipts during such prior Fiscal Year or portion thereof) by the "notional" amount specified in the Hedge Agreement for the Fiscal Year.

The obligation of the County described above includes an obligation to make amendments to the budget of the County to assure compliance with the terms and provisions of the Series 2007 Resolution. The covenant and agreement on the part of the County to budget and appropriate sufficient amounts of Legally Available Non-Ad Valorem Revenues is cumulative and continues until Legally Available Non-Ad Valorem Revenues in amounts, together with any other legally available revenues budgeted and appropriated for such purposes, sufficient to make all required payments as and when due, including any delinquent payments, have been budgeted, appropriated and actually paid into the accounts created under the Series 2007 Resolution.

Pursuant to the Series 2007 Resolution, the County has pledged and granted a lien on the Covenant Revenues to equally and ratably secure the payment of the principal of, premium, if any, and

interest on the Series 2007 Bonds. "Covenant Revenues" are defined in the Series 2007 Resolution as those Legally Available Non-Ad Valorem Revenues budgeted and appropriated pursuant to Section 8.01 of the Series 2007 Resolution and actually deposited into the Debt Service Account or the Reserve Account pursuant to Section 9.02 of the Series 2007 Resolution. Notwithstanding anything in the Series 2007 Resolution to the contrary, all obligations of the County under the Series 2007 Resolution shall be secured only by the Legally Available Non-Ad Valorem Revenues and other legally available revenues budgeted and appropriated, subject to the limitations described in this Official Statement, and actually deposited into the accounts created under the Bond Ordinance. Nothing in the Bond Ordinance shall be deemed to create a pledge of or lien, legal or equitable, on the Legally Available Non-Ad Valorem Revenues, the ad valorem tax revenues or any other revenues of the County or to permit or constitute a mortgage or lien upon any assets owned by the County other than the Covenant Revenues and the accounts created under the Bond Ordinance in the manner and to the extent provided in the Bond Ordinance. No Bondholder shall ever have the right to compel any exercise of the ad valorem taxing power of the County for any purpose, including, without limitation, to pay the principal of or interest or premium, if any, on the Series 2007 Bonds or to make any payment required under the Series 2007 Resolution, or to maintain or continue any of the activities of the County which generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues. *See also* "Limited Obligations of the County" under this caption.

Nothing contained in the Series 2007 Resolution precludes the County from pledging any of its Legally Available Non-Ad Valorem Revenues or other revenues to other obligations of the County or places limitations on the County's ability to make such pledges. The County has pledged its Legally Available Non-Ad Valorem Revenues to other obligations of the County and anticipates doing so in the future. *See* the tables under "Legally Available Non-Ad Valorem Revenues" under this caption.

The County's covenant to budget and appropriate Legally Available Non-Ad Valorem Revenues as set forth in the Series 2007 Resolution is not a pledge by the County of such Legally Available Non-Ad Valorem Revenues and Bondholders do not have any prior claim on the Legally Available Non-Ad Valorem Revenues until such amounts are actually deposited in the accounts created under the Bond Ordinance. Such covenant to budget and appropriate is subject in all respects to the payment of obligations secured by a pledge of such Legally Available Non-Ad Valorem Revenues previously or subsequently incurred, including payment of debt service on bonds or other obligations. Such covenant to budget and appropriate is subject to the provisions of applicable State law, which preclude the County from expending moneys not appropriated or in excess of its current budgeted revenues. The obligation of the County to budget, appropriate and make payments under the Series 2007 Resolution from its Legally Available Non-Ad Valorem Revenues is subject to the availability of Legally Available Non-Ad Valorem Revenues of the County after satisfying funding requirements for essential governmental services of the County and paying obligations secured by any and all of the revenue sources that make up Legally Available Non-Ad Valorem Revenues. Such covenant does not require the County to levy and collect any particular source of Legally Available Non-Ad Valorem Revenues nor to maintain or increase any fees or charges with respect to any particular source of Legally Available Non-Ad Valorem Revenues. *See* "Legally Available Non-Ad Valorem Revenues" under this caption.

Legally Available Non-Ad Valorem Revenues

The Series 2007 Resolution defines "Legally Available Non-Ad Valorem Revenues" as all available revenues and taxes of the County derived from any source whatsoever other than ad valorem taxation on real and personal property, but including "operating transfers in" and appropriable fund balances within the Funds of the County over which the Board has full and complete discretion to appropriate the resources therein. As used above, "Funds" means all governmental, proprietary and fiduciary funds and accounts of the County as defined by generally accepted accounting principles.

The amounts and availability of any source of Legally Available Non-Ad Valorem Revenues to the County are subject to change, including reduction or elimination by change in State law or changes in the facts or circumstances according to which certain of the Legally Available Non-Ad Valorem Revenues are allocated to the County. The amount of Legally Available Non-Ad Valorem Revenues collected by the County is directly related to the general economy of the County. Accordingly, adverse economic conditions could have a material adverse effect on the amount of such Legally Available Non-Ad Valorem Revenues collected by the County. Additionally, the amount and types of Legally Available Non-Ad Valorem Revenues that would be available under applicable law may be limited or restricted with respect to certain projects (such as gas tax revenues that must be limited to transportation projects and fines and forfeitures that are limited to court system projects).

Continued receipt of Legally Available Non-Ad Valorem Revenues is dependent upon a variety of factors, including, but not limited to, formulas specified in State law for the distribution of such revenues that take into consideration the ratio of residents in incorporated areas of the County to total County residents. The incorporation of new municipalities, aggressive annexation policies by the municipalities in the County or growth in such municipalities without corresponding growth in the unincorporated areas of the County could have an adverse effect on Legally Available Non-Ad Valorem Revenues.

The County can discontinue or change any of its fees, rates and charges and may discontinue any of the activities of the County that generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues. Any of these activities could have a significant adverse effect on the funds that otherwise might be available to pay maturing debt service on the Series 2007 Bonds.

The County relies on a combination of Legally Available Non-Ad Valorem Revenues and ad valorem tax revenues to fund its general operating expenses. Increases in the County's operating expenses, many of which expenses are outside the control of the County, issuance of additional bonds or other obligations payable from or secured by Legally Available Non-Ad Valorem Revenues and decreases in ad valorem tax revenues, in addition to other factors addressed above, may, individually or in combination, adversely impact the amount of Legally Available Non-Ad Valorem Revenues available to pay debt service on the Series 2007 Bonds.

The following table sets forth the sources and total amounts of non-ad valorem revenues that have been available to the County for the Fiscal Years ended September 30, 2002 through September 30, 2006. The information in the table is presented for comparative purposes only. For further information relating to non-ad valorem revenues of the County, see "APPENDIX C - MIAMI-DADE COUNTY'S AUDITED ANNUAL FINANCIAL REPORT FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2006."

The following table shows Legally Available Non-Ad Valorem Revenues of the County for the Fiscal Years ended September 30, 2002 through September 30, 2006 after taking into account the aggregate amounts of debt service pledged against Legally Available Non-Ad Valorem Revenues and after certain adjustments for the indicated Fiscal Years. The information in the table is presented for comparative purposes only and should be read in conjunction with the related notes, which are an integral part of the table.

Limited Obligations of the County

THE SERIES 2007 BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE COUNTY, PAYABLE SOLELY FROM LEGALLY AVAILABLE NON-AD VALOREM REVENUES BUDGETED AND APPROPRIATED ANNUALLY, SUBJECT TO THE LIMITATIONS DESCRIBED IN THIS OFFICIAL STATEMENT, AND ACTUALLY DEPOSITED INTO THE DEBT SERVICE ACCOUNT AND RESERVE ACCOUNT CREATED UNDER THE BOND ORDINANCE. NEITHER THE FAITH AND CREDIT OF THE STATE, THE COUNTY OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR THE INTEREST ON THE SERIES 2007 BONDS. THE ISSUANCE OF THE SERIES 2007 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE, THE COUNTY OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE TO LEVY OR TO PLEDGE ANY FORM OF AD VALOREM TAXATION WHATSOEVER, NOR SHALL THE SERIES 2007 BONDS CONSTITUTE A CHARGE, LIEN OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE STATE, THE COUNTY OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE. NO HOLDER OF THE SERIES 2007 BONDS WILL HAVE THE RIGHT TO REQUIRE OR COMPEL THE EXERCISE OF THE AD VALOREM TAXING POWER OF THE STATE, THE COUNTY OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE FOR PAYMENT OF THE SERIES 2007 BONDS, OR BE ENTITLED TO PAYMENT OF SUCH AMOUNT FROM ANY OTHER FUNDS OF THE COUNTY, OTHER THAN THE COVENANT REVENUES AND THE ACCOUNTS CREATED UNDER THE BOND ORDINANCE IN THE MANNER PROVIDED IN THE BOND ORDINANCE.

Flow of Funds

Section 9.01 of Series 2007 Resolution creates a Debt Service Account and a Reserve Account. Such Accounts constitute trust funds and will be held by the County's Authorized Depository for the benefit of and shall be subject to a lien and charge in favor of the owners of the Series 2007 Bonds and any Counterparties under any Hedge Agreements, and shall at all times be kept separate and distinct from all other funds of the County and used only as provided in the Series 2007 Resolution.

Section 9.02 of the Series 2007 Resolution requires that the County deposit to the credit of the Debt Service Account and the Reserve Account, or apply as otherwise described below, on or before each Interest Payment Date, and on such other dates and times as are necessary to satisfy the deposit requirements described below, from Legally Available Non-Ad Valorem Revenues budgeted and appropriated for such purposes, amounts which (together with Hedge Receipts and other funds on deposit therein) will be sufficient to satisfy the cumulative deposit requirements described in clauses (i) through (iii) below. Such deposits and payments will be made in the following order and priority:

- (i) First, by deposit in to the Debt Service Account an amount which (together with any other amounts required to be deposited therein pursuant to the Series 2007 Resolution) will be equal to the sum of the principal of, interest on and the Sinking Fund Installments with respect to the Series 2007 Bonds on such Interest Payment Date, together with any Hedge Obligations due on such Interest Payment Date. Such deposits will take into account any capitalized interest and any deficiencies in prior deposits.
- (ii) Second, by deposit into the Reserve Account an amount which (together with funds currently deposited therein) will be sufficient to make funds on deposit therein, except as otherwise provided in the Series 2007 Resolution, equal to the Reserve Account Requirement, if any. Notwithstanding the foregoing, if the County determines or is required to fund a Reserve Account with respect to the Series 2007 Bonds, the County may, in lieu of cash funding such reserve, substitute a Reserve Account Credit Facility issued by a Credit Facility Provider in an amount equal to the Reserve Account

Requirement with respect to the Series 2007 Bonds. Any such Reserve Account Credit Facility must provide that if a deficiency exists in the Debt Service Account with respect to the principal of or interest due on the Series 2007 Bonds, which cannot be cured by funds in any other account held pursuant to the Series 2007 Resolution and available for such purpose, the provider of such Reserve Account Credit Facility will pay such deficiency to the Registrar and Paying Agent for the benefit of the Bondholders, who shall be named as the beneficiary of such Reserve Account Credit Facility. If a disbursement is made from a Reserve Account Credit Facility as provided in the preceding sentence, the County shall be obligated to reinstate the maximum limits of such Reserve Account Credit Facility immediately following such disbursement or to replace such Reserve Account Credit Facility by depositing into the Reserve Account from the first Legally Available Non-Ad Valorem Revenues budgeted and appropriated and available for deposit as described in this clause (ii), funds in the maximum amount originally payable under such Reserve Account Credit Facility, plus amounts necessary to reimburse the Credit Facility Provider for previous disbursements made from the such Reserve Account Credit Facility, or a combination of such alternatives, and for purposes of this clause (ii), amounts necessary to satisfy such reimbursement obligation and other obligations of the County to such a Credit Facility Provider shall be deemed required deposits into the Reserve Account but shall be used by the County to satisfy its obligations to the Credit Facility Provider.

- (iii) Finally, by payment to the parties entitled thereto, any Hedge Charges due under the Hedge Agreements and any fees, costs and expenses due to the Registrar and Paying Agent, if any. See "APPENDIX B – BOND ORDINANCE."

Pursuant to clause (i) above, Hedge Obligations are payable on parity with the Series 2007 Bonds. The term "Hedge Obligations" is defined in the Series 2007 Resolution as net payments required to be made by the County under a Hedge Agreement from time to time as a result of fluctuations in hedged interest rates or fluctuations in the value of any index, in each case multiplied by a specified "notional" amount. "Hedge Obligations" do not include any termination payments or settlement amounts that may become due under a Hedge Agreement as a result of its termination prior to its expiration date.

Use of Moneys in the Debt Service Account

Moneys on deposit in the Debt Service Account will be used solely for the payment of principal of, interest on and any redemption premiums required with respect to the Series 2007 Bonds and the payment of Hedge Obligations; provided, however, that if such principal and interest payments or Hedge Obligations, or a portion thereof, have been made on behalf of the County by a Credit Facility Provider (including the Bond Insurer) or swap insurance provider or other entity insuring, guaranteeing or providing for the payment of the Series 2007 Bonds, the Hedge Obligations or any portion thereof, moneys on deposit therein and allocable to such portion shall be paid to such Credit Facility Provider, swap insurance provider or other entity that has made a corresponding payment.

On or prior to the maturity date of each Series 2007 Bond and on or prior to the due date of each Sinking Fund Installment and installment of interest on each Series 2007 Bond, the County shall transfer from the Debt Service Account to the Paying Agent for such Series 2007 Bonds sufficient moneys to pay all principal and interest then due and payable with respect to such Series 2007 Bonds. See "APPENDIX B – BOND ORDINANCE."

Reserve Account

The County is required to maintain on deposit in the Reserve Account an amount equal to the Reserve Account Requirement for the Series 2007 Bonds. Such amounts, if any, on deposit in the

Reserve Account or credited thereto shall be used only for the purpose of curing deficiencies in the Debt Service Account with respect to the Series 2007 Bonds after application of funds otherwise available therefor and for no other purpose. If funds on deposit in the Reserve Account exceed, in the aggregate, the Reserve Account Requirement with respect to the Series 2007 Bonds (other than due to the substitution of a Reserve Account Credit Facility pursuant to the Series 2007 Resolution), the excess funds shall be deposited into the Debt Service Account for the benefit of Series 2007 Bonds issued pursuant to the Series 2007 Resolution.

Simultaneously with the delivery of the Series 2007 Bonds, the Reserve Account Requirement will be met by deposit to the Reserve Account of a Reserve Account Credit Facility provided by the Bond Insurer. See "Flow of Funds" under this caption and "APPENDIX B – BOND ORDINANCE" for additional information relating to the Reserve Account upon deposit of a Reserve Account Credit Facility.

Municipal Bond Insurance

The payment of principal of and interest on the Series 2007 Bonds will be insured by the Bond Insurance Policy to be issued simultaneously with the delivery of the Series 2007 Bonds by the Bond Insurer as described in this Official Statement. For a discussion of the terms and provisions of the Bond Insurance Policy, including the limitations of the Bond Insurance Policy, see "MUNICIPAL BOND INSURANCE."

As a condition to the issuance of the Bond Insurance Policy and Reserve Account Credit Facility, the County will enter into an agreement with the Bond Insurer, which agreement, in addition to the Series 2007 Resolution, grants certain rights to the Bond Insurer. For a description of certain rights granted under the Series 2007 Resolution, see "Remedies" under this caption and the Series 2007 Resolution included in "APPENDIX B – BOND ORDINANCE."

Tax Covenants of the County

It is the intention of the County that the interest of the Series 2007A Bonds be and remain excluded from gross income for federal income tax purposes and to this end the County has represented to and covenanted with the Holders of the Series 2007A Bonds that it will comply with the requirements applicable to it contained in Sections 103 and 141 through 150 of the Code to the extent necessary to preserve the exclusion of interest on the Series 2007 Bonds from gross income for federal income tax purposes. Such covenants impose continuing obligations on the County that will exist as long as the requirements of Sections 103 and 141 through 150 of the Code are applicable to the Series 2007A Bonds and the obligation of the County to pay any rebate amount that may become due to the United States of America and to comply with the other requirements of Section 10.03 of the Series 2007 Resolution shall survive the defeasance or payment in full of the Series 2007A Bonds. See "APPENDIX B – BOND ORDINANCE."

Remedies

Upon the occurrence and continuance of any Event of Default under the Series 2007 Resolution, the Bondholders of not less than a majority in aggregate principal amount of the Series 2007 Bonds then Outstanding may declare the principal of all of the Series 2007 Bonds then Outstanding to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, notwithstanding anything contained in the Series 2007 Bonds or in the Series 2007 Resolution to the contrary; provided, however, that if at any time after the principal of the Series 2007 Bonds shall been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Series 2007 Resolution, moneys shall have accumulated in the Debt Service Account sufficient to pay the principal of all matured Series 2007 Bonds and all arrears of interest, if any, upon all

Series 2007 Bonds then Outstanding (except the principal of any Series 2007 Bonds not then due except by virtue of such declaration and the interest accrued on such Series 2007 Bonds since the last Interest Payment Date) and all amounts then payable by the County under the Series 2007 Resolution, each Credit Facility Agreement and any agreement pursuant to which a Reserve Account Credit Facility may have been provided, shall have been paid or a sum sufficient to pay the same shall have been deposited with the Finance Director or with the Paying Agent and Registrar, and every other default in the observance or performance of any covenant, condition, agreement or provision contained in the Series 2007 Bonds or in the Series 2007 Resolution (other than a default in the payment of the principal of such Series 2007 Bonds then due only because of a declaration under the Bond Ordinance) shall have been remedied, then and in every such case, the Holders of not less than a majority in aggregate principal amount of the Series 2007 Bonds not then due except by virtue of such declaration and then Outstanding may, by written notice to the County, rescind and annul such declaration or its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair the right consequent thereon. See "ENFORCEABILITY OF REMEDIES."

Notwithstanding anything in the Series 2007 Resolution to the contrary, following an event of Default, a Credit Facility Provider that has not defaulted on its obligations under a Credit Facility to make payments on the Series 2007 Bonds (including the Bond Insurer with respect to the Bond Insurance Policy) shall be entitled to exercise the rights of the owners of such Series 2007 Bonds for the purposes of the Series 2007 Resolution.

Subject only to the preceding paragraph, while an Event of Default has occurred and is continuing, the owners of a majority in principal amount of the Series 2007 Bonds then Outstanding shall have the right, by an instrument in writing executed and delivered to the County, to direct the time and method of conducting all proceedings available under the Series 2007 Resolution or exercising any trust or power conferred by the Series 2007 Resolution in accordance with the provisions of the Series 2007 Resolution.

No Holder of any of the Series 2007 Bonds secured by the Series 2007 Resolution shall have any right in any manner whatsoever by its action to affect, disturb or prejudice the security of the Series 2007 Resolution or to enforce any right under the Series 2007 Resolution (except in the manner provided in the Series 2007 Resolution). All proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Series 2007 Bonds.

THE COUNTY

[NOTE: Information needs to be updated.] Set forth below is certain general information concerning the County, the County's government and certain governmental services provided by the County. For detailed information regarding the County and data relating to economic and demographic matters, see "APPENDIX A – GENERAL INFORMATION RELATIVE TO MIAMI-DADE COUNTY, FLORIDA."

History

The County is the largest county in the southeastern United States in terms of population. The County currently covers 2,209 square miles located in the southeastern corner of the State, and includes, among other municipalities, the cities of Miami, Miami Beach, Coral Gables and Hialeah. In 2005, the population of the County was estimated to have been 2,422,000.

The County was created on January 18, 1836 under the Territorial Act of the United States. It included the land area now forming Palm Beach County and Broward County, together with the land area of the present County. In 1909, Palm Beach County was formed from the northern portion of what was then the County, and in 1915, Palm Beach County and the County contributed nearly equal portions of land to create what is now Broward County. There have been no significant boundary changes to the County since 1915.

County Government and Services

The State Legislature in 1955 approved and submitted to a general election a constitutional amendment designed to give a new form of government to the County. The amendment was approved in a statewide general election in November, 1956. A Dade County Charter Board was constituted and, in April, 1957, completed a draft of a charter for the County. The proposed charter (the "Charter") was adopted in a County-wide election in May, 1957 and became effective on July 20, 1957. The electors of the County are granted power to revise and amend the Charter from time to time by County-wide vote. The most recent amendment was in March, 2004. The County has home-rule powers, subject only to the limitations of the Constitution and general laws of the State. The County has, in effect, a county government with certain powers effective throughout the entire County, including 35 municipalities, and a municipal government for the unincorporated area of the County. The County has not displaced or replaced the cities, but supplements them. The County can take over particular activities of a city's operations if the services fall below minimum standards set by the Board, or with the consent of the governing body of a particular city.

[The County has a Mayor, Commission and Manager form of government.] The Board, which consists of thirteen members elected for a four year term from single member districts, is the legislative and governing body of the County and is responsible for the formation of all policies. The mayor, elected countywide for a four year term, is not a member of the Board, has veto authority over legislative acts, and has the power to appoint the County Manager. The County Manager is the head of the administrative branch of county government and is responsible for carrying out the policies adopted by the Board. Both the Mayor and the Board have the power to remove the County Manager, requiring a two-thirds vote of the Board.

The County has assumed responsibility on a County-wide basis for an increasing number of functions and services, including the following:

- (a) County-wide police services, complementing the municipal police services within the cities and providing full-service police protection for the unincorporated areas of the

County, with direct access to the National Crime Information Center in Washington, D.C. and the Florida Crime Information Center.

- (b) Uniform system of fire protection, complementing the municipal fire protection services within five municipalities and providing full-service fire protection for the Miami-Dade Fire and Rescue Service District, which includes the unincorporated area of the County and the 29 municipalities which have consolidated their fire departments within the Miami-Dade Fire and Rescue Department. The Miami-Dade Fire and Rescue Department also provides emergency medical services by responding to and providing on-site treatment to the seriously sick and injured.
- (c) Certain expenses of the State's consolidated two-tier court system (pursuant to Section 29.008 of the Florida Statutes) are the responsibility of the County. The two-tier court system consists of the higher Circuit Court and the lower County Court. The Circuit Court handles domestic relations, felonies, probate, civil cases where the amount in dispute is \$15,000 or more, juvenile cases, and appeals from the County Court. The County Court handles violations of municipal ordinances, misdemeanors and civil cases where the amount in dispute is less than \$15,000.
- (d) County-wide water and sewer system operated by the Water and Sewer Department.
- (e) Jackson Memorial Hospital ("JMH") is operated, maintained and governed by an independent governing body called the Public Health Trust (the "Trust"). Based on the number of admissions to a single facility, JMH is one of the nation's busiest medical centers. The Board appoints members of the Board of Trustees for the Trust and also approves the budget of the Trust. The County continues to subsidize treatment of indigent patients on a contractual basis with the Trust.
- (f) Unified transit system, consisting of various surface public transportation systems. In May, 1985, the 20.5 miles Phase I of the County's rapid rail transit system was completed and placed into operation. An extension was opened in May, 2003 expanding the rail service along the north section from Okeechobee to the Palmetto station making the system 22.4 miles long. In April, 1986, the metromover component of the rapid rail transit system commenced operation, with 1.9 miles of an elevated double loop system, and two extensions were subsequently constructed extending the service 1.4 miles south to the Brickell Avenue area and 1.1 miles north to the area known as Omni, for a total of 4.4 miles of service. These extensions were placed in service on May, 1994.
- (g) Combined public library system consisting of the Main Library, 39 branches and 2 bookmobiles offering educational, informational and recreational programs and materials. On an annual basis, approximately 6.1 million people visit the libraries, 700,000 active cardholders borrow more than 6.4 million items such as books, videotapes, audiotapes, CD's and other library materials; reference librarians answer over 6 million questions and 1.7 million internet sessions are provided free of charge.
- (h) Property appraisal services are performed by the County's Property Appraiser's office. Tax collection services are performed by the Miami-Dade Tax Collector. All collected taxes are distributed directly to each governmental entity, according to its respective tax levy. The municipalities, Board of Public Instruction and several State agencies use data furnished to them by the Miami-Dade Tax Collector for the purpose of budget preparation and for their governmental operations.

- (i) Minimum standards, enforceable throughout the County, in areas such as environmental resources management, building and zoning, consumer protection, health, housing and welfare.
- (j) Garbage and trash collection and disposal services, consisting of garbage and trash collection services to an average of approximately 307,000 households during Fiscal Year 2005 within the unincorporated area and certain municipalities within the County and disposal services to public and private haulers County-wide.
- (k) The Dante B. Fascell Port of Miami (the "Port"), owned and operated by the County through the Seaport Department. The Port is the world's largest multi-day cruise port in terms of cruise passengers, handling over approximately 3,605,000 passengers in Fiscal Year 2005. As of September, 2005, the Port had the largest container cargo port in the State and is within the top ten in the United States in total number of containers held.
- (l) The following facilities: (i) the Miami International Airport (the "Airport"), the principal commercial airport serving South Florida; (ii) the Opa-locka Airport, a 1,810-acre facility, (iii) the Opa-locka West Airport, a 420-acre facility, (iv) the Kendall-Tamiami Executive Airport, a 1,380-acre facility, (iv) the Homestead Airport, a 960-acre facility and (vi) the Training and Transition Airport, a facility of approximately 24,300 acres located in Collier and Miami-Dade Counties, all County-owned and operated by the Miami-Dade Aviation Department.
- (m) Several miscellaneous services, including mosquito and animal control.

INVESTMENT POLICY

Pursuant to Florida Statutes, Section 218.45, which requires a written investment policy by the Board, the County adopted an investment policy (the "Policy") which applies to all funds held by or for the benefit of the Board in excess of those required to meet short-term expenses, except for proceeds of bond issues (including the Series 2007 Bonds) which are specifically exempted by Board ordinance or resolution.

The primary objectives of the Policy, listed in order of importance are:

- 1. the safety of principal;
- 2. the liquidity of funds; and
- 3. the maximization of investment income.

The Policy limits the securities eligible for inclusion in the County's portfolio to a maximum maturity of five (5) years. The Policy allows investments in repurchase agreements with a maximum length to maturity of 14 days from the date of purchase; the collateral shall be "marked to market" as needed.

To enhance safety, the Policy requires the diversification of the portfolio to control the risk of loss resulting from over-concentration of assets in a specific maturity, issuer, instrument, dealer, or bank through which the instruments are bought and sold. The Policy also requires the monthly performance reports to be presented to the County Clerk and to the County's Finance Director, quarterly performance reports to be submitted to the Investment Advisory Committee and an annual report to be presented to the Board within 120 days of the end of the Fiscal Year.

The Policy may be modified by the Board as it deems appropriate to meet the needs of the County.

LITIGATION

There is no litigation pending or, to the knowledge of the County, threatened, seeking to restrain or enjoin the issuance or delivery of the Series 2007 Bonds or questioning or affecting the validity of the Series 2007 Bonds or the proceedings and authority under which they are to be issued. Neither the creation, organization or existence of the Board, nor the title of the present members or other officers of the Board to their respective offices is being contested.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2007 Bonds upon an Event of Default under the Bond Ordinance are in many respects dependent upon regulatory and judicial actions that are often subject to discretion and delay. Under existing laws and judicial decisions, the remedies provided for under the Bond Ordinance may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2007 Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Series 2007 Bonds is subject to various limitations including those imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the enforcement of creditors' rights generally and by equitable remedies and proceedings generally.

TAX MATTERS

General

In the opinion of Squire, Sanders & Dempsey L.L.P. and KnoxSeaton, Bond Counsel, under existing law (i) interest on the Series 2007A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, and (ii) the Series 2007A Bonds and the income thereon are exempt from taxation under the laws of the State of Florida, except estate taxes imposed by Chapter 198, Florida Statutes, as amended, and net income and franchise taxes imposed by Chapter 220, Florida Statutes, as amended. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2007 Bonds.

The opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the County to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2007A Bonds are and will remain obligations the interest on which is excluded from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations or the continuing compliance with the County's covenants.

The opinion of Bond Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Bond Counsel's legal judgment as to exclusion of interest on the Series 2007A Bonds from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service or any court. Bond Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the Internal Revenue Service.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations. Noncompliance with these requirements by the County may cause loss of such status and result in the interest on the Series 2007A Bonds being included in gross income for federal income tax purposes retroactively to the

date of issuance of the Series 2007A Bonds. The County has covenanted to take the actions required of it for the interest on the Series 2007A Bonds to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. After the date of issuance of the Series 2007A Bonds, Bond Counsel will not undertake to determine (or to inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Bond Counsel's attention, may adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series 2007A Bonds or the market prices of the Series 2007A Bonds.

A portion of the interest on the Series 2007A Bonds earned by certain corporations may be subject to a federal corporate alternative minimum tax. In addition, interest on the Series 2007A Bonds may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations. Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the owner of the Series 2007A Bonds. Bond Counsel will express no opinion regarding those consequences.

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress. There can be no assurance that legislation enacted or proposed, or clarification of the Code, after the date of issuance of the Series 2007A Bonds, will not have an adverse effect on the tax status of interest on the Series 2007A Bonds or the market prices of the Series 2007A Bonds.

Prospective purchasers of the Series 2007A Bonds should consult their own tax advisers regarding pending or proposed federal tax legislation, and prospective purchasers of the Series 2007A Bonds at other than their original issuance at the respective prices or yields indicated on the inside cover pages of this Official Statement should also consult their own tax advisers regarding other tax considerations such as the consequences of market discount, as to all of which Bond Counsel expresses no opinion.

Bond Counsel's engagement with respect to the Series 2007A Bonds ends with the issuance of the Series 2007A Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the County or the beneficial owners regarding the tax status of interest on the Series 2007A Bonds in the event of an audit examination by the Internal Revenue Service. The Internal Revenue Service has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the Internal Revenue Service does audit the Series 2007A Bonds, under current Internal Revenue Service procedures, the Internal Revenue Service will treat the County as the taxpayer and the beneficial owners of the Series 2007A Bonds will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the Internal Revenue Service, including, but not limited to, selection of the Series 2007A Bonds for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market prices for the Series 2007A Bonds.

Original Issue Discount and Original Issue Premium

Certain of the Series 2007A Bonds (the "Discount Bonds") as indicated on the inside cover pages of this Official Statement were offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond. The issue price of a Discount Bond is the initial offering price to the public (other than to

bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Discount Bonds of the same maturity is sold pursuant to that offering. For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excluded from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2007A Bonds; and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond. A purchaser of a Discount Bond in the initial public offering at the price or yield for that Discount Bond stated on the inside cover pages of this Official Statement who holds that Discount Bond to maturity will realize no gain or loss upon the retirement of that Discount Bond.

Certain of the Series 2007A Bonds (the "Premium Bonds") as indicated on the inside cover pages of this Official Statement were offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity. That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually. No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond. A purchaser of a Premium Bond in the initial public offering at the price or yield for that Premium Bond stated on the inside cover pages of this Official Statement who holds that Premium Bond to maturity (or, in the case of a callable Premium Bond, to its earlier call date that results in the lowest yield on that Premium Bond) will realize no gain or loss upon the retirement of that Premium Bond.

Owners of Discount Bonds and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount Bonds or Premium Bonds and as to other federal tax consequences and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Interest on the Series 2007B Bonds and Series 2007C Bonds is fully taxable for federal income tax purposes.

P.G. Corbin & Company, Inc., Philadelphia, Pennsylvania, has served as financial advisor to the County with respect to the offering of the Series 2007 Bonds. The Financial Advisor has assisted in the preparation of this Official Statement and in other matters relating to the planning of the offering of the Series 2007 Bonds. The Financial Advisor has not undertaken to make an independent verification of, or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement.

Citigroup Global Markets Inc., and the other underwriters listed on the cover page (the "Underwriters"), have agreed pursuant to a bond purchase agreement between the County and the

The initial public offering prices or yields reflected by the prices or yields set forth on the inside cover pages of this Official Statement may be changed by the Underwriters and the Series 2007 Bonds may be offered and sold to certain dealers (including dealers depositing such Series 2007 Bonds into investment trusts) and others at prices lower than or yields higher than such public offering prices or yields. The Underwriters reserve the right to over allot or effect transactions that stabilize or maintain the market prices of the Series 2007 Bonds at levels above that which might otherwise prevail in the open market and to discontinue such stabilizing, if commenced, at any time.

FINANCIAL INFORMATION

The County's Annual Financial Report for the Fiscal Year ended September 30, 2006 is included in this Official Statement as APPENDIX C and has been audited by KPMG LLP, independent auditors, as stated in their report.

RATINGS

Standard & Poor's Ratings Services ("S&P") and Moody's Investors Service, Inc. ("Moody's") will assign ratings of "[]" and "[]," respectively, to the Series 2007 Bonds, with the understanding that upon delivery of the Series 2007 Bonds, [insert Bond Insurer] will issue the Bond Insurance Policy. See "MUNICIPAL BOND INSURANCE." S&P and Moody's have assigned underlying ratings of "[]" and "[]," respectively, to the Series 2007 Bonds, without taking into account the issuance of the Bond Insurance Policy by [insert Bond Insurer]. The ratings reflect only the views of such organizations and any desired explanation of the significance of such ratings should be obtained from the rating agency furnishing the same. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of their own. There is no assurance such ratings will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2007 Bonds.

CONTINUING DISCLOSURE

The County has agreed, in accordance with the provisions of, and to the degree necessary to comply with, the secondary disclosure requirements of Rule 15c2-12 of the Securities and Exchange Commission, to provide or cause to be provided for the benefit of the Beneficial Owners of the Series 2007 Bonds to each nationally recognized municipal securities information repository, and to the appropriate State Information Depository, if any, designated by the State of Florida, the information set forth in the Series 2007 Resolution, commencing with the Fiscal Year ending September 30, 2007.

The County has reserved the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County has agreed that any modification will be done in a manner consistent with the Rule. See APPENDIX B - "BOND ORDINANCE."

In connection with the issuance of its outstanding Bonds, the County has never failed to comply in all material respects with any previous undertakings with regard to Rule 15c2-12 of the Securities and Exchange Commission to provide certain annual financial information and material event notices.

LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale of the Series 2007 Bonds, including their legality and enforceability and the exclusion of interest on the Series 2007 Bonds from gross income for federal income tax purposes, are subject to the approval of Squire, Sanders & Dempsey L.L.P., Miami, Florida, and KnoxSeaton, Miami, Florida, Bond Counsel, copies of whose legal opinions will be delivered with the Series 2007 Bonds. Certain other legal matters will be passed upon for the County by the Office of the Miami-Dade County Attorney. Certain legal matters relating to disclosure will be passed upon for the County by Hogan & Hartson L.L.P., Miami, Florida, McGhee & Associates, Miami, Florida, and Law Offices of José A. The proposed text of the legal opinion of Bond Counsel is set forth as APPENDIX D to this Official Statement. The proposed text of the legal opinion to be delivered to the Underwriters by Disclosure Counsel is set forth as APPENDIX E to this Official Statement. The actual legal opinions to be delivered may vary from the text of APPENDIX D or APPENDIX E, as the case may be, if necessary, to reflect facts and law on the date of delivery of the Series 2007 Bonds.

The legal opinions of Bond Counsel, Disclosure Counsel and the Office of the Miami-Dade County Attorney are based on existing law, which is subject to change. Such legal opinions are further based on factual representations made to Bond Counsel, Disclosure Counsel and the Office of the Miami-Dade County Attorney as of the date thereof. Bond Counsel, Disclosure Counsel and the Office of the Miami-Dade County Attorney assume no duty to update or supplement their respective opinions to reflect any facts or circumstances, including changes in law, that may thereafter occur or become effective.

The legal opinions to be delivered concurrently with the delivery of the Series 2007 Bonds express the professional judgment of the attorneys rendering the opinions regarding the legal issues expressly addressed therein. DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Florida law requires the County to make a full and fair disclosure of any bonds or other debt obligations which it has issued or guaranteed and which are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a conduit issuer). Florida law further provides, however, that if the County in good faith believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The County is not and has not been in default as to principal and interest on bonds or other debt obligations which it has issued as the principal obligor or guarantor.

There are several special purpose governmental authorities of the County that serve as conduit issuers of private activity bonds for purposes such as housing, industrial development and health care. Defaults have occurred in connection with some of those private activity bonds; however, such defaults affect only the defaulted issues and have no effect on the payment of the Series 2007 Bonds. The County has no obligation to pay such bonds and the conduit issuers had only a limited obligation to pay such bonds from the payments made by the underlying obligors with respect to such issues. Therefore, the County in good faith believes that defaults relating to conduit issuers are not material with regard to the Series 2007 Bonds and any disclosure concerning any defaults of conduit financings is not necessary.

CERTIFICATE CONCERNING THE OFFICIAL STATEMENT

Concurrently with the delivery of the Series 2007 Bonds, the County will furnish its certificate, executed by the County's Finance Director to the effect that, to the best of her knowledge, this Official Statement, as of its date and as of the date of delivery of the Series 2007 Bonds, does not contain any untrue statement of material fact and does not omit any material fact that should be included herein for the purpose for which the Official Statement is to be used, or which is necessary to make the statements contained herein, in light of the circumstances under which they were made, not misleading.

APPENDIX A

**General Information relative to
Miami-Dade County, Florida**

[TO BE UPDATED]

GENERAL INFORMATION RELATIVE TO MIAMI-DADE COUNTY, FLORIDA

The County's economy has transitioned from mixed service and industrial in the 1970's to a service economy. The shift to services is led by expansion within international trade, the tourism industry, and health services. Wholesale and retail trades have, and are projected to continue to, become stronger economic forces in the local economy. This reflects the County's position as a wholesale center in Southeast Florida, serving a large international market. The tourism industry remains one of the largest sectors in the local economy.

In an effort to further strengthen and diversify the County's economic base, the County in 1984 commissioned a private consulting firm to identify goals and objectives for various public and private entities. The Beacon Council was established as a public-private partnership to promote these goals and objectives.

International Commerce

The Greater Miami Area is the center for international commerce for the southeastern United States. Its proximity to the Caribbean, Mexico, Central America and South America makes it a natural center of trade to and from North America. More than 1,300 multinational corporations are established in South Florida. In addition, the international background of many of its residents is an important labor force characteristic for multinational companies which operate across language and cultural differences.

Trade with Latin America, Europe and Caribbean and countries has generated substantial growth in the number of financial institutions conducting business in the County. The large Spanish-speaking labor force and the State's proximity to Latin America have also contributed to the growth of the banking industry in the County. According to the Federal Reserve Bank of Atlanta, as of September 30, 2005, there were 14 Edge Act Banks throughout the United States; 6 of those institutions were located in the County with over \$6.1 billion on deposit. Edge Act Banks are federally chartered organizations offering a wide range of banking services, but limited to international transactions only. These banking institutions are: American Express Bank International, Bancafe International, Banco Santander International, Bank Boston International, Citibank International and HSBC Private Bank International.

The County had the highest concentration of international bank agencies on the east coast south of New York City with a total of 31 foreign chartered banks and over \$15.7 billion on deposit as of September 30, 2005 according to the Florida Department of Financial Services, Office of Financial Regulation.

Corporate Expansion

The favorable geographic location of the County, a well-trained labor force and the favorable transportation infrastructure have allowed the economic base of the County to expand by attracting many national and international firms doing business in Latin America. Among these corporations are: Carnival Cruise Lines, Elizabeth Arden, Federal Express Corporation, Kraft Foods International, Parfums Christian Dior, Porsche Latin America, Telefonica, Terra/Lycos Latin America and World Fuel Services.

Significant strides have been made in attracting non-manufacturing firms in the County. Other national firms with established international operations or office locations in the County are: ASTAR Air Cargo, Burger King, Ryder Systems, Lennar, Oracle Corporation, The Gap, Starboard Cruise Services and the William Morris Agency.

Industrial Development

The role of the Miami-Dade County Industrial Development Authority (the "IDA") is the development and management of the tax-exempt industrial development revenue bond program, which serves as a financial incentive to support private sector business and industry expansion and location. Programs developed are consistent with the IDA's legal status and compatible with the economic development goals established by the Board and other economic development organizations operating in the County.

Between 1979 and the creation of the Beacon Council in 1986, the IDA provided expansion and location assistance to 195 private sector businesses, accounting for a capital investment of \$695 million and the creation of over 11,286 new jobs.

The IDA's principal program, the Tax-Exempt Industrial Development Revenue Bond Program, generated 414 applications through December 2005. Bonds for 204 company projects have been issued for a total volume in excess of \$1.2 billion. Approximately 9,204 new jobs have been generated by these projects. The IDA continues to manage approximately 55 outstanding Industrial Development Revenue Bond Issues, approximating \$593 million in capital investment.

Other Developmental Activities

In October, 1979, the Miami-Dade County Health Facilities Authority (the "Health Authority") was formed to assist local not-for-profit health care corporations to acquire, construct, improve or refinance health care projects located in the County through the issuance of tax-exempt bonds or notes. Since its inception, the Health Authority has issued 23 series of revenue bonds for 16 projects and 16 advance refundings. As of December, 2005, the total amount of revenue bonds issued by the Health Authority was over \$1.2 billion.

In October, 1969, the Board created the Miami-Dade County Educational Facilities Authority (the "EFA") to assist institutions of higher learning within the County to have an additional means to finance facilities and structures needed to maintain and expand learning opportunities and intellectual development. As of December, 2005, the EFA has issued 37 series of revenue bonds for 25 projects and 22 advance refundings, totaling \$968 million.

In December, 1978, the Housing Finance Authority of Miami-Dade County (Florida) (the "HFA") was formed to issue bonds to provide the HFA with moneys to purchase mortgage loans secured by mortgages on single family residential property owned by low and moderate income persons residing in the County. Since its inception, the HFA has generated \$1.1 billion in mortgage funds through the issuance of revenue bonds under the Single Family Mortgage Revenue Bond Program benefiting approximately 12,000 families in the County.

As of December, 2005, under the HFA's Multi-Family Mortgage Revenue Bond Program revenue bonds aggregating approximately \$912 million have been issued for new construction or rehabilitation of 16,752 units.

The bonds issued by the foregoing authorities and the IDA are not debts or obligations of the County or the State or any political subdivision thereof, but are payable solely from the revenues provided by the respective private activity borrower as security therefor.

Film Industry

The County's film and entertainment industry continues to be the third largest production center in the U.S., behind only Los Angeles and New York City. As part of its continuing effort to streamline production red tape, the County expanded its automated on-line film permitting system in 2005 to include

permits for the County, as well as for the most popular film destinations in the cities of Miami and Miami Beach. Film Permits are generally required throughout Miami-Dade County and its municipalities for commercial film video or still photo shoots that are conducted on public property, that is, on roads, streets and sidewalks; parks, beaches or public buildings. This consolidation into a "one stop" process resulted in over 2,000 film television, still photo and commercial advertising permits being issued in 2005, contributing more than \$180 million in direct expenditures to the local economy.

High profile production in 2005 included MTV's Video Music Awards show, CSI: Miami, and motion pictures like Universal's "Miami Vice" with Jamie Foxx, Dreamworks "Red-Eye," Fox Studios' "Retirement," and the Mexican film "I Love Miami." More than 180 commercials and 90 music videos also filmed in the area. The strength of the Euro against the dollar also contributed to hundreds of European still photo and commercial advertising projects filming in Miami-Dade, and even brought to the County an Italian feature film titled "Christmas in Miami" from FilmAuro. Production of Spanish language television from broadcast giants Telemundo and Univision and dozens of Latin cable networks also continued on an upward trend in Miami, with thousands of hours of programming produced during 2005, including eight "telenovelas" (soap operas).

Surface Transportation

The County owns and operates through its Transit Agency (a County department) a unified multi-modal public transportation system. Operating in a fully integrated configuration, the County's Transit Agency provides public transportation services through: (i) Metrorail - a 22.4-mile, 22-station elevated electric rail line connecting South Miami-Dade and the City of Hialeah with the Downtown and Civic Center areas, providing 17 million passenger trips annually; (ii) Metromover - a fully automated, driverless 4.4-mile elevated electric double-loop people-mover system interfaced with Metrorail and completing approximately 8.7 million passenger trips annually throughout 22 stations in the central business district and south to the Brickell international banking area and north to the Omni area; and (iii) Metrobus - including both directly operated and contracted conventional urban bus service, operating over 38 million miles per year, interconnecting with all Metrorail stations and key Metromover stations, and providing over 103 million passenger trips annually.

The County also provides para-transit service to qualified elderly and handicapped riders through its Special Transportation Service, which supplies over 1.4 million passenger trips per year in a demand-response environment.

Additionally, the County's Transit Agency is operating the Bus Rapid Transit ("BRT") on the South Miami-Dade Busway, a dedicated-use BRT corridor that runs parallel to US1/South Dixie Highway. Service commenced in 1997 and was extended from North Kendall Drive/SW 88th Street to SW 264th Street. A final segment is presently under construction. Upon completion, the South Miami-Dade Busway will traverse over twenty miles, connecting Florida City (SW 344th Street) with the Metrorail system, with connection to downtown Miami. The final segment is scheduled to be opened for revenue service in August, 2007.

Airport

The County owns and operates the Airport, the principal commercial airport serving Southeast Florida. The Airport also has the third highest international passenger traffic in the U.S. It is currently handling approximately 30,912,000 passengers and 1,965,000 tons of air freight annually and is classified by the Federal Aviation Administration as a large hub airport, the highest classification given by that organization. The Airport is also one of the principal maintenance and overhaul bases, as well as a principal training center for the airline industry in the United States, Central and South America and the Caribbean.

A five year summary of the passengers served and cargo handled by the Airport is shown below:

Seaport

The Port is an island port, which covers 640 acres of land, operated by the Seaport Department. It is the world's largest multi-day cruise port. Embarkations and debarkations on cruise ships totaled just short of 3.6 million passengers for the Fiscal Year 2005. With the increase in activity from the Far-East markets and South and Central America, cargo tonnage transiting the Port amounted to approximately 9.5 million tons for the Fiscal Year 2005.

The following table sets forth a five-year summary of both cruise passengers served and cargo handled:

Tourism

The Greater Miami Area is a leading center for tourism in the State. Miami was a primary destination for more domestic air travelers after Orlando according to the Florida Division of Tourism of the Department of Commerce. It is also the principal port of entry in the State for international air travelers. During 2004, 79% of international air travelers (excluding travelers from Canada) entering the State arrived through the Airport. The Airport has the third highest international passenger traffic behind New York's John F. Kennedy International Airport and the Los Angeles International Airport.

The visitors market in the County is shifting away from the traditional tourist market to a "convention group market." This is reflected in the expansion and renovation of lodging facilities as well as in the marketing efforts of South Florida hoteliers. The City of Miami Beach, with the assistance of the County, is expanding and remodeling the Miami Beach Convention Center, the largest existing

convention center in the County, from 250,000 to 500,000 square feet of exhibition space. The convention group market is generally less sensitive to fluctuations in disposable personal income.

The following is a five-year schedule of domestic and international visitors and the estimated economic impact produced by those visitors:
